THE ANTICHRIST'S NEW WORLD ORDER: WHAT WILL HAPPEN TO AMERICA?

WHAT IS THE ANTICHRIST'S JOB DESCRIPTION?

THE BIBLE INFORMS US AS FOLLOWS:

John 10:10

The thief [Satan] does not come except to steal, and to kill, and to destroy. I [Jesus] have come that they may have life, and that they may have it more abundantly.
(New King James Version)

SATAN COMES TO KILL, ROB AND DESTROY!

SATAN'S UNIVERSAL SYMBOLS ARE THE GOAT, THE
CRESCENT MOON AND THE FIVE-POINTED
PENTAGRAM STAR

Satan's unholy Biblical "job description" is exactly as stated above: he comes to kill, rob and destroy! The soon-coming Antichrist will be the incarnate son of Satan, a man whose number is 666, and he comes to kill, rob and destroy, exactly as his father has done throughout the past 6000 years of human history. Indeed, Satanism comes to kill, rob and destroy everyone and everything it touches because that is Satan's job. He hates God; he hates Christ; he hates Christians and all of God's creation. He is the destroyer of all of God's good works.

GLOBAL COMMUNISM IS SATAN'S CREATION

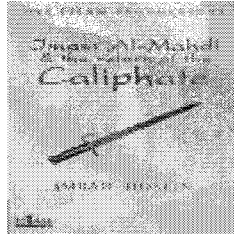

Few Christians truly understand that Satan himself invented the earthly “political” system of Communism via his human agent, Karl Marx, a devout Satanist. So it follows that Communism, the governmental political system Satan created, comes to kill, rob and destroy exactly as Satanism does, because Communism is actually Satanism in disguise! Accordingly, the soon-coming Antichrist, the son of the Devil himself, will be a Communist. In fact, he will rise to become the world’s Top Communist and the head of the KGB, which now is being called the FSB! But a rose by any other name is still a rose. The Russian Communist FSB is still the KGB in disguise and it is one thorny rose bush!

SATAN’S ANTICHRIST ALSO WILL COME AS A MUSLIM,
THE ISLAMIC 12th IMAM MAHDI, THE CALIPHATE
MAITREYA MESSIAH!

Not only will the Antichrist be a communist, he will be a Muslim as well. In fact, he'll be the world's Supreme Islamic leader, the so-called Islamic "savior," whom Muslims call the 12th Imam

Mahdi Islamic "messiah," the Maitreya, the Caliphate. Indeed, Satan's Communist Antichrist also will be the world's top Islamic Revolutionary Radical who will BEHEAD everyone who resists him (read Revelation Chapter 20 in this regard)! I'll cover more on this subject later, but for now, suffice it to say that:

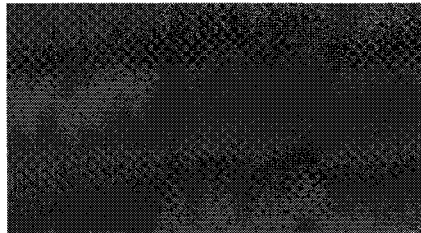

Maitreya

- Satanism is communism and communism is Satanism!
- Islam is Satanism and Satanism is Islam!
- Satanism, communism and Islam are identical in their common desire to kill, rob and destroy!
- Satan is an extremist Revolutionary who is against the Kingdom of God! And Satan's revolution against God in Heaven is expressed against Him on Earth via political communism, Islam and Devil worship!

GLOBAL COMMUNISM, ISLAM AND SATANISM
EQUALS THE NEW WORLD ORDER!

RADICAL REVOLUTIONARY ISLAM, COMMUNISM AND
SATANISM

In order to comprehend the incredibly evil concept of Islamic terror, it is first necessary to understand the enemy and his strategies, how he forms his alliances and how he shapes his tactics to achieve his goals.

Islam is at once a religion and an ideology. Its totalitarian ideology is comparable to Nazism, Communism and Fascism. Islamic leaders in the United States tell politicians that Islam is a "religion of peace" and give them some verses from the Koran that are relayed to the American people. But as with most politically correct jargon, people are encouraged to deny the evidence of their own senses.

Indeed, the religious roots of the present threat are radical Islam, but its politics are the familiar strategies of the Cold War Communist Left.

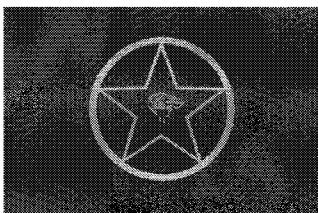

In the 1930s, the Communist movement devised a strategy for weakening and subverting democratic societies, which changed the nature of revolutionary politics forever, and profoundly increased the threat it posed. Until then the Communist parties had openly declared their revolutionary agendas, which were anti-Western, anti-democratic and required illegal and criminal means to achieve. Communists were for the "dictatorship of the proletariat" and intended to achieve this dictatorship through a "civil war" in the western democracies. Their primary agenda of course was to provide "frontier guards" to defend the Soviet Union and its dictatorship, because that was the revolutionary base. However, openly declaring such violent Communist agendas insured that they would be and remain a fringe minority in democratic societies, and that is what happened.

Then, in 1935, the Communist parties adopted a sinister new undercover tactic, which they called the Popular Front. The agenda of the Popular Front Movements was framed in terms of the fundamental values of the societies the Communists intended to destroy. In place of the "dictatorship of the proletariat" and an "international civil war," the Communists organized coalitions for "democracy, justice and peace."

Nothing had changed in the philosophy and goals of the Communists, but by advocating (or seeming to advocate) "democracy, justice and peace," they were able to forge broad alliances with individuals and groups who had no inkling of their true agendas or -- in any case -- believed them to be less sinister and dangerous than they were. Working through the Popular Front they had formed with "liberal" groups, the Communists were able to hide their conspiratorial activities; form "peace" movements; then increase their own numbers until they became a formidable political force.

The organizers of such “peace demonstrations” were and still are veteran Communists and the movement itself is an exemplary expression of the strategy of the "Popular Front." These Communist leaders also have penetrated and infiltrated most “secular” universities nationwide in order to covertly subvert, corrupt and **convert America’s youth to communism**.

For example, the Communist National Youth and Student Peace Coalition has a website (www.nyspc.net) wherein various Stanford University Peace-Organizers are plainly listed (www.nyspc.net/strikelist.html) as the Stanford Labor Action Coalition and the Young Communist League - the youth branch of the Communist Party, U.S.A. Clara Webb, the president of the Stanford Young Communist League is listed as the contact person for both organizations.

ISLAMIC TERRORISM AND COMMUNIST TERRORISM
JOIN FORCES IN THE NEW WORLD ORDER, THE NOVUS-
ORDO-SECLORUM!

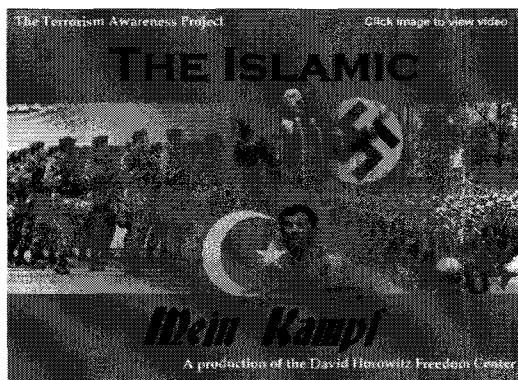

In the leadership of the National Youth and Student Peace Coalition are not only Communists, but radical Muslims. Andy Burns, spokesman for the Coalition told the Washington Times,

"The way the student peace movement has worked since September 11, 2001, is we've formed coalitions on most campuses. The Muslim Student Association is usually, if not most of the time active because Muslims are a target population."

In fact, it is Americans who are the target population. Radical Muslims are the terrorists who attack us. The idea that America is the world aggressor – the Great Satan – is the quasi-religious belief that forges the alliance between atheist Communists and “religious” Islamic fundamentalists.

The strategy of the Popular Front – proclaiming its goals as "peace" and "justice" -- is the **deception** that hauls in the rest of the fools who would believe the same old re-packaged communist lies. God's Scripture informs us that **Satan is the Father of all lies** and communism is based totally upon satanic, God-hating lies! Accordingly, the truth should be easy to see!

THE SATANIC APOSTASY OF COMMUNISM AND ISLAM

Wikipedia online encyclopedia defines Apostasy as “the formal religious disaffiliation or abandonment or renunciation of one's religion...the term refers to renunciation and criticism of, or **opposition to**, one's former religion.”

Therefore, one who commits apostasy is an **apostate**, or one who apostatizes.

THE WORD "APOSTASY" MEANS A REVOLT AGAINST
OR A COMPLETE REBELLION FROM GOD!

The word APOSTASY derives from the Greek αποστασία (apostasias), meaning a **defection or revolt**, from απο, apo, "away, apart", στασις, stasis, "stand", and "standing".

The American sociologist Lewis A. Coser (following the German philosopher and sociologist Max Scheler holds an apostate to be not just a person who experienced a dramatic change in conviction but "a man who, even in his new state of belief, is spiritually living not primarily in the content of that faith, in the pursuit of goals appropriate to it, but only in **the struggle against the old faith** and for the sake of its negation."

Stuart A. Wright, an American sociologist and author, asserts that **apostasy is a unique phenomenon and a distinct type of religious defection**, in which the apostate is a defector "who is aligned with an oppositional coalition in an effort to broaden the dispute, and embraces public claims-making activities to attack his or her former group."

The term apostasy is also derived from the Greek ἀποστάτης, meaning "**political rebel**," as applied to **rebellion against God**, His law and the faith of Israel (in Hebrew מרד) in the Hebrew Bible.

WHAT DOES GOD HAVE TO SAY ABOUT THE
COMMUNIST, ISLAMIC, SATANIC REBELLION, THE
REVOLUTION AGAINST HIM?

Isaiah 59:13

In transgressing and lying against the LORD, and departing away from our God, speaking oppression and revolt, conceiving and uttering from the heart words of falsehood.

Proverbs 17:11

An evil man seeketh only rebellion: therefore a cruel messenger shall be sent against him.

Jeremiah 28:16

Therefore thus saith the LORD; Behold, I will cast thee from off the face of the earth: this year thou shalt die, because thou hast taught rebellion against the LORD.

Jeremiah 5:23

But this people hath a **revolting and a rebellious** heart; they are **revolted** and gone.

Jeremiah 6:28

They are all grievous revolvers, walking with slanders: they are brass and iron; they are all corrupters.

2 Thessalonians 2

1 Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,

2 That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.

3 Let no man **deceive** you by any means: for that day shall not come, except there come **a falling away first**, and that **man of sin** be revealed, the **son of perdition**;

4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

5 Remember ye not, that, when I was yet with you, I told you these things?

6 And now ye know what withholdeth that he might be revealed in his time.

7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

8 And **then shall that Wicked be revealed**, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

9 Even **him, whose coming is after the working of Satan with all power and signs and lying wonders**,

10 And with **all deceivableness of unrighteousness** in them that perish; because they received not the love of the truth, that they might be saved.

11 And for this cause **God shall send them strong delusion, that they should believe a lie**:

12 **That they all might be damned who believed not the truth**, but had pleasure in unrighteousness.

ENTER THE END-TIMES APOSTATES: COMRADE
ANTICHRIST AND THE ISLAMIC MESSIAH!

Truly, the Devil made them do it and soon Satan will reveal his son, the Prince of Darkness, the Son of Perdition, whom I have named appropriately “**COMRADE ANTICHRIST.**” He’ll lead this lost, sinful planet through its final **seven years** of Tribulation as both the world’s Supreme Communist Party Leader and the 12th Islamic Imam Mahdi. During that time, this demonically-possessed MAN will KILL, ROB AND DESTROY virtually everything and everyone on Earth unlike any other dictator throughout all of recorded history!

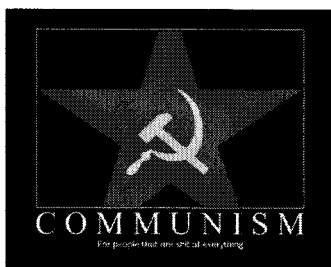

RUSSIA AND ISLAM ARE NOT SEPARATE: WHY RUSSIA
BACKS ISLAMIC TERRORISTS!

Presently, the socialist Left's contemporary romance with revolutionary militant Islam is a continuation of the Left's love affair with satanically-inspired communist totalitarianism of the 20th Century.

Both the radical Left and radical Islam possess a profound hatred for Western culture; for capitalist economic structures that recognize individual achievement; and for the Judeo-Christian heritage of the United States. Both seek to establish a New World Order global dictatorship. Such leftists desire a so-called “classless” international communist society and Islamists desire a global dictatorship led by a “messianic” caliphate who’ll rule by global Sharia law. To achieve these goals, both are willing to “wipe the slate clean” by means of limitless carnage, with the ultimate goal of erecting their murderous demonic “utopia” upon the ruins of the system they jointly have destroyed.

Indeed, one of the foundations of the Left's romance with militant Islam, as with communism, is the lust for death---but ONLY for others, of course, not for themselves.

ADDITIONAL INSIGHT FROM A FORMER COMMUNIST KGB OFFICER

Konstantin Preobrazhensky, a former Lt. Colonel in the KGB who defected to the United States in 1993, is an intelligence expert and specialist on Japan, about which he has written six books. His newest book *The Russian-American: a New KGB Asset* was published in late 2007.

In Preobrazhensky's book, he states, “Americans generally believe that Russia is afraid of Islamic terrorism as much as the U.S.A. They are reminded of the war in Chechnya, the hostage crisis at the Beslan School in 2004 and at the Moscow Theater in 2002, and of the apartment house blasts in Moscow in 1999,

where over 200 people were killed. It is clear that Russians are also targets of terrorism today because Russia's own KGB/FSB was involved in making such things happen."

He continues, "Indeed, in all of these events, the participation of Russia's own FSB, Federal Security Service, inheritor to the KGB, is also clear. Their involvement in the Moscow blasts has been proven by lawyer Mikhail Trepashkin, a former KGB/FSB Colonel. For this he was illegally imprisoned, and is now suffering torture and deprivation of medical assistance, from which he is not likely to survive."

Preobrazhensky concludes with this statement, "A key distinction between Russian and American attitudes towards Islamic terrorism is that while for America terrorism is largely seen as an exterior menace, Russia uses terrorism as an object, as a tool of the state for manipulation in and outside the home country. Islamic terrorism is only part of the world of terrorism. Long before Islamic terrorism became a global threat, the KGB had used terrorism to facilitate the victory of world Communism."

THE LOGICAL CONNECTION BETWEEN COMMUNIST TERRORISM AND ISLAMIC TERRORISM

This leads to the logical connection between Russian and Islamic terrorism. The late Alexander Litvinenko, poisoned in London in November, 2006, related that his former KGB/FSB colleagues had trained famous Al-Qaeda terrorists Ayman Al-Zawahiri and Juma Namangoni during the 1980s and 1990s. Ayman Al-Zawahiri, one of the world's most wanted terrorists, has been responsible for the murder of U.S. nationals outside the United

States. Before his death, Juma Namangoni (Jumabai Hojiyev), a native of Soviet Uzbekistan, was evidently a right-hand man of Osama bin Laden in charge of the Taliban's northern front in Afghanistan.

In 1996, Alexander Litvinenko was responsible for securing the secrecy of Al-Zawahiri's arrival in Russia, who was trained by KGB/FSB instructors in Dagestan, Northern Caucasus, in 1996-1997.

At that time, Litvinenko was the Head of the Subdivision for Internationally Wanted Terrorists of the First Department of the Operative-Inquiry-Directorate of the KGB/FSB Anti-Terrorist Department. He was ordered to undertake the delicate mission of securing Al-Zawahiri from unintentional disclosure by the Russian police. Though Al-Zawahiri had been brought to Russia by the KGB/FSB using a false passport, it was still possible for the police to learn about his arrival and report to Moscow for verification. Such a process could disclose Al-Zawahiri as a KGB/FSB collaborator.

In order to prevent this, Litvinenko apparently visited a group of the highly placed police officers to notify them in advance. "If you get information about some suspicious Arabs arriving in the Caucasus, please report it to me before informing your leadership", he told them.

Juma Namangoni was once a student of the Saboteur Training Center of the First Chief Directorate of the KGB in 1989-91. The school was notorious for the international terrorists who matriculated from it. It now belongs to the FSB (KGB), and since only KGB staff officers were allowed to study there, Juma Namangoni's presence clearly suggests that he was much more than a civil collaborator.

Mohammed Atta, the pilot of the first plane to crash into the World Trade Center on September 11, 2001, had met with a senior Iraqi intelligence agent in Prague, Czech Republic, five months before the attack. But Iraqi intelligence was just a client

of Russia's intelligence service. It brings a new understanding to the fact that President Putin was the first foreign President to call President Bush on 9/11. One may conjecture that he knew in advance what was to happen.

A PERFECT MARRIAGE: SATANIC COMMUNISM &
SATANIC ISLAM---A COMMUNIST HEART WITH A
MUSLIM NAME!

Tartars have always been patriotic to Russia. Their independent kingdom was conquered by Russia in the 16th century, but their gentry were allowed to join the Russian upper class and enjoy all its privileges. Even today, many Russian families of noble origin have Tartar origins. Russia has a half-millennium of experience in turning conquered Muslim nations into obedient citizens by bribing their elite.

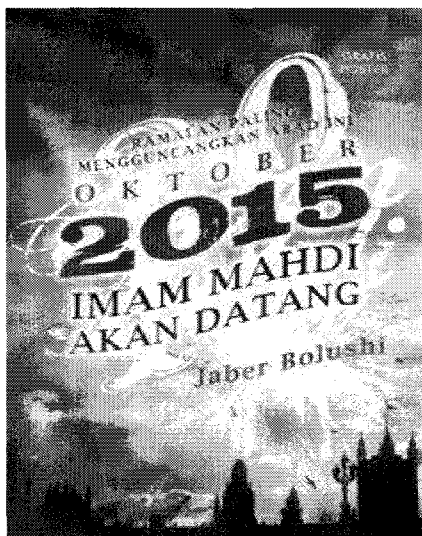

There are many Soviet Muslims, therefore, who seem to face no conflict of “spirit.” One can be a Muslim in name only, whose heart belongs to Communism. There have been a lot of such people among Russian Muslims, especially among the Tartars. The Soviet Union has typically preferred to appoint them as ambassadors to Muslim countries. Their Muslim names give them a pass to the local society, but their Communist hearts order them to serve world Communism and not the world of Islam.

In the Soviet period, the highest leadership of the Muslim republics like Uzbekistan was unofficially allowed to practice Islam under the guise of folk rites, even though their Russian

colleagues were severely reprimanded for participating in such Christian "rites" as Christmas or Easter. Unlike today, Soviet cartoonists were able to mock Islam as they mocked all other religions and it didn't bring any special reaction.

Muslims of the Uzbek and other Central Asian republics' elite joined the KGB intelligence in order to spy on fellow Muslim countries. In fact, inside the KGB are a lot of such quasi-Muslim officers.

RUSSIA GROWS MUSLIM!

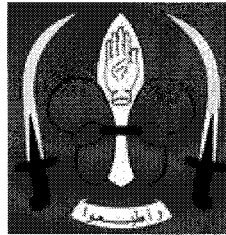

Putin continues the traditional Russian policy of giving privileges to the Muslim elite. Today's Russian Minister of Healthcare, Mikhail Zurabov, is a Chechen. His political agenda includes the total destruction of the Russian healthcare system, looking like revenge for the war in Chechnya. Putin shows no concern over that.

Strategically, Russia is surrendering to the Muslim world. The Russian population is declining rapidly, being undermined by 70 years of Communist experiment and the cold indifference of post-communist rulers. Annually, Russia is losing 900 thousand

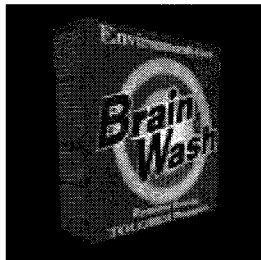

people who are being replaced by Muslims from the Caucasus and Central Asia. Islam is now the second-largest religion in Russia, where it may total up to 28 million adherents. Because of this, Russia was able to join the Organization of the Islamic Conference in 2003.

THE PERFECT GLOBAL SYNERGY: COMMUNIST
TERRORISM AND ISLAMIC TERRORISM---THEY ARE
NATURAL PARTNERS!

Russia's great qualitative population-change represents both a departure from the past and a strengthening link with it. The synergies between the history of Russia's national policies of terrorism and the radical Islamic terrorism that it is spreading around the world are natural partners that will severely impact America's future.

CHANGING PEOPLE'S MINDS IS WHAT COMMUNISM IS
ALL ABOUT!

Changing minds is what communism is all about. Western leftist journalists and writers have dedicated their lives to covering up the murderous failures of satanically created Marxism, so as to

make it palatable to the West. I call this process, "LEFT-WASHING." For example, when Walter Duranty, the New York Times' man in Moscow, visited the Ukraine in 1933 at the peak of its devastating famine that killed millions, he lied in his articles, claiming that Russia's village markets overflowed with "eggs, fruit, poultry, vegetables, milk and butter." A child could see, he wrote, that "this is not famine but abundance." Sound familiar? 2009 is not much different, is it?

For decades Leftists writers and other socialist agents-of-influence have purposely deceived the West about the horrific "marvels" of Marxism and have been strategically denigrating American capitalism in order to eventually destroy it. George Bernard Shaw, Upton Sinclair, Johannes Becher, André Maurois, Theodore Dreisser, H.G. Wells, Oliver Stone and Steven Spielberg are just a few such Leftist authors.

Today it is considered bad manners (due to years of socialist political-correctness brainwashing) to point out any Soviet source of anti-Americanism. It is as if we preferred to assume that hatred for America was somehow Islamic – or French, or German – in origin. It is not. In fact, the Soviet regime has had a long record of using its influence to set militant Islam onto anti-American and anti-capitalist paths. Even some terms introduced by Iran's "Revolutionary" Khomeini into radical Islamic thought were born in Moscow. The KGB terms "Mostakbirine" ("the arrogant") and "Mostadafine" ("the weakened") are just two of them. Indeed, Khomeini's "Revolution" was strongly supported by the Iranian Communist Party, which was secretly financed by the KGB.

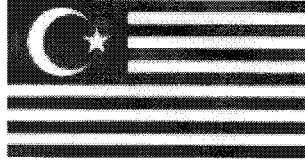

The KGB community also infiltrated thousands of Muslim believers living in the Soviet bloc who belonged to various Islamic ethnic groups and sent Arab agents into the countries of their heritage. Their task was to implant there a rabid, demented hatred for American Zionism by manipulating the ancestral abhorrence for Jews felt by the people in that part of the world. These Muslims were tasked by the KGB community to portray the United States as an "arrogant and haughty Jewish fiefdom" financed by Jewish money and run by Jewish politicians, whose aim was to subordinate the Islamic world.

Anti-Americanism and anti-Semitism, spread exactly the way the former KGB Chairman, Andropov, had originally planned it, is proof of that. An Internet videotape depicting the grisly decapitation and dismembering of Wall Street Journal reporter Daniel Pearl in 2002 offers further evidence that Andropov's strategy succeeded. Pearl was gruesomely murdered only because he was an American Jew.

Russia is, unfortunately, still run by the KGB (under a new name, the FSB) – which dismissed all its Jewish officers during the early 1970s. In the Soviet Union, the KGB was a state within a state. Now the KGB is the state. In August 1998, KGB Gen. Evgeny Primakov became Russia's prime minister, and two months later one of his former colleagues, retired Gen. Albert Makashov, a member of the Duma, called for the "extermination of all Jews in Russia." He insinuated that they were being paid by American Zionism to ruin the motherland. On Nov. 4, 1998, the Duma endorsed Makashov's statement by vote (121 to 107).

Totalitarianism always requires tangible enemies! Accordingly, Jews, Christians and American capitalists have proved to be convenient enemies for Nazism, Communism and Radical Islamic terrorist-communists.

WHAT DOES SCRIPTURE SAY ABOUT THE COMING ANTICHRIST?

Essentially, the Antichrist is described as one who fulfills Biblical prophecies concerning an adversary of Christ while resembling him in a deceptive manner. The term "Antichrist" is the English translation of the original Koine Greek ἀντίχριστος, pronounced än-tē'-khrē-stos. It is made up of two root words, ἀντί + Χριστός (anti + Christos). "Αντί" can mean not only "against" and "opposite of", but also "in place of", "Χριστός", translated "Christ", is Greek for the Hebrew "Messiah" meaning "anointed," and refers to Jesus of Nazareth. The term "antichrist" appears 5 times in 1 John and 2 John of the New Testament — once in plural form and four times in the singular.

SOME THOUGHTS FROM EARLY CHURCH LEADERS REGARDING THE ANTICHRIST

Polycarp (ca. 69 – ca. 155) warned the Philippians that everyone that preached false doctrine was an antichrist.

Irenaeus (2nd century AD - c. 202) held that Rome, the fourth prophetic kingdom, would end in a tenfold partition. The ten divisions of the empire are the "ten horns" of Daniel 7 and the

"ten horns" in Revelation 17. A "little horn," which is to supplant three of Rome's ten divisions, is also the still future "eighth" in Revelation.

He identified the Antichrist with Paul's Man of Sin, Daniel's Little Horn, and John's Beast of Revelation 13. He sought to apply other expressions to Antichrist, such as "the abomination of desolation," mentioned by Christ (Matt. 24:15) and the "king of a most fierce countenance," in Gabriel's explanation of the Little Horn of Daniel 8.

Under the notion that the Antichrist, as a single individual, might be of Jewish origin, he fancies that the mention of "Dan," in Jeremiah 8:16, and the omission of that name from those tribes listed in Revelation 7, might indicate Antichrist's tribe. He also speculated that it was "very probable" the Antichrist might be called Lateinos, which is Greek for "Latin Man".

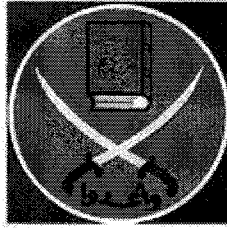

Hippolytus of Rome (c. 170-c. 236) held that the Antichrist would come from the tribe of Dan and would rebuild the Jewish temple in order to reign from it. He identified the Antichrist with the Beast out of the Earth from the book of Revelation.

By the beast, then, coming up out of the earth, he means the kingdom of Antichrist; and by the two horns he means him and the false prophet after him. And in speaking of "the horns being like a lamb," he means that he will make himself like the Son of God, and set himself forward as king. And the terms, "he spake like a dragon," mean that he is a deceiver, and not truthful.

Many Protestant reformers, including Martin Luther, John Calvin, Thomas Cranmer, John Knox, Cotton Mather, and John Wesley, identified the Roman Papacy as the Antichrist. The Centuriators of Magdeburg, a group of Lutheran scholars in Magdeburg headed by Matthias Flacius, wrote the 12-volume "Magdeburg Centuries" to discredit the papacy and identify the pope as the Antichrist. The fifth round of talks in the Lutheran-Roman Catholic dialogue notes:

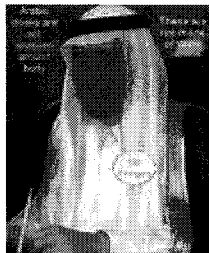

In calling the pope the "antichrist," the early Lutherans stood in a tradition that reached back into the eleventh century. Not only dissidents and heretics but even saints had called the bishop of Rome the "antichrist" when they wished to castigate his abuse of power.

EVEN ISLAM DEFINES THE ANTICHRIST AS AN EVIL IMPOSTOR WHO PRETENDS TO BE JESUS CHRIST!

Believe it or not, even in Islam, the Antichrist is called the Masih ad-Dajjal (Arabic: الدَّجَال, literally meaning "The Impostor"), an evil figure in Islamic eschatology. He is to appear pretending to be Jesus at a time in the future, before Yawm al-Qiyamah (The Day of Resurrection, Judgment Day).

SO WHO COULD THIS ANTICHRIST BE TODAY? IT APPEARS HE WILL BE THE COMMUNIST INSPIRED ISLAMIC 12th IMAM MAHDI MESSIAH---THE MAITREYA!

Christians are looking for Jesus' 2nd coming; the Jews are still awaiting the first coming of their messiah (because they rejected Jesus Christ, the true Messiah) and Muslims are awaiting the 2nd arrival of their 12th Imam Mahdi "messiah." Of these three,

Allah's designated 12th Mahdi is the only one who demands a violent path to conquer the world for Islam. Iran's President, Mr. Ahmadinejad, and his cabinet say they have a 'signed contract' with their "al Mahdi" in which they pledge themselves to his "work." But what does this "work" involve? Well, Mahmoud Ahmadinejad has stated that Israel should be wiped off the map! In fact, he spoke to the United Nations in September '05 during which he claimed to have been enveloped in an "aura of light" and said he felt a change in the atmosphere around him at that time.

Iran's PM is also said to have spoken in apocalyptic terms and he seems to relish the possibility of a horrible conflict with the West, whom he calls the Great Satan. He then proclaimed he must prepare the world for the coming 12th Mahdi by way of creating a world totally under Islamic control. Accordingly, he claims he is working hard to bring about numerous worldwide horrors that must first occur in order for their Islamic 12th Imam al Mahdi to bring Muslim "peace" to the world.

This occult notion and satanic goal, combined with a violent hatred of all non-Muslim infidels (such as America and Israel) reminds us of the numerous Biblical prophecies of the coming anti-Christ---the false satanic messiah who will promise the world "peace," but instead, will deliver death and destruction.

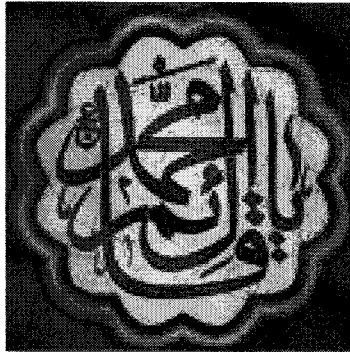

Therefore, in order to clearly understand why I believe the Antichrist will be this communist-inspired 12th Imam Mahdi Muslim "messiah," let's now study some Islamic writings about this evil, lying and demonic character! You see, such Islamic writings themselves provide us with a great deal of insight regarding the "imminent return" of their soon-expected satanic Maitreya "messiah," whom we Christians will recognize as the Antichrist, the man whose number is 666.

THE 12th IMAM MAHDI WILL BE ACCOMPANIED BY AN
ISLAMIC "JESUS," THE MAHDI'S "ASSISTANT"

According to Twelver Shī'as Muhammad al-Māhdī (الإمام محمد بن الحسن المهدي) also known as Hujjat ibn al-Hasan (15th Sha'bān 255 AH - approximately July 29, 869) is the final Imām of the Twelve Imams and the Māhdī, the ultimate savior of humankind. Other Shī'ah schools, along with Sunnīs, do not consider ibn-al-Hasan as the Māhdī. Twelver Shī'as believe that al-Māhdī was born in 869 and has been hidden by God (referred to as the Occultation) to later emerge with the Islamic "Jesus" in order to fulfill their mission of bringing "peace and justice" to the world.

THEY WILL CREATE A GLOBAL, COMMUNIST, ISLAMIC
NEW-WORLD-ORDER!

Twelver Shi'as cite various references from the Qur'an and reports, or Hadith, from Imam Mahdi and the twelve Shi'a Imams with regard to the reappearance of al-Mahdi who would, in accordance with Allah's command, bring justice and peace to the world by establishing Islam throughout the world.

ORDO-AB-CHAO MEANS: ORDER FROM CHAOS

A NEW WORLD ORDER UNDER THE ANTICHRIST FROM
THE CHAOS OF THE COLLAPSED OLD-WORLD-ORDER
UNDER GOD

INDEED, A NEW COMMUNIST, ISLAMIC WORLD ORDER
WILL APPEAR FROM THE CREATED CHAOS OF THE OLD
WORLD ORDER!

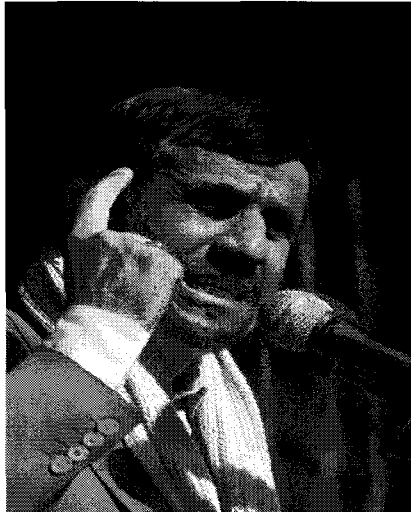

Islamic Shi'as believe that Imam al-Mahdi will reappear when the world has fallen into chaos and civil war emerges between the human races for no reason. At that time, it is believed, half of the true believers will ride from Yemen carrying white flags to Mecca, while the other half will ride from Karbala, in Iraq, carrying black flags to Mecca. At this time, Imam al-Mahdi will come wielding God's Sword, the Blade of Evil's Bane, Zulfikar (Arabic: ذو الفقار, ḏū l-fiqār), the Double-Bladed Sword.

Indeed, Shi'as believe that their Islamic "Jesus" also will come with the 12th Imam MAHDI to destroy tyranny and falsehood, and to bring justice and peace to the world.

IRAN'S GOVERNMENT IS PRESENTLY SETTING THE
STAGE FOR THE REAPPEARANCE OF THEIR ISLAMIC
MESSIAH, THE 12th IMAMA MAHDI, THE CALIPHATE
MAITREYA

On January 27, 2007 the Iranian Government broadcasted a special series on the imminent appearance of their apocalyptic Islamic 12th Imam 'Mahdi.'

Indeed, their official Iranian radio station completed broadcasting a lengthy series on the imminent appearance of a messianic figure that will defeat Islam's enemies and impose Islamic Shiite rule over the entire world – even speculating on specific dates regarding when the so-called "Mahdi" will be revealed as follows:

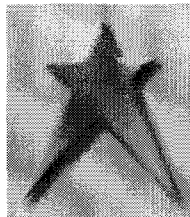

"Be joyous my heart, miracles of the Messiah will soon be here," reads a poem used to conclude the first broadcast. "The scent of breaths of the One we know comes from near. Grieve not of sorrow and melancholy, as assured I was ... last night that a Savior will come, it's clear."

After the coming of the 12th Imam, or Mahdi, "liberal democratic civilization" will be found only in "history museums," explained the program.

Contrary to the views of western theoreticians, who usually depict an ambiguous and dark future for mankind, Muslim experts believe human history, despite its many ups and downs, has a very auspicious fate," explained the program. "Muslims believe hope for the realization of such a happy ending for the world is called 'Awaiting Redemption,' and means waiting for man's problems to be solved by the Savior at the end of time. This awaiting influences many, and inspires them with activity and enthusiasm in confronting darkness and oppression for changing the existing situation...."

According to these broadcasts, the Islamic messianic 12th IMAM MAHDI figure will be a direct descendant of Muhammad, as follows:

HE WILL CREATE A GLOBAL GOVERNMENT OF FALSE
PEACE AND LIES

"In short, when he reappears, peace, justice and security will overcome oppression and deceit and one global government, the most perfect ever, will be established," it said.

The Mahdi will appear suddenly, according to the report, in Mecca. Though no one can know the day, Shiites believe, the report actually suggests possibilities in the Muslim calendar.

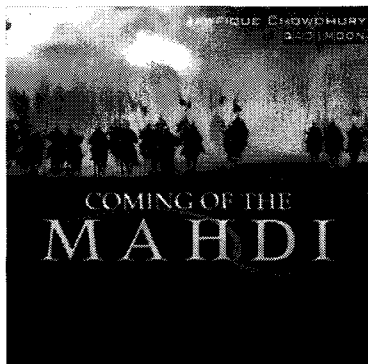

The Mahdi will lead a cataclysmic battle against a descendant of Muhammad's archenemy, Abu Sofyan, culminating in the cities of Kufa and Najaf. His enemy, though, is destroyed later in Jerusalem.

THE ISLAMIC PROPHET "JESUS" WILL BE THE MAHDI'S "LIEUTENANT"

"Another beautiful moment of the Savior's appearance is the coming down of Prophet Jesus (PBUH) from heaven," says the report. "Hazrat Mahdi receives him courteously and asks him to lead the prayers. But Jesus says you are more qualified for this than me. We read in the book Tazkarat ol-Olia, 'the Mahdi will come with Jesus son of Mary accompanying him.' This indicates that these two great men are complementing each other."

"Imam Mahdi will be the leader while Prophet Jesus will act as his lieutenant in the struggle against oppression and establishment of justice in the world. Jesus had himself given the tidings of the coming of God's last messenger and will see Mohammad's ideals materialize in the time of the Mahdi."

IRAN'S PRESIDENT SAYS THE 12th MAHDI AND THE ISLAMIC JESUS SOON WILL APPEAR!

In a recent greeting to the world's Christians for the coming New Year, Iranian President Mahmoud Ahmadinejad said he expects both Jesus and the Mahdi, to return and "wipe away oppression."

"I wish all the Christians a very happy new year and I wish to ask them a question as well," said Ahmadinejad, according to an Iranian Student News Agency report cited by YnetNews.com

"My one question to the Christians is: What would Jesus do if he were present in the world today? What would he do before some of the oppressive powers of the world who are in fact residing in Christian countries? Which powers would he revive and which of them would he destroy?" asked the Iranian leader.

"If Jesus were present today, who would be facing him and who would be following him?"

IRAN DESIRES TO USHER IN THE ISLAMIC 12th IMAM MAHDI, THE CALIPHATE MAITREYA

Ahmadinejad's mystical pre-occupation with the coming of the Mahdi is raising concerns that a nuclear-armed Islamic Republic could trigger the kind of global conflagration he envisions will set the stage for the end of the world.

In a videotaped meeting with Ayatollah Javadi-Amoli in Tehran a few months ago, Ahmadinejad discussed candidly a strange, paranormal experience he had while addressing the United Nations in New York.

He recounts how he found himself bathed in light throughout the speech. But this wasn't the light directed at the podium by the U.N. and television cameras. It was, he said, a light from heaven.

According to a transcript of his comments Ahmadinejad wasn't the only one who noticed the unearthly light. One of his aides brought it to his attention.

The Iranian president recalled being told about it by one of his delegation: "When you began with the words 'in the name of Allah,' I saw a light coming, surrounding you and protecting you to the end."

Ahmadinejad agreed that he sensed the same thing, as follows:

"On the last day when I was speaking, one of our group told me that when I started to say 'Bismillah Muhammad,' he saw a green light come from around me, and I was placed inside this aura," he says. "I felt it myself. I felt that the atmosphere suddenly changed, and for those 27 or 28 minutes, all the leaders of the world did not blink. When I say they didn't move an eyelid, I'm not exaggerating. They were looking as if a hand was holding them there, and had just opened their eyes – Alhamdulillah!"

Ahmadinejad's "vision" at the U.N. is strangely reminiscent and alarmingly similar to statements he has made about his personal role in ushering in the return of the Shiite Muslim messiah, the 12th Imam Mahdi.

He sees his main mission, as he recounted in a speech in Tehran, as to "pave the path for the glorious reappearance of Imam Mahdi; may Allah hasten his reappearance."

**MUSLIMS SAY THE 12th IMAM MAHDI WILL REIGN FOR
SEVEN YEARS: THE BIBLICAL 7-YEAR TRIBULATION
PERIOD UNDER ANTICHRIST!**

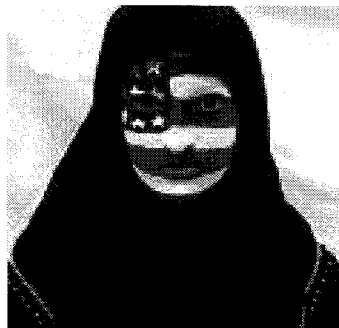

According to Shiites, the 12th Imam disappeared as a child in the year 941. When he returns, they believe, he will reign on earth for seven (7) years, before bringing about a final judgment and the end of the world.

Ahmadinejad is urging Iranians to prepare for the coming of the Mahdi by turning the country into a mighty and advanced Islamic society and by avoiding the corruption and excesses of the West.

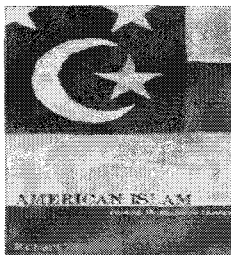

All Iran is buzzing about the Mahdi, the 12th Imam and the role Iran and Ahmadinejad are playing in his anticipated return. There's a new messiah hotline. There are news agencies especially devoted to the latest developments.

"People are anxious to know when and how will He rise; what they must do to receive this worldwide salvation," says Ali Lari, a cleric at the Bright Future Institute in Iran's religious center of Qom. "The timing is not clear, but the conditions are more specific," he adds. "There is a saying: 'When the students are ready, the teacher will come.'"

**IS ISLAM A RISK IN AMERICA TODAY? ABSOLUTELY!
IN FACT, AMERICA SLEEPS WHILE IT'S CULTURE,
SOCIETY AND VALUES ARE BEING SLOWLY
UNDERMINED BY THE ISLAMIC "STEALTH-JIHAD"**

In fact, America is really in a two-front war, but we're in denial on one front, and almost totally unaware of the other. Consequently, we are on our way to losing the war and losing America as we know it.

There are two fronts in the war of Islam against the West — the first front is the attack of the terrorists, what might be called the explosive jihad, which we hear about most often; but more importantly, and even more deadly, is the second front, the stealth jihad front, the slow takeover of America and gradual imposition of the Muslim law known as Shariah.

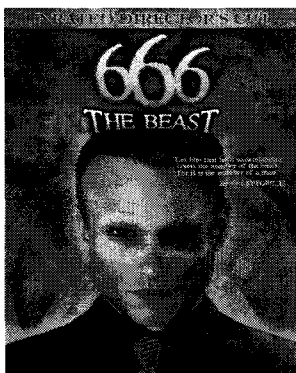

The B. Hussein Obama administration seems to want to take the war against terrorism off the map by renaming it as “global contingency operations” and “man-caused disasters.” It doesn’t want to use such terms as the “war on terror” and the “global war on terror.” It thinks the problem can disappear by giving it more innocuous names. The sheer folly of that approach tells you how weak and ineffective B. Hussein Obama’s administration is in facing an existential threat.

The more dangerous front in the war is the stealth jihad, the slow granting of concessions to and accommodation for Muslims and

their Shariah and the gradual destruction of our laws and values. This process is well advanced in England, but we are slowly going down the path that takes us to the destruction of our Constitution, our form of government and our way of life. Islam is quickly subverting our way of life without guns and bombs yet, but those things are coming soon! And we Americans seem to be totally unaware of what is transpiring. By allowing such activity to continue, we are building our own gallows and putting the noose around our necks, without even knowing it.

IN MY OPINION THE COMMUNIST ISLAMIC 12th IMAM
MAHDI WILL BE THE ANTICHRIST, THE “BEAST-MAN,”
WHOSE NUMBER IS 666!

The King James translation states so in Revelation Chapter 13, Verses 16-17, as follows:

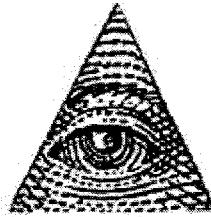

“...And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. [Emphasis mine]

In the original Greek manuscripts, that Number is rendered in Greek numerical form as χξς', or sometimes

literally as ἑξακόσιοι ἑξήκοντα ἕξ, hexakósioi hexēkonta héx, "six hundred and sixty-six".

THE MYSTERY OF THE DEVIL'S NUMBER 666

Some liberal scholars have ridiculously postulated that the reference to this passage was a way of speaking in code about then contemporary figures about whom it would have been politically dangerous to criticize openly. In my opinion, such an "educated" collegiate viewpoint is utter nonsense!

Others also have ridiculously believed, and some still do, that the number "666" refers to a former Roman Emperor such as Nero, whose name written in Aramaic can be valued at 666 (using the Hebrew numerology of gematria), and that it was a manner of speaking against the Roman Emperor without the Roman authorities knowing it. Once again, in my opinion, such a thought process is utter nonsense and much too ridiculous to discuss any further!

Some commentators, not only the contemporary, but also some ancient ones like Andreas of Caesarea or Origen, reflect an alternative attitude on textual matters of Revelation, in that they accept more than one reading when they know more. For

example the Greek νοεῖν, as in "ὁ ἔχων νοῦν ψηφισάτω", has been suggested to mean "read between the lines", "penetrate below the surface" by Cuthbert Hamilton Turner as a means to indirectly reference Roman power. Once again, I disagree with such theoretical logic!

And on and on it goes...for there are many other incorrect misinterpretations regarding the Biblical Mark-of-the-Beast Scriptural passages!

YOU MUST BE BORN AGAIN TO UNDERSTAND THESE THINGS!

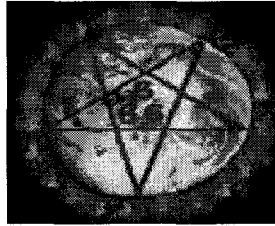

John 3:3 Jesus answered and said to him, "Truly, truly, I say to you, unless one is born again he cannot see the kingdom of God." John 3:7 "Do not be amazed that I said to you, 'You must be born again.'

1 Peter 1:3 Blessed be the God and Father of our Lord Jesus Christ, who according to His great mercy has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead....

Indeed, all truly "Born-Again" fundamentalist Christian believers correctly infer this scriptural reference to mean a "last-days" Mark of Commerce in which an international system of global government, led by one Man, a New-World-Order global dictator, the son of Satan, the Antichrist, will require his identification Mark (666) in everyone's Right Hand or Forehead or they'll be unable to transact business anywhere in the world (read Rev. 13:16-18 KJV).

16) And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17) And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18) Here is wisdom. Let him that hath understanding count the number of the beast: for

it is the number of a man; and his number is Six hundred threescore and six [666].

Christian fundamentalists typically view the 666 Mark of the Beast as THE way in which the Antichrist will exercise comprehensive economic, political and spiritual CONTROL over the Earth's entire populace during his unholy seven-year reign of terror, known as the Tribulation Period. This is so because of the prophetic statement in Revelation 13:16-17 that "the Beast" (θηριον) will require all people to receive the mark (χάρagma "branded mark or character") in their right hands or foreheads in order to buy or sell; making survival for those on the run virtually impossible!

MATTHEW HENRY'S CONCISE BIBLE COMMENTARY CLARIFIES THIS 666 BEASTLY MYSTERY FOR US

“Rev.13:11-18---Those who understand the first beast to denote a worldly power, take the second to be also a persecuting and assumed power, which acts under the disguise of religion, and of charity to the souls of men. It is a spiritual dominion, professing to be derived from Christ, and exercised at first in a gentle manner, but soon spake like the dragon. Its speech betrayed it; for it gives forth those false doctrines and cruel decrees, which show it to belong to the dragon, and not to the Lamb. It exercised all the power of the former beast. It pursues the same design, to draw men from worshipping the true God, and to subject the souls of men to the will and control of men. The second beast has carried on its designs, by methods whereby men should be deceived to worship the

former beast, in the new shape, or likeness made for it; by lying wonders, pretended miracles and by severe censures. Also by allowing none to enjoy natural or civil rights, who will not worship that beast which is the image of the pagan beast. It is made a qualification for buying and selling, as well as for places of profit and trust, that they oblige themselves to use all their interest, power, and endeavor to forward the dominion of the beast, which is meant by receiving his mark. To make an image to the beast, whose deadly wound was healed, would be to give form and power to his worship, or to require obedience to his commands. To worship the image of the beast, implies being subject to those things which stamp the character of the picture, and render it the image of the beast. The number of the beast is given, so as to show the infinite wisdom of God, and to exercise the wisdom of men. The number is the number of a man, computed after the usual manner among men, and it is 666. What or who is intended by this remains a mystery. To almost every religious dispute this number has yet been applied, and it may reasonably be doubted whether the meaning has yet been discovered. But he who has wisdom and understanding will see that all the enemies of God are numbered and marked out for destruction; that the term of their power will soon expire, and that all nations shall submit to our King of righteousness and peace.”

Many Christians, including myself, interpret this “666 Mark” requirement for all international commerce to mean that it actually could be an RFID ID chip implant injected under the skin of one’s right hand.

WHAT ARE RFID CHIP IMPLANTS?

RFID means radio-frequency identification devices. An RFID “tag” or electronic-chip is an object that can be applied to or incorporated into a product, animal, or person for the purpose of identification and tracking using radio waves. Some tags can be read from several meters away and beyond the line of sight of the reader.

Most RFID tags contain at least two parts. One is an integrated circuit for storing and processing information, modulating and demodulating a radio-frequency (RF) signal, and other specialized functions. The second is an antenna for receiving and transmitting the signal.

There are generally two types of RFID tags: active RFID tags, which contain a battery, and passive RFID tags, which have no battery.

Today, RFID is used globally in enterprise supply-chain management to improve the efficiency of inventory tracking and management.

RFID is becoming increasingly prevalent as the price of the technology decreases. In January 2003, Gillette announced that it had ordered 500 million tags from Alien Technology. Gillette VP Dick Cantwell said the company paid "well under ten cents" for each tag.

IN 2006 RFID CHIPS WERE PLACED INSIDE THE NEW U.S. PASSPORTS

In 2006, RFID tags were included in new US passports. The US produced 10 million passports in 2005, and it has been estimated that 13 million will be produced in 2006. The chips will store the same information that is printed within the passport and will also include a digital picture of the owner.

The US State Department initially stated the chips could only be read from a distance of 10 cm (4 in), but after widespread criticism and a clear demonstration that special equipment can

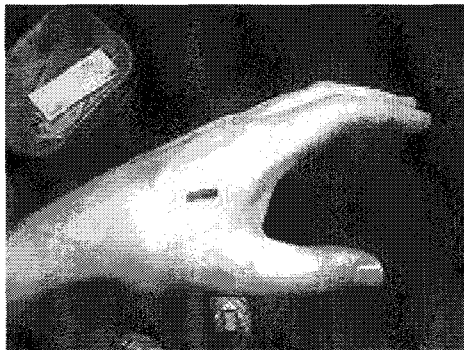

read the test passports from 10 meters (33 ft) away, the passports were designed to incorporate a thin metal lining to make it more difficult for unauthorized readers to "skim" information when the passport is closed.

The department will also implement Basic Access Control (BAC), which functions as a Personal Identification Number (PIN) in the form of characters printed on the passport data page. Before a passport's tag can be read, this PIN must be entered into an RFID reader. The BAC also enables the encryption of any communication between the chip and interrogator.

The new Passport Card also incorporates RFID technology. The Center for Democracy and Technology has issued warnings that significant security weaknesses in the Passport Card could be used to track U.S. travelers are apparent in the specifications of the card design as outlined by the U.S. Department of State. The Passport Card does now ship with an Identity Stronghold Secure Sleeve which shields the card and blocks anyone from reading its contents while the card is inside the sleeve.

**A CHIP OFF THE OLD BLOCK, LUCIFER: HUMAN RFID
MICROCHIP IMPLANTS! DON'T LET THEM GET UNDER
YOUR SKIN!**

Note the below photo of a man's LEFT hand and the Proposed location of his soon-to-be injected RFID chip implant:

This second photo below was taken just moments after the operation to insert the RFID tag in his LEFT hand had been completed.

Implantable RFID chips that were originally designed for animal “tagging” are now legally being used in humans!

An early experiment with RFID implants was conducted by British professor of cybernetics Kevin Warwick, who implanted a chip in his arm in 1998. In 2004 Conrad Chase offered implanted chips in his night clubs in Barcelona, Spain and in Rotterdam, The Netherlands, to identify their VIP customers, who in turn use it to pay for drinks.

In 2004, the Mexican Attorney General's office implanted 160-180 of its staff members with the Verichip to control access to a secure data room.

Security experts have warned against using RFID for authenticating people due to the risk of identity theft. For instance a man-in-the-middle attack would make it possible for an attacker to steal the identity of a person in real-time. Due to the resource constraints of RFIDs it is virtually impossible to protect against such attack models as this would require complex distance-binding protocols.

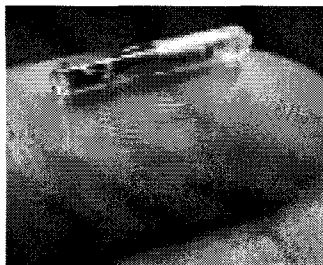

Most fundamentalist Christians have now come out against the device due to Biblical prophecy where all persons must receive

the Mark of the Beast "in their right hand or on their foreheads" as described in the Book of Revelation 13:16-18, in order to participate in any economic activity under the government of the Antichrist.

This concern is compounded by the fact that, according to a recent ABC News article, there have been reports of other chips being implanted in patients' right hands. However, the chip has also been seen being implanted in the left arm or hand as well as other areas. It is often surmised that the sixteen digits in the chip stand for the last digits of 666, the original Mark of the Beast. The Greek word Charagma (which stands for 666) describes the piercing bite of a snake (SATAN?), which is akin to using a needle to place the device under your skin.

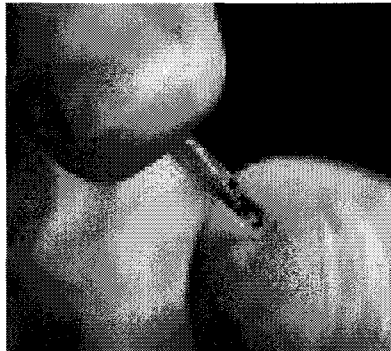

VERICHIP'S SO-CALLED DIGITAL-ANGEL RFID CHIP
IMPLANT: THE "DIGITAL-DEVIL" FROM HELL!

VeriChip is the first Food and Drug Administration (FDA)-approved human-implantable radio-frequency identification (RFID) microchip. It is marketed by VeriChip Corporation, a subsidiary of Applied Digital Solutions, and it received United States FDA approval in 2004. About twice the length of a grain of rice, the device is typically implanted above the triceps area of an individual's right arm. Once scanned at the proper frequency, the VeriChip responds with a unique 16 digit number which could be then linked with information about the user held on a database for identity verification, medical records access and other uses. The insertion procedure is performed under local anesthetic in a physician's office and once inserted, is invisible to the naked eye. As an implanted device used for identification by a third party, it has generated controversy and debate.

Destron Fearing, a subsidiary of Applied Digital Solutions, initially developed the technology for the VeriChip. Digital Angel, Inc. (NASDAQ: DIGA) develops global positioning satellite (GPS) and radio frequency identification (RFID) technology products for consumer, commercial, and government sectors worldwide. Headquartered in Delray Beach, Florida, their products offer security for people, animals, the food supply, government/military arena, and commercial assets. Included in this product line are RFID applications, end-to-end food safety systems, GPS/Satellite communications, and telecommunication, security infrastructure and the controversial Verichip human implant, a product which has caused concern among advocates of civil liberties as well.

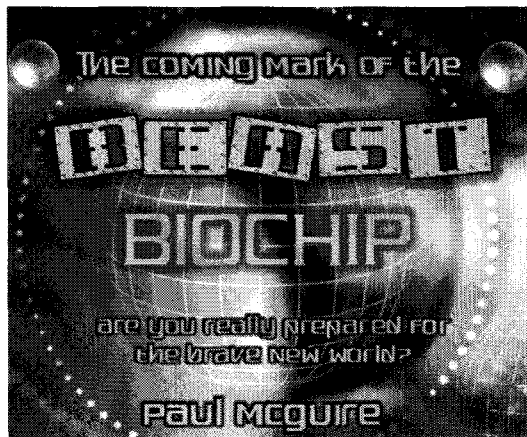

Applications for this technology include pets, wildlife and livestock identification using implantable RFID microchips, scanners and antennas.

Digital Angel also has researched and developed GPS search and rescue beacons that integrate geosynchronous communications for use by the military and the private sector to track aircraft, ships and other high value assets.

Digital Angel GPS and RFID products enable the rapid and accurate identification, location tracking, and condition monitoring of people.

Applications of their products include identification and monitoring of pets and fish with implantable RFID microchips, identification of livestock with ear tags, GPS based search and rescue beacons for aircraft, ships, boats, and individuals.

DIGITAL ANGEL'S WEBSITE:
WWW.DIGITALANGEL.COM

Digital Angel's website says this about its product line: "Digital Angel GPS and RFID products are utilized around the world to SAVE lives, ensure the safety of our food supply, reunite loved ones and improve the quality of life. We are a leading developer of technologies that enable the rapid and accurate identification,

location tracking, and condition monitoring of what is important to people. Applications of our products include identification and monitoring of pets and fish with our implantable RFID microchips, identification of livestock with our ear tags, GPS based search and rescue beacons for aircraft, ships, boats, and individuals.”

The Microchips... "Mark of the Beast"

RFID chip hand implantation

“Implantable microchip technology goes well beyond identification devices. Currently, an area of immense potential is the use of implantable microchips as diagnostic devices to sense an animal’s physical condition.”

IN 2007 VERICHIP CORPORATION CREATED THE X-MARK BRAND!

In the beginning of 2007, the Verichip Corporation created Xmark, its corporate identity for healthcare products. Xmark incorporates the Hugs and the Halo system of infant protection; the RoamAlert system of wandering protection; the MyCall emergency response system; and the Assetrac asset tracking system.

Privacy advocates Katherine Albrecht and Liz McIntyre are among a few of the most prominent opponents of implanted microchips. They are coauthors of a position paper on the use of Spy chips, "RFID: The Big Brother code, the books "Spy chips: How Major Corporations and Government Plan to Track Your Every Move with RFID" (2006) and "The Spy chips Threat: Why Christians Should Resist RFID and Electronic Surveillance" and the Antichips.org website.

Their work broadly overlaps that of CASPIAN, a grassroots privacy group founded by Albrecht in 1999 to oppose the use of "loyalty cards" to track consumer purchases in supermarkets. Associated sites include Spy chips.org, a site opposing RFID chips hidden in consumer goods, and Nocards.org, with more general discussion of privacy issues.

WILL DIGITAL ANGEL'S CHIP IMPLANTS BECOME THE
666 MARK-OF-THE-BEAST IN THE SKIN OF ALL NON-
BELIEVER'S RIGHT HANDS?

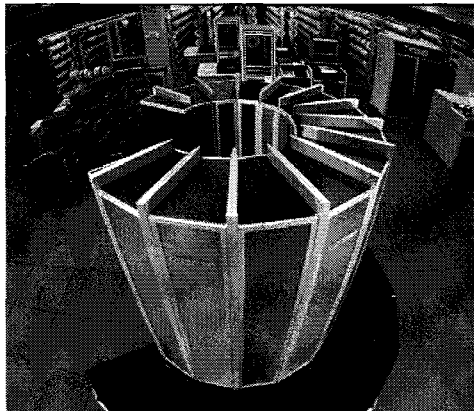

Indeed, will RFID chip implants be utilized as the 666 Mark-of-the-Beast and will the Antichrist's brand of choice be the VeriChip Digital-Angel injectable transponder? Frankly, I'm personally convinced of it, but only God himself knows with absolute certainty what the 666 Mark will be. However, if "Digital-Angel" is it, then such a product seems to fit in perfectly with where Satan's technology is taking us globally. Having a Digital Angel chip in one's body allows one to be easily tracked wherever he goes. And who will track us? I'm convinced it will be America's National Security Agency, better known as the NSA. The NSA is capable of tracking everyone globally!

WILL THE NATIONAL SECURITY AGENCY'S NEW CRAY
"BLACK-WIDOW" COMPUTER SYSTEM TRACK AND
CONTROL THE VERICHIP "DIGITAL-ANGEL" RFID
IMPLANTS?

From Computer Desktop Encyclopedia

During 2008 the NSA's newest computer system became operational and went online. Indeed, the NSA's colossal Cray super-computer code-named the '**Black Widow,**' now scans millions of domestic and international phone calls and e-mails every hour. The NSA's new **Black Widow,** performs hundreds of trillions of calculations per second as it searches through and re-assembles key words and patterns, across many languages internationally.

Therefore, B. Hussein Obama is now in command of the biggest, most capable, most sophisticated domestic and international spying operation in world history. As stated, its prime engine is the National Security Agency (NSA), located at its huge, guarded, Fort Meade, Maryland facility (about 10 miles northeast of Washington, D.C.). A brief glimpse of its ever-expanding capacity was provided on October 26, 2008, by The Baltimore Sun's national security correspondent, David Wood: "The NSA's colossal Cray supercomputer code-named the '**Black Widow**,' scans millions of domestic and international phone calls and e-mails every hour. The **Black Widow**, performing hundreds of trillions of calculations per second, searches through and re-assembles key words and patterns, across many languages."

In July 2008, George W. Bush signed into law the FISA Amendments Act of 2008, which gives the NSA even more power to look for patterns that suggest terrorism links in Americans' telephone and Internet communications.

Amazingly, the socialist ACLU immediately filed a lawsuit on free speech and privacy grounds. The new Bush law provides farcical judicial supervision over the NSA and other government trackers and databasers. While a Senator, B. Hussein Obama voted for this new system, now he is in charge of it. The ACLU stated this about the new system's capabilities: "The government is now permitted to conduct intrusive surveillance without ever telling a court who it intends to spy on, what phone lines and e-mail addresses it intends to monitor, where its surveillance targets are located, why it's conducting the surveillance or whether it suspects any party to the communication of wrongdoing."

This truly scary Big-Brother technology would have shocked even George Orwell who wrote the now classic novel, *1984*. This new super-computer technology gives the word "dragnet" an especially chilling new meaning.

The ACLU's Jameel Jaffer, director of its National Security Project, adds that the new statute, warming the cold hearts of the

NSA, "implicates all kinds of communications that have nothing to do with terrorism or criminal activity of any kind."

What particularly outraged civil libertarians across the political divide was that the FISA Amendments Act gave immunity to the telecommunications corporations—which, for seven years, have been a vital part of the Bush administration's secret wiretapping program—thereby dismissing the many court cases brought by citizens suing those companies for violating their individual constitutional liberties. This gives AT&T, Verizon, and the rest a hearty signal to go on pimping for the government. But that's apparently just fine with B. Hussein Obama.

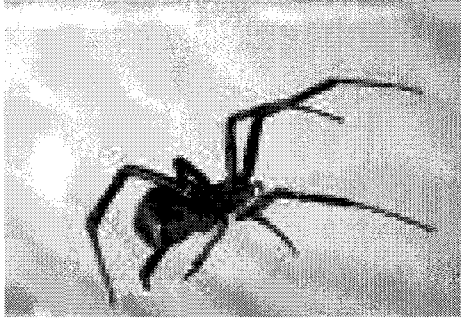

Under the new FISA Amendments Act, there are no limits on where this stream of data can be disseminated. As in the past, but now with "legal" protection under the 2008 statute, your suspicious "patterns" can go to the FBI, Homeland Security, the CIA, and state and local police that are also involved in "fusion centers" with the FBI. Consider the enormous and bottomless databases with which the government—and its powerful NSA—can have a ball!

In James Bamford's book, *The Shadow Factory* (Doubleday)—a new book that leads you as far as anyone has gone into the bowels of the NSA—he notes: "For decades, AT&T and much of the rest of the telecommunications industry have had a very secret, very cozy relationship with the NSA." In AT&T's case, he points out, "Its international voice service carried more than 18 billion minutes per year, reaching 240 countries, linking 400 carriers, and offering remote access via 19,500 points of presence in 149 countries around the globe."

There's a lot more to come that we don't know about yet. In *The Shadow Factory*, James Bamford quotes Bush's Director of National Intelligence Mike McConnell as saying that this wiretapping program was and is "only one program of many highly secret programs approved by Bush following the attacks on 9/11." McConnell also said of the NSA's nonstop wiretapping:

"This is the only aspect of those various activities whose existence has officially been acknowledged."

Regardless, AT&T, Verizon, et al., don't have to worry any longer, thanks to the new law.

Hey, why the name, "**Black-Widow**," anyway? Honestly, what corporation in its right marketing-mind would name its newest computer after a mate-devouring spider? Well, one can only speculate about such a DARK name as follows: Black-Widow spiders construct a cobweb, i.e., an irregular tangle of sticky silken fibers and frequently hang upside down near the center of their webs and wait there for insects to blunder in and get stuck. Then, before these insects can extricate themselves, the spiders rush over to bite them and swathe them in a silken shroud for later consumption. Moreover, Black-Widow spiders received their name because **Black Widow** females frequently consume their males after mating, leaving them widowed. Well, that about covers it doesn't it?!

Author James Bamford agrees by writing that "the insatiable NSA is developing an artificial intelligence system designed to know what people are thinking." Hello; here come the thought police! Wake up America!

THE PERESTROIKA DECEPTION BOOK

By Former KGB Officer, Anatoliy Golitsyn

THIS BOOK IS A MUST READ AS IT DISCLOSES THE
ENTIRE PLAN TO DECEIVE AND CONQUER AMERICA!

Anatoliy Mikhaylovich Golitsyn CBE (Russian: Анатолий Михайлович Голицын; was born August 25, 1926 in Piryatin, Ukrainian SSR) is a Soviet KGB defector and author of a 1984 book called *New Lies for Old*, which discloses Russia's long-term military deception strategy against America as perpetrated by the KGB. According to anti-communist historian Daniel Pipes, "These sensational claims had some impact on rightist thinking in the United States." As a defector, he provided "a wide range of intelligence to the CIA on the operations of most of the 'Lines' (departments) at the Helsinki and other residencies, as well as KGB methods of recruiting and running agents." He is an Honorary Commander of the Order of the British Empire (CBE) and, as late as 1984, was an American citizen.

Golitsyn worked in the strategic planning department of the KGB in the rank of Major. In 1961 under the name "Anatole Klimov" he was assigned to the Soviet embassy in Helsinki, Finland as vice consular and attaché. He defected with his wife and daughter to the Central Intelligence Agency (CIA) via Helsinki on December 15, 1961 taking a train to Haaparanta in the Finnish-Swedish border town where he was flown to the United States via Stockholm and was interviewed by James Jesus Angleton, CIA counter-intelligence director. In January 1962, the KGB sent instructions to fifty-four residents throughout the world on the actions required to minimize the damage. All meetings with important agents were to be suspended. In November 1962, KGB head Vladimir Semichastny approved a plan for assassination of

Golitsyn and other "particularly dangerous traitors" including Igor Gouzenko, Nikolay Khokhlov, and Bogdan Stashinsky.

The KGB simultaneously made significant efforts to discredit Golitsyn by promoting disinformation that he was involved in illegal smuggling operations.

Golitsyn provided information about many famous Soviet agents including Kim Philby, Donald Duart Maclean, Guy Burgess, John Vassall, double agent Aleksandr Kopatzky who worked in Germany, and others. It was only with the defection of Anatoliy Golitsyn in 1961 that Philby was confirmed as a Soviet mole.

Golitsyn's excellent second book, *The Perestroika Deception*, explains clearly how Russia's American-aimed program of military deception is an attempt to amplify, or create an artificial fog of war to deceive us using psychological operations, information warfare and other methods that would set the stage for America to be conquered. As a form of strategic use of information (or disinformation), it overlaps with psychological warfare.

Any enemy that falls for the deception will lose confidence when the deception is revealed. Thereafter, the enemy will hesitate when confronted with this truth. Then, when the enemy hesitates, he'll be smashed and destroyed in an overwhelming surprised attack from which he'll not recover.

When referring to military deception in military doctrines of the Soviet Union and Russia, the Russian loan-word *maskirovka* (literally: camouflage, concealment) is often used.

SUN TZU'S BOOK, *THE ART OF WAR*

Military deception is considered the highest art of war. The most famous classic book on such successful deceptive warfare was Sun Tzu's, *The Art of War*. Sun Tzu, an ancient Chinese military commander, greatly emphasized military deception as essential to all successful military campaigns, and in fact, he considered them the key to victory.

Both Russia and China adhere strictly to Sun Tzu's Art-of-War book on military deception tactics. Indeed, his book is used as one of their primary military training manuals. This is why we'll never receive anything but lies and deception from both Russia and China. They always will be manipulating and maneuvering America into a future military trap. This is the reason Golitsyn named his book *The Perestroika Deception* because it fully discloses Russia's true military deceptive strategies aimed at conquering America in the very near future.

I personally recommend both of these books very highly! Indeed, I have read and re-read both books approximately 20 times during the past fifteen years and I've personally observed that Golitsyn's various forecasts and predictions of Russia's future military and economic intentions for America and the West in *Perestroika-Deception* have been about 95% accurate!! Now that is a very good rate of accuracy!!

Once again, you must read these books because they lay out precisely the plan to first deceive then conquer America! Indeed, since 1989 Russia has been deceiving us in preparation for the FINAL phase of *The Perestroika Deception*, after which they'll conquer us with a surprise attack, from which America never will recover!

THE NEW WORLD ORDER CONSPIRACY AGAINST GOD!

New World Order

Yes, as incredible and bizarre as it sounds, a satanic cult, the "Illuminati" rules the world. Democrat John Kerry and "Republicans" George H.W. Bush and son, George W. Bush are members, as is much of the world's political and economic elite, including our current "President," B. Hussein Obama.

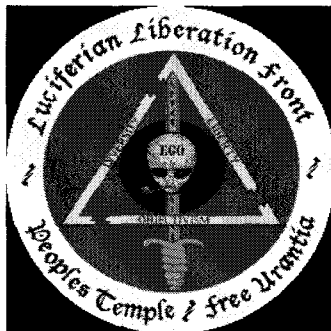

The Illuminati consists of some of the world's richest families including the Rothschilds, the Rockefellers and the Windsors. While they pay lip service to Godly religion, they worship Lucifer secretly instead. Their agents control the world's media, education, business and politics. Some of these agents may think they are only pursuing success, but success literally means serving the devil.

Prisoners of their wealth, the Illuminati prefer hatred and destruction to Love. Understandably, they can't go public with this. They pretend to be moral while working behind the scenes to degrade and enslave humanity in a "New World Order."

Hiroshima, Dresden, Auschwitz, Cambodia and Rwanda were sacrifices to their god Lucifer. They are responsible for the two World Wars, the Depression, the Cold War, 9/11, the War on Terror and the Iraq War.

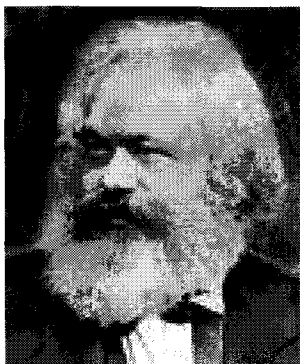

We imagine they want unlimited power and wealth, but these are mere by-products. The Illuminati is motivated by hatred of God and humanity.

OUR INTERNATIONAL LUCIFER-LOVING ELITE

The purpose of the New-World-Order is the same as Communism. The Illuminati created Communism as a means to flaunt God's will and enslave mankind. Karl Marx was hired to sell the world totalitarian rule ("the dictatorship of the proletariat"). Marx duped the masses by pretending to espouse equality. He was an admitted Satanist as were Trotsky, Lenin and Stalin.

In his book, *Marx and Satan* (1986) Richard Wurmbrand illustrates Marx's true hatred of God and humanity. As early as 1848, Marx wrote about a "coming world war" that will eliminate "riffraff" like Russians, Czechs and Croats.

Satanist Karl Marx, Founder of Communism

**SATAN'S COMMUNIST REVOLUTION IS A TOTAL
REBELLION AGAINST GOD!**

"The coming world war will cause not only reactionary classes and dynasties, but also entire reactionary peoples to disappear from the face of the earth. And that will be progress...the

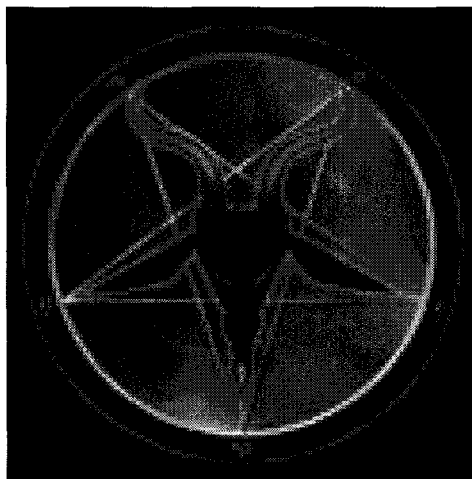

revolution...cares as little about the human lives it destroys ...as an earthquake cares about the houses it ravages. Classes and races that are too weak to dominate the new conditions ...will be defeated...their very name will vanish.”

In his poem "Human Pride" Marx writes that he will "wander Godlike and victorious through the ruins of the world...I will feel equal to the Creator.”

Far from a champion of the working class, Marx was a Satanist and a sociopath. He was also a spy for the Austrian police. In 1960, the Austrian Chancellor Raabe gave Khrushchev an original letter by Marx proving the founder of Communism informed on other revolutionaries.

The real reason only 13 of the 100 Volumes of Karl Marx's writings have been published is to hide the true character of Communism!

THESE SATANISTS HATE THE GOD IN YOU!

Wurmbrand, a Christian pastor who was imprisoned in Romania, says Communism is in essence Satanism empowered. Christians weren't just brutally persecuted and murdered, they were made to blaspheme. Communism's goal is to mock God and to praise

Lucifer. A Communist newspaper confessed, "We fight against God: To snatch believers from him."

In "German Ideology" Marx referred to God in Hegelian terms as the Absolute Spirit. Marx opined, "we are concerned with a highly interesting question: the decomposition of the Absolute Spirit."

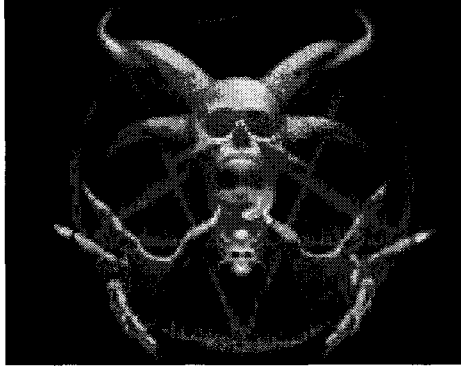

According to Wurmbrand, the Russian Revolution was a time when love, goodwill, and healthy feeling were considered mean and retrograde. A girl hid her innocence, and husbands their faithfulness. Destruction was praised as good taste, neurasthenia as the sign of a fine mind. This was the theme of new writers who burst on the scene out of obscurity. Men invented vices and perversion, and were fastidious in their avoidance of being thought moral.

The Luciferians portray their rebellion against God and nature as "progress and freedom." This permissiveness refers only to tearing down the Divine and natural order. In the initiation into the Seventh degree of Satanism, the adept swears, nothing is true and everything is permitted. In the Communist Manifesto, Marx said all religion and morals will be abolished and everything permitted.

The religion of modern western society, secular humanism, is Illuminism (Lucifer worship) in disguise. The purpose of Illuminism is to divorce humanity from the Divine Purpose and enshrine Lucifer (i.e. the Illuminati) in God's place. Under the guise of a humanist utopia, they are constructing an Orwellian Hell -- the New World Order, a.k.a. globalism.

The goal of globalism is the same as Communism. The world's elite masks their Luciferianism in "New-Age" paganism and Gaia worship. The Lucifer Trust runs the only chapel at the United Nations and the only statue in the UN building is the pagan god Zeus.

WILL WE SERVE GOD OR LUCIFER?

Christ represented the rule of God. The Pharisees worshipped Lucifer. The question facing mankind hasn't changed. Are we going to serve God or Lucifer?

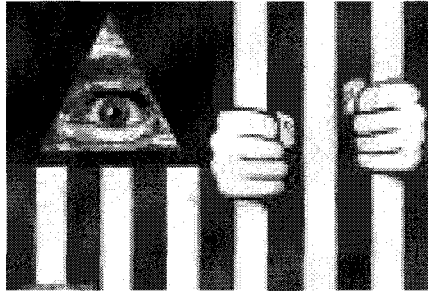

The Satanists have conditioned us to short-circuit at the mention of religion. They have made God seem mysterious, unknowable or non-existent.

Christ said, "God is a Spirit; obey Him in spirit and in truth." (John 4:23,24). God is Absolute Love, Truth, Justice, Goodness and Beauty. If you believe these things are real, whether you accomplish them or not, you believe in God.

God wants to be known by His creation. This requires that we obey and become more like Him. We were made in God's image. "Be ye therefore perfect, even as your father which is in heaven is perfect," (Matthew 5:48). The more we embody spiritual ideals, the more God-like and real we become. The opposite is also true.

We sacrifice ourselves for what we love. If we love God, we sacrifice ourselves to Him. When people ask me how to fight the New World Order, I tell them that nothing would disturb the Illuminati more than a revival of belief in God. Millions willing to fight and die for God scares the hell out of them.

THE ILLUMINATI GLOBALISTS ARE PREPARING A NEW-
WORLD-ORDER OF SATANIC, ISLAMIC, COMMUNIST
SLAVERY AND DESTRUCTION!

It is an undeniable fact that we presently are being prepared in consciousness for a New-World-Order of satanically orchestrated, communism, slavery, poverty and destruction. They are in fact laying the final groundwork now with the phony so-called "War on Terror," the "War on Drugs," and the carefully engineered and executed global ECONOMIC CRASH and economic "BAILOUTS." All such strategically planned events are together a general "War on God's People." And this war is Satan's final "Revolution against God," against anyone who's been purchased via Christ's sacrifice at the Cross!

In the meantime, the mass media and Hollywood's sewage-pipe-stream of movies, rock music, video games and all other forms of TV-induced decadence, conditions us daily to sophisticated forms of Anti-God perversion, homosexuality, general immorality, prostitution, drugs, lying, brutality and violence. Indeed, there is an over-riding repetitive and reductive obsession with degenerative sex, nudity, bodily functions and homosexuality.

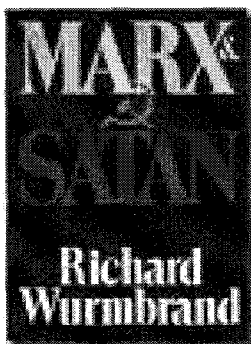

If our leaders weren't Luciferians, the media and the arts would be preoccupied with issues of truth and falsehood, right and wrong, beauty and ugliness. We would be uplifted and inspired. Instead, however, we are degraded, distracted and deceived like people with a terminal disease; like squatters in someone else's universe.

If the illuminati's real purpose is to eliminate God, it then follows that we should make God the center of our consciousness. People ask me, "What should we do?" I tell them not to look for direction from others; Look to God for direction. The best way to fight the darkness is to shine God's light.

This is what the Illuminati most fear. In the Protocols of the Elders of Zion, the author writes: "There is nothing more dangerous to us than personal initiative; if it has genius behind it, such initiative can do more than can be done by millions of people among whom we have sown discord."

Don't feel oppressed by the world. It hasn't changed any simply because you now are aware of it. Devote each new day to fulfilling God's purpose for you.

KARL MARX, COMMUNISM AND SATANISM

As mentioned previously, a fantastic book titled, *Marx and Satan*, has been written by Pastor Richard Wurmbrand. It is an intriguing work that looks into some of the publicly available information we have about Karl Marx, Satan's human "inventor" of Communism.

This excellent Christian book discloses that Karl Marx was once a professing Christian. An excerpt from Marx's first book, *The Union of the Faithful with Christ* states:

Through love of Christ we turn our hearts at the same time toward our brethren who are inwardly bound to us and for whom He gave Himself as sacrifice.

Are these sincere words from an honest Christian man? They certainly seem so. Marx's comrade, Friedrich Engels, was also once a believer, and became a conservative theologian. He wrote against the liberal theologians of his time who criticized the Bible as the absolute word of God, and he also wrote a number of very sound Christian poems and hymns.

So why then did Marx become a God hater who invented not only one of the worst tools of oppression to Christianity, but also to all of humanity? Why did Engels become his accomplice?

The turning point in both of their lives occurred at the universities they attended when they learned of a new "Christian doctrine" called "liberal theology". Engels was aware of the danger of this theology and even wrote against it, yet in the end was not able to conquer the error. He wrote:

I pray every day, indeed almost all day, for truth, and I have done so ever since I began to doubt, but still I cannot go back. My tears are swelling as I write.

What drove the liberal theologians to corrupt the Christian belief of youths such as these? The book that Engels read that first led him to doubt his faith was written by Bruno Bauer, an acclaimed liberal theologian at the time. Bauer says of his own sermons,

I don't recognize myself when I pronounce my blasphemies from the pulpit ... it is a very bad demon that possesses me as often as I ascend the pulpit, and I am so weak that I am compelled to yield....

The unbelieving blasphemies weren't obvious to his listeners but were very subtle manifestations of a spirit of error speaking words that fostered doubt and unbelief toward the truth of God's word. Bauer was quite aware of what he was doing, and he

certainly had no false pretense of seeking to follow the Scriptures more truly, which is the purported aim of liberal theology.

Pastor Wurmbrand exposes how Marx, a former Christian, went on to become a hater of God and Christians. Marx eventually decided to join the satanic cult of his closest comrade and this book explains in detail the evidence of that decision.

His book informs us that Marx was initially opposed to the ideas of socialism and Communism until Moses Hess persuaded him of the usefulness they had in being agents of the destruction of mankind, which was Marx's ultimate satanic goal. Why was Marx so bent on the destruction of mankind? We will never know for sure, but we do know what he wrote in this poem:

“...I wander godlike and victorious through the ruins of the world and, giving my words an active force; I will feel equal to my Creator.”

The parallel to Scripture is obvious.

Isaiah 14:13.

13. “But you [Satan] said in your heart, ‘I will ascend to heaven; I will raise my throne above the stars of God, and I will sit on the mount of assembly in the recesses of the north.’”

14. “I will ascend above the heights of the clouds....”

We see an aggression against God in Marx's writings, and apparently he found Communism an excellent means to his end of “feeling equal to his Creator”, much as Satan himself declared. In spite of the death and destruction that the writings of Marx have fostered for over 100 years, neither he nor Satan will ever achieve their goal of equality with God. The creature can never replace the Creator.

Author Wurmbrand challenges humanity to reject Communism as the satanic religion it is and to accept Christ and Christ's teachings. He also has a discussion of those who attempt to meld Communism and Christianity, which is simply a way of replacing the gospel with Satan's teachings.

This is an excellent book and I recommend it highly! I especially like the fact that Pastor Wurmbrand is not an academic in a glass tower compiling a set of research facts. Rather, he is a former leader of the underground church of Romania who spent fourteen years in the Communist prison under the palace of Ceausescu, the former dictator of Romania. Three of those years were in solitary confinement.

By God's grace and power, he emerged spiritually victorious and sane. He also spent three years in the prison hospital ward from which no one else ever left alive. He was healed by the power and grace of God and is still alive at this writing. Richard Wurmbrand knows firsthand the ravages of Communism and he appreciates firsthand what the saving power of Christ can do. He is a man of keen intellect, and his research is careful, concise, complete and compelling. His book truly and correctly discloses the spiritual reality of Communism, which is Satanism in disguise! I highly recommend reading it.

THE LEFT-WING VERSUS THE RIGHT-WING: THE LEFT-PATH TO SATAN OR THE RIGHT-PATH TO GOD THROUGH HIS SON, JESUS CHRIST!

The universal symbols of Satan are the Satanic **Baphomet** Goat with a **five-pointed Pentagram** star and a **Crescent Moon**!

MATTHEW CHAPTER 25, VERSES 31-41, DESCRIBE SATAN'S GOATS VERSUS CHRIST'S SHEEP!

31 When the Son of Man comes in His glory (His majesty and splendor), and all the holy angels with Him, then He will sit on the throne of His glory.

32 All nations will be gathered before Him, and He will separate them [the people] from one another as a shepherd **separates his sheep from the goats**;

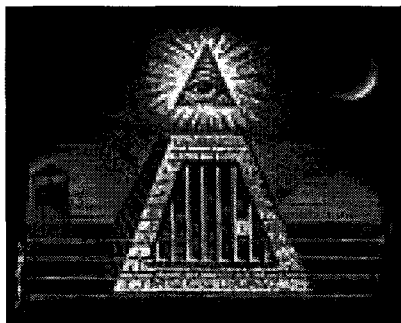

33 And He will cause **the sheep to stand at His right hand**, but **the goats at His left**.

34 Then the King will say to those at **His right hand**, Come, you blessed of My Father [you are favored of God and appointed to eternal salvation], inherit (receive as your own) the kingdom prepared for you from the foundation of the world.

41 Then He will say to those at His left hand, begone from Me, you cursed, into the eternal fire prepared for the devil and his angels!

Accordingly, the Right Hand (Path) is Godly and the Left Hand (Path) is Satanic! It always has been that way throughout history and it always will be that way until the end.

THE SATANIC "LEFT-HAND-PATH" VERSUS THE GODLY
RIGHT-HAND-PATH TO GOD VIA CHRIST!

“The **Left-Hand-Path** and **Right-Hand-Path** are a dichotomy between two opposing belief systems, whose meanings have varied over time. The distinction is generally used by self-proclaimed followers of the "Left-Hand Path." Opponents often argue that these definitions improperly divide belief systems (a mislabeled or false dichotomy), or claim that many Left-Hand beliefs are illegitimate. Modern definitions of "Right-Hand Path" elevate spirituality, the strict observance of moral codes, and the worship of deities. The intent of "Right-Hand Path" belief systems is to attain proximity to divinity, or integration with divinity. Conversely, the "Left-Hand Path" belief systems value the advancement and preservation of the self, as well as the pursuit of terrestrial goals. These goals are often achieved either by seeking the guidance of one or more deities (or archetypes of deities) via ritualistic practices, or more commonly, via non-theistic uses of instincts and logic.”

Although some sects value proximity to the divine, most followers of Left-Hand-Path belief systems seek to become divinities in their own right or behold themselves as such already. A simplified outlook would state the RHP teaches divinity through association, while LHP teaches divinity through emulation.

THE ANCIENT, SATANIC, OCCULTIC ORIGINS OF THE “LEFT-HAND” PATH

The term Left-Hand Path originates from modern descriptions of Hindu Tantra. It was first used in Western occultism to describe religious practices viewed as immoral (such as "sex magic") by Helena Blavatsky (1831-1891).

Throughout history, many cultures have regarded left-handedness as evil. This tendency can be seen in the etymology of words such as sinister, which in Latin means both "left" and "unlucky." Consequently, the left hand has often symbolized the rejection of traditional religion, which is most often characterized by the Right-Hand Path. The distinction most likely is that the Right-Hand Path is the path to (or communication with) a different plane of existence, whereas the Left-Hand Path is the path to (or a communication with) this plane of existence. We're considered to be "down here" and divinities are considered to be "up there".

ADOPTION OF THE LEFT-HAND-PATH BY WESTERN OCCULTISM

The prevalence of these terms within the New Age movement, particularly within systems of ceremonial magic and Luciferianism, is usually traced to the influence of Satanist Helena Blavatsky, who first used the term Left-Hand Path to describe religious practices with "immoral" content, generally meaning sex magic.

Another Satanist, Aleister Crowley, further popularized the term "Left-Hand Path" in certain occult circles, referring to a "Brother of the Left-Hand Path," or a "Black Brother," meaning one who failed to attain the grade of Magister Templi in Crowley's system of ceremonial magic.

Satanist Crowley also referred to the Left-Hand Path when describing the point at which the Adeptus Exemptus chooses to cross the Abyss (Hell), which is the location of Choronzon and the illusory eleventh Sephira, which is Da'ath or Knowledge. In this example, the adept must surrender all, including the guidance of his Holy Guardian Angel, and leap into the Abyss (Hell). If his accumulated Karma is sufficient, and if he has been utterly

thorough in his own self-destruction, he becomes a "babe of the abyss," arising as a Star in the Crowleyan system.

On the other hand, if he retains some fragment of ego, or if he fears to cross, he then becomes encysted...The layers of his self, which he could have shed in the Abyss, ossify around him. He is then titled a "Brother of the Left-Hand Path," who will eventually be broken up and disintegrated against his will, since he failed to choose voluntary disintegration.

Satanic belief systems which describe themselves as "Left-Hand Path" often invert much of the symbolism of more "traditional" Right-Hand Path belief systems, utilizing upside-down crosses, or inverted pyramids, pentagrams, or pentacles. However, the upside-down cross is also a Catholic symbol (the Cross of St. Peter).

Such belief systems also will truthfully cite Biblical sources such as the following passage in Matthew 25: 32-33:

“And he shall separate them one from another, as a shepherd divideth his sheep from the goats. And he shall set the sheep on his right, but the goats on his left.” (Matthew 25: 32-33)

Left-Hand Path Satanic belief systems generally share the following properties:

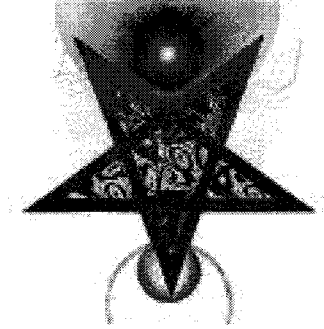

- The conviction that individuals can become (or already are) akin to gods.
- The conviction that there is no such thing as a selfless act. Fulfilling one's desire is acknowledged to be selfish, at the least reaping an individual sense of satisfaction. Altruism is considered self-deception, created and fostered by conventional religions.
- A less rigid definition of the self; a purported realization that there are sometimes collective identities which can also, just as validly, have the label "self" applied to them.

- An exoteric interpretation of concepts like karma, divine retribution, or the Threefold Law, resulting in flexible rather than rigid codes of ethics.
- The conviction that the individual is preeminent, and that all decisions should be made with the goal of cultivating the self (though not necessarily the ego).
- The conviction that each individual is responsible for his or her own happiness, and that no external force will provide salvation or reward actions which do not advance one's own happiness in this life. The conviction that the forces of the universe can be harnessed to one's personal will by magical means, and that power gained and wielded in such a manner is an aid to enlightenment, to self-satisfaction, and to self-deification.
- A Platonic view of deities as "first-forms." If deity is perceived as having consciousness, then all relationships with the deity are in the form of a partnership, or an alliance which does not require subservience. Some practitioners of Left-Hand Path belief systems summarize this concept with the statement that "prideful deities like prideful partners."
- Some varieties of Vajrayana Buddhism and "Alchemical" Taoism (as opposed to "Philosophical Taoism") are also considered examples of the Left-Hand Path, with enlightenment attainable through living a "virtuous" life and doing good deeds.

The following is a list of demonic, satanic anti-Christ belief systems that describe themselves as Left-Handed or Left-Pathed:

- Satanism
- LaVeyan Satanism
- Church of Satan
- First Satanic Church
- Theistic Satanism
- Demonolatry
- Dragon Rouge
- Luciferianism

- Setianism
- Temple of Set
- Left-Hand Path Hinduism
- Aghoris
- Vamachara
- Islam

The Book of John, Chapter 3:16 (King James Version) says this about the correct Right-Hand-Path to God: “16) For God so loved the world, that he gave his only begotten Son [Jesus Christ], that whosoever believeth in him should not perish, but have everlasting life.”

Having studied this material, it should be obvious to anyone that Jesus Christ is the sole “Right-Hand-Path” to the one and only true God of the universe, the God of the Bible! Scripture indicates that the LEFT-HAND-PATH is the road to Hell, and it is often paved with good intentions. However, Jesus Christ is the only true “road” to God, period! Indeed, He is the only Right-Hand-Path! Simply accept that reality and believe in Christ as your Savior today!

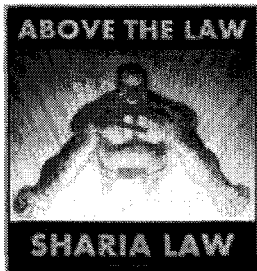

Indeed, why would anyone in his RIGHT mind choose the Satanic LEFT-HAND-PATH to Satan’s Hell by rejecting God’s loving, exclusive, totally free offer of Salvation?

God’s offer of Salvation is only free because Christ paid for all of our collective sins during one single historical event---by dying

for all mankind on the Cross 2000 years ago! He is the only way, the only Path to God!

All other "Paths" lead to Hell, period. Therefore, don't go down such roads because they are truly "dead-ends," literally!

ISLAMIC LAW'S INFLUENCE IN AMERICA IS A TERRIFYING CONCERN!

As America's Muslim population grows, so too does the influence of Islamic law, or Shariah, in daily life in the U.S. "Shariah Law is the totality of the Muslim's obligation," said Abdullahi An-Na'im, a professor of law at Emory University in Atlanta.

Shariah Law demands absolute compliance as follows: COMPLY OR DIE!! It is a satanically designed system of enslavement wherein no one has any civil rights or liberties; especially women!

Islam is a political system of authoritarianism that neither observes nor respects any other, period! It is an exclusive, radical system based upon radical hatred and violence. Indeed, it is no "religion-of-peace" at all. In fact, it more closely resembles fascism, communism and Satanism.

While some may view Islam's integration into America as a testament to the "great American melting pot," others including myself see Islamic law's growing influence in our country as a threat. Shariah's critics point to cases such as the airport in Minneapolis, where some Shariah-adherent taxi drivers made

headlines in 2006 for refusing to pick up passengers they suspected of carrying liquor. The drivers' aversion to alcohol stemmed from a verse in the Qur'an that describes "intoxicants and gambling" as "an abomination of Satan's handiwork."

Last year, a Tyson Foods plant in Shelbyville, Tenn. replaced its traditional Labor Day holiday with paid time off on Eid al-Fitr, the Muslim festival — marking the end of fasting during Ramadan. A labor union had requested the change on behalf of hundreds of Muslim employees— many of them were immigrants from Somalia.

But public outcry over the decision to dismiss Labor Day quickly prompted the company and union to negotiate a new contract that makes accommodations for both holidays.

In 2007, the University of Michigan installed ritual foot baths to accommodate Islamic tradition. "These things are beginning to percolate up as Shariah-adherent Muslims insist that their preferences and practices be accommodated by the rest of the population," said Frank Gaffney, founder and president of the Center for Security Policy — a Washington think tank.

Gaffney predicted the U.S. could soon face problems similar to some Western European countries, where the religious values of Muslim immigrants sometimes clash with their highly secular host cultures.

Accordingly, it should be obvious that integrating Islam into America will destroy it---and indeed, that is Islam's hidden agenda!

But that isn't the only way Mr. B. Hussein Obama and his carefully chosen gang of CFR socialists plan to destroy America. Another destructive "opportunity" is a carefully designed and strategically implemented international economic crash!

AN ENGINEERED ECONOMIC COLLAPSE & CRISIS THAT
B. HUSSEIN OBAMA WILL NOT WASTE!

The 2009 economic crisis is much too “useful” for B. Hussein Obama to want to end it. When Rahm Emanuel, and later Hillary Clinton, spoke of never letting a good crisis “go to waste,” many people were shocked. But now B. Hussein Obama seems to embody the corollary: that the crisis should continue until he has thoroughly milked it to reshape American politics, society and the economy. Like Faust, he seems to wish that this “given moment” will “endure forever.” Unlike Faust, however, he will not lose his “life and soul” to such a wish; rather, he’ll sacrifice ours instead.

First came the “stimulus package.” With only about \$185 billion of its \$800 billion in spending to be spent in 2009, B. Hussein Obama clearly never intended the spending to be about stimulus but wanted the need for a stimulus to trigger the spending he wanted anyway.

Then came the Troubled Asset Relief Program (TARP) funding, often forced down banks’ throats. Now comes word that even as banks want to return the money, the Treasury is making them keep it. One source at a TARP bank reports that Treasury Secretary Timothy Geithner is insisting that banks go through their “stress test” before refunding the TARP money. As Stuart Varney speculates, in *The Wall Street Journal*, B. Hussein Obama wants the banks to keep the money so he can enforce his regulations on them.

Now comes Geithner’s plea for extra regulatory powers and B. Hussein Obama’s concession to global economic regulation at the G-20 summit. Both moves are game-changers for any major

American business. Geithner wants the power to take over any business, presumably in any field, whose failure would imperil the national economy. Today it's banks, brokerage houses, car companies and insurance firms. Tomorrow, who knows?

Moreover, B. Hussein Obama agreed to agree on international "high standards" for the regulation of all "systemically important" companies to be promulgated by the new global Financial Stability Board (FSB). The United States, occupying one of 20 chairs on the FSB board (21 if we count the EU), will come to a consensus with other central bankers from the G-20 nations on what these regulations should say. Then the Securities and Exchange Commission, the Federal Reserve and the other regulatory arms of the U.S. government will impose them on our economy.

And, finally, there is Obama's delegation of a total overhaul of the tax code to a commission headed by Paul Volcker with a mandate to report back in December of this year.

Some have objected that Congress needs to be consulted, but as long as the agreements are "voluntary" and the U.S. agencies are merely "asked" to impose the regulations, no further grant of congressional authority is needed. But, of course, there will be nothing voluntary about the administration's demand that the agencies implement the coming FSB directives, no matter how intrusive they may be.

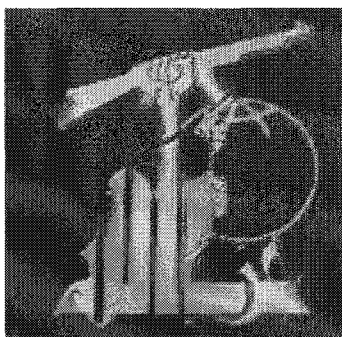

So with the tax code totally changing, Europe about to formulate regulations for our economy, the U.S. government empowered to take over any large company, the deficit and spending reaching unbelievable levels and the feds insisting on continued control of banks, what businessman in his right mind is going to invest in anything? How could even the most foolish optimist pull the trigger on a business investment without knowing the tax consequences, the regulatory framework and the policy of the banks on lending?

But B. Hussein Obama knows all this. He knows that his steps will delay economic recovery. But he wants these changes, not as means to an end, but as the end itself. And he is determined to get them passed and set in stone while the rubric of “crisis” justifies his doing so.

He is not unlike a leader who takes his country into war, knowing that by “wagging the dog” he can reinforce his power. This is why B. Hussein Obama is deliberately NOT doing anything to solve our financial crisis! It serves his aims of creating a DICTATORSHIP to deplete out assets, drive us further into debt that can never be repaid, and lead his supporters to devastation as they cheer him on assuaging his narcissistic ego!

Indeed, Mr. B. Hussein Obama’s obvious communist purpose in doing such treasonous things is to gain lifelong power, promote Islam and Sharia Law here and turn America into an unspeakably horrifying dictatorship none of us want to even contemplate; i.e., the American branch of Satan’s international New World Order!

THE QUIET ISLAMIC JIHAD SWEEPING AMERICA!

In an April 2004 speech at a Muslim American Society (MAS) conference in Overland Park, Kansas, Dr. Esam Omeish, a Muslim extremist, stated that either Islam will “become” the dominant religion of the next century” or “we may be forcibly rejected from the West because of forces of intolerance, racism, and bigotry.” Again, Islamists believe Islam is not merely a

private faith, but a religious-political movement that should be the basis for governing society.

Obviously, Dr. Esam Omeish's charged radical rhetoric was distinctly Jihadist.

Fast forward to June 2009 in which Dr. Esam Omeish was a candidate for the 35th district of the Virginia House of Delegates. Omeish's candidacy drew across-the-board scrutiny on the difference between American Muslims and Islamists.

In 2006, the Muslim American Society made a bold statement at their regional conference in Los Angeles, California, encouraging Muslims to redirect their traditional career paths as doctors, lawyers, and engineers to taking on key roles in media and politics. Speakers hailed the media and the political arena as the new battlegrounds where power could be united to forge a Muslim agenda for the United States.

In the United States, many Islamists are mistakenly considered moderates because they work to lawfully indoctrinate Islamic ideology "by persuasion" rather than force. Such "progressive" Islamists denounce the violence of groups like al Qaeda and the Taliban, but not the ideology behind them.

Islamism was founded by Egyptian Hasan al-Banna and the Muslim Brotherhood in 1928. Islamism is extremely dangerous to America because it does not hold the U.S. Constitution as the supreme law of the land.

In a 2004 letter from Dr. Omeish, while president of MAS, to the Washington Post, he stated that "the influence of Muslim Brotherhood ideas has been instrumental in defining our understanding of Islam within the American and Western context."

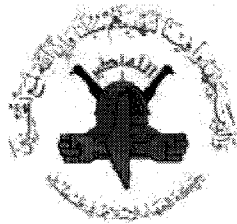

An online video captured Dr. Omeish calling for "the Jihad way" at a 2000 rally. He was subsequently forced to resign from his appointment to a Virginia immigration commission in 2007.

On April 11, 2009, in Oakton, Virginia, Dr. Omeish held a “meet the voters” rally, where he publicly stated Sharia is “wonderful” for the rest of the world. Sharia, or Islamic law, though differing in specifics from Muslim country to Muslim country, has consistently raised human rights concerns.

Islamists who do not wield a sword or strap on a bomb are more dangerous than violent Islamists because they take advantage of “soft” political language like minority rights rhetoric in secular democracies to turn those principles on their head once in political power.

By encroaching in the public sphere with individual innocuous challenges to separation of church and state, Islamists impose their religious beliefs on the rest of society.

AMERICA SLEEPS WHILE IT IS BEING QUIETLY
UNDERMINED BY A RADICAL STEALTH JIHAD!

We’re in a two-front war, but we’re in denial on one front, and almost totally unaware of the other. Consequently, we are losing the war and losing America as we know it.

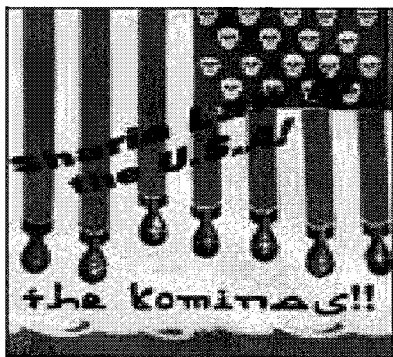

There are two fronts in the war of Islam against the West — the first front is the attack of the terrorists, what might be called the explosive jihad, which we hear about most often; but more importantly, and even more deadly, is the second front, the stealth jihad front, the slow takeover of America and gradual imposition of the Muslim law known as Shariah.

The B. Hussein Obama administration seems to want to take the war against terrorism off the map by renaming it — “global

contingency operations” and “man-caused disasters.” It doesn’t want to use such terms as the “war on terror” and the “global war on terror.” It thinks the problem can disappear by giving it more innocuous names. The sheer folly of that approach tells you how weak and ineffective the Obama administration is in facing an existential threat.

The more dangerous front in the war is the stealth jihad — the slow granting of concessions to and accommodation for Muslims and their Shariah and the gradual destruction of our laws and values. This process is well advanced in England, but we are slowly going down the path that takes us to the destruction of our Constitution, our form of government and our way of life. Islam is subverting our way of life without guns and bombs, and we seem to be totally unaware of what is transpiring. We are building our own gallows and putting the noose around our own necks, without even knowing it.

AN EX-MUSLIM WOMAN WARNS THE WEST OF
MUSLIM PLOT TO IMPOSE ISLAMIC SHARIA LAW IN
AMERICA IN HER NEW BOOK, ***CRUEL AND UNUSUAL
PUNISHMENT: THE TERRIFYING GLOBAL IMPLICATIONS
OF ISLAMIC LAW***

“Open, tolerant, and generous Western nations are being taken advantage of,” warns Nonie Darwish, a former Muslim woman who lived under Sharia law for 30 years in the Middle East and who now lives in America.

“Muslims in Arab countries as well as some born and bred in the West are aggressively pushing to impose Sharia law, or Islamic law, in countries such as Britain and the United States, among others,” she warns.

“To live under Islamic Sharia law is to live in the world’s largest maximum-security prison, and I for one don’t want to be incarcerated in it again,” says Darwish.

“For many Westerners, it is hard to believe that cruel punishments, extreme oppression of women’s rights and unjust marriage-customs as seen in Islamic Sharia Law, can still exist in the 21st century. But it does exist. In the West, Canada allowed Sharia family arbitration from 1991 to 2006, and Great Britain allows it on a limited scale.” Darwish says.

NO WOMEN’S RIGHTS UNDER SHARIA LAW

Darwish continues, “Under the Islamic legal system, women without a headdress on in public can be flogged and rape victims under certain circumstances can be punished. And adulteresses can be beheaded. Under Sharia law, women are not even allowed to make eye contact with men that are not their relatives.”

“Women are further at a disadvantage in courts because their testimony only counts as half of the value of a man’s,” says Darwish, a former Muslim who became a Christian after coming to America. She calls Islamic Sharia law “the most inhumane, cruel and punitive system of laws practiced today.”

ISLAMIC SHARIA MARRIAGE LAWS

In her book, Darwish also writes extensively about the marriage contract in Muslim society. Under Islam, a man is allowed up to four wives. On the marriage contract, there are a number of lines under the heading of wife that a man can fill with several names.

But the author – who has appeared on CNN, MSNBC, Fox, Al-Arabiya, National Public Radio and Israeli TV – says the “most

shocking sexual privilege Sharia grants to men is that they are allowed to seek sexual gratification with children.”

There is no legal age of marriage under Sharia and a girl can be given in marriage as young as the age of one. But marriage can only be lawfully consummated with a girl when she reaches the age of nine.

Ayatollah Ruhollah Khomeini, the Supreme Leader of Iran, the Shia Grand Ayatollah between 1979 and 1989, said in an official statement, which appears in his book, *Tahrirolvasyleh*:

“A man can quench his sexual lusts with a child as young as a baby. However, he should not penetrate. Sodomizing the baby is halal (allowed by Sharia). If the man penetrates and damages the child, then he should be responsible for her subsistence all her life. This girl, however, does not count as one of his four permanent wives...It is better for a girl to marry when her menstruation starts, and at her husband’s house rather than her father’s home. Any father marrying his daughter so young will have a permanent place in heaven.”

Also, in June 2008, Saudi marriage official Dr. Ahmad Al Mubi said in an interview aired on LBC TV: “There is no minimal age for entering marriage... the Prophet Mohammed is the model we follow.”

Mohammed supposedly married his wife Aisha when she was six years old and consummated their marriage when she was nine.

“The clerics wish to hide as much of this from us as they can,” Darwish claims. “Many Muslims themselves are embarrassed by this and are trying to hide these facts about male sexual rights – even from their sons.”

BEATING ONE’S WIFE IS PERMITTED UNDER ISLAMIC SHARIA LAW

Under Islam, husbands, in order to make their wife (or wives) obedient, are also given permission to beat her if she “rebels.”

Quran 4:34 reads:

“Men are the maintainers of women because Allah has made some of them to excel others and because they spend out of their property; the good women are therefore obedient, guarding the unseen as Allah has guarded; and [as to] those on whose part you fear desertion, admonish them, and leave them alone in the sleeping-places and beat them; then if they obey you, do not seek a way against them; surely Allah is High, Great.”

Furthermore, the Hadith, or the sayings of Islamic prophet Mohammed, says, “A man will not be asked as to why he beat his wife.”

HARM TO NON-BELIEVERS IS PERMITTED

Perhaps more widely known to Westerners is Shariah’s call to harm non-believers. There have been many high-profile cases of death threats and actual murders of those who leave Islam, often times by their immediate family.

“There are 35,213 Quran verses, Hadiths, Sharia laws, and various Muslim scriptures that command and encourage killing, violence, war, annihilation, corporeal punishment, hatred, boycott, humiliation, and subjugation, mostly against non-Muslims,” according to Darwish.

She adds, “The starry-eyed West talks more about the reformation of Islam than Muslims themselves do. Islamic jihad is likely to continue to be a threat forever.” Darwish calls jihad the driving force behind Sharia and describes it as the “never-ending relentless expansion and enforcement of Islam worldwide.”

THE ISLAMIC QUEST TO IMPOSE SHARIA LAW IN AMERICA!

Darwish is clear from the beginning that she wrote her book to warn Western nations, especially the United States, about the threat of Islamic law. "Most Americans do not understand what Sharia actually calls for and believe it is just a normal set of religious laws," she says. "Bringing such laws to the West will be the beginning of the end of true Western democracy," she adds.

According to her book, Darwish was invited to take part in a panel discussion called "Islam and Democracy: Companions or Competitors?" at Mount San Antonio College in Southern California during 2007. "One of the panelists, the head of the Muslim student organization, had fiercely defended Sharia," she says.

Darwish recalls asking him, "If Sharia is the perfect system that every Muslim should follow, why are you living in America and not in a Muslim Sharia state such as Iran or Saudi Arabia?" His answer, which was echoed by many other Muslim students at the debate, was that "all Muslim countries have failed to be a true Sharia state." Other students at the event said they believe that perhaps the United States could be the first country to properly apply the law as Allah intended. Others even expressed a desire to demand the enforcement of Sharia in America.

"Muslims are often unhappy with their Muslim countries of origin, but instead of looking within to make them better, they want to force an 'ideal' Muslim state on other civilizations, especially those that are unsuspecting and peaceful," Darwish claims. Darwish says the "most troublesome" problem with terrorism is not as much the terrorists attacking from the outside, but more so "the attack on democracy from within."

"They have lived in Western democracies most of all their lives and have developed a 'disconnect' from the reality of life under Islamic Sharia," she says. "The West has been warned of Islamist intentions, but so far it is in denial, relying on the hope that Islam will eventually reform," Darwish says. "However, let me be clear: The West must understand that the problem is Muslim scriptures command them to kill."

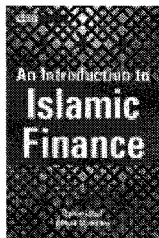

“The West must unequivocally declare that Sharia is totally incompatible with democracy and human rights and that it is ‘cruel and unusual punishment,’” says the author.

Well, author Darwish certainly sums up the so-called “virtues” of the satanically-created Islamic Shariah “RELIGIOUS” System extremely succinctly. Accordingly, Islam is a satanically orchestrated, sexually perverse, sick, evil, brutal, violent, authoritarian Doctrine of Demons! Obviously, Satan is the author and god of Islam and ALLAH is actually Lucifer in disguise.

Islam comes to “kill, rob and destroy” exactly as Christian Scripture warns us in John 10:10. Therefore, Islamic Shariah Law is the perfect “religious” system for Satan’s son, the Antichrist, during the final seven-year Tribulation Period.

As far as I’m concerned, ISLAM can go to Hell, which is exactly where Scripture says it will go; into The Lake of Fire after the Final Judgment of God.

THE ISLAMIC SHARIAH FINANCE COMPLIANCE SYSTEM AND THE MARK OF THE BEAST, 666!

From behind the walls of opulent palaces and banks, there are many people worldwide with militant backgrounds who are seeking to promote this “new type” of Islamic religious finance to spread a monetary form of militant Islam throughout western civilization. That militancy, they believe, can be financed by co-opting American financial institutions. Many in this movement wish to replace traditional western capital systems with Islamic economic values.

Islamic Finance was originally conceived by the Muslim Brotherhood in Egypt in the 1920s. Decades later, it has become a viable modality for spreading the Islamist movement of Jihad against the West. Essentially, it amounts to nothing less than an Islamic monetary JIHAD (or war) against America!

To understand the concepts of Shariah one needs to understand the doctrines that Islamic Shariah Monetary Compliancy commands. Strict Shariah adherence is the sole criterion of whether a financial institution can be deemed "Islamic." When HSBC, Citibank, or Deutsche Bank open "Islamic Windows" those are not just another place to deposit money. The banking operation must adhere to constants common to all Islamic banking institutions.

One is that the operation must adhere to the tenets of Islamic Shariah Law. However, when perusing the brochures or prospectuses sent out by the institutions, there is very little that explains the real meaning to the layperson. The advertisements usually gloss over the objectionable religious details and just refer to "ethical investment, interest-free, and an obligation to the alms giving, or zakat." This seems innocent enough, but like the hidden face behind the veil, more information is needed for the investor, both Muslim and non-Muslim.

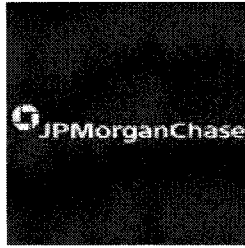

The lack of full disclosure and due diligence in presenting this new form of banking is no coincidence. It is being done to lure investors from all walks of life who want to share in the glow of banking and borrowing "interest free and ethically." It is meant to draw not only from the Muslims who adhere to the laws of the Koran and Shariah, but to everyday people who think that banks are thieves, and this is a way to "beat the system."

Western institutions that offer Islamic finance are in a conundrum, especially in America, often failing to disclose what Shariah really is. The question is, why? One reason is ignorance, or being politically correct in a post 9/11 world. The other answers are still unknown. That is why monitoring and following the growth of Shariah-compliant investments and banking is so important. For critics of Shariah Finance, it is a bit like being a “Paul Revere,” trying to ring the bell of freedom to warn investors.

The true agenda of Shariah and Islamic Finance is really just a means to bring this type of movement of Islam into the West, and especially, the “great Satan” America. As this economic system creeps into the threads of capitalism, it may eventually change the way we live. Not a few see it as part of the international campaign to legitimize Shariah Law among those who would never adopt it.

Banking compliant with Shariah law is more than just abiding by ethical rules and regulations, combined with interest-free loans. It supposedly resonates with how life is lived in Saudi Arabia and Iran. Understanding the objectives of Islamic banking, via the words of the Shariah Scholars themselves, suddenly brings our own financial institutions into compliance with a lifestyle anathema to the west.

Quoting from Nassar M. Suleiman, Corporate Governance in Islamic Banking, the law states: "Shariah Law must develop a distinctive corporate culture, the main purpose of which is to create a collective morality and spirituality which, when combined with the production of goods and services sustains the growth and advancement of the Islamic way of life."

The authoritative Shariah compendium of the Shafii School of Jurisprudence, which is a cornerstone for understanding Shariah, is the "The Reliance of the Traveler: The Classic Manual of Sacred Law." For example, this book states on family law:

1. A woman is eligible for only half of the inheritance of a man
2. A virgin may be married against her will by her father or her grandfather
3. An Arab woman may not marry a non-Arab man
4. A woman may not leave the house without her husband's permission
5. A Muslim man may marry four women, including Christians and Jews, a Muslim woman can only marry a Muslim
6. Beating an insubordinate wife is permissible

The book states on jihad:

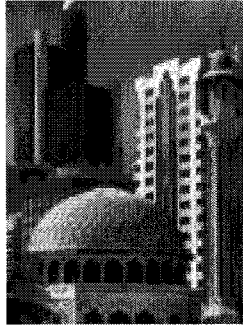

1. Offensive Military jihad against non-Muslims is a religious obligation

2. Apostasy from Islam is punishable by death without trial
3. Non-Muslim subjects of a Muslim state are subject to discriminatory (dhimmi) laws.
4. It is permissible to bribe (Da'wah) non-Muslims to convert them to Islam
5. Lying (Taqiyya) to infidels in time of Jihad is permissible.

The book states on human rights:

1. Homosexuals and lesbians must be killed
2. Slavery is permitted and legitimate, as in Darfur
3. A Muslim man has unlimited sexual rights over slave women, whether they are married or not
4. Female sexual mutilation (cliterectomy) is obligatory
5. Adultery is punished by death by stoning
6. A woman's testimony in court is worth only half that of a man, and only in cases involving property.

Shariah plays a huge part in Islamic Finance and according to Islamic scholars, Shariah is simply "God-ordained sacred Islamic Law that rules each and every aspect of a Muslim's life." The tenets of Shariah are immutable, not subject to any change or interpretation, and valid for all times and places. This ideology is entering our financial system.

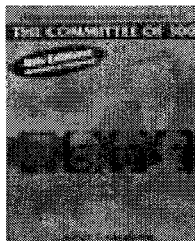

Accordingly, it is my educated opinion that the Islamic Shariah Finance Compliance System is laying the foundation for the installation of Satan's economic Mark-of-the-Beast apparatus. Scripture warns us that under Antichrist, no one will "buy or sell" without his 666 Mark in the Right Hand or Forehead. Scripture also informs us as to how we'll be forced into "COMPLIANCE."

Indeed, Revelation Chapter 20 warns us that we'll be BEHEADED for both refusing to WORSHIP the Beast (COMRADE ALLAH/ANTICHRIST) and for refusing to accept his satanic "Digital-Angel" economic Mark ID CHIP in the Right Hand. Therefore, it certainly appears to me as if the Islamic Shariah Finance Compliance System is the precursor to the Mark-of-the-Beast system, the much touted "New-World-Economic-Order."

THE COMMITTEE-OF-300-BOOK

BY DR. JOHN COLEMAN

The Committee of 300 Book by Dr. John Coleman documents conclusively that a mind-boggling international conspiracy exists wherein hundreds of satanically-inspired conspirators are working diligently to conquer and enslave the world via a New World Order and New World Economic Order system of global communism and Islamic Shariah Law. Dr. Coleman discloses that this 300-person secret "Committee" is headquartered in London and was founded by the British aristocracy in 1727. He proves with voluminous documentation that this Committee of 300 is an international council that organizes politics, commerce, banking, media, and the military of all countries on Earth for a soon-coming centralized global communist government.

Mr. Coleman proves conclusively that most major national and international organizations are either controlled directly or heavily influenced by the operations of the Committee of 300, and states that he has acquired such knowledge first hand via various personal encounters with this group.

John refers to this Committee as the "Hidden Hand" and he states this organization is headed up by the Rothschild family of international financiers and based loosely around many of the top National Banking institutions and Royal Families of the world.

Moreover, he states this group is superior to other more well known round table groups such as the Bilderberg Group, the Club of Rome, the Trilateral Commission and the Council on Foreign Relations (CFR) and that it is the primary force in world bringing about the New World Order.

Accordingly, the New World Order is no longer a conspiracy "theory." having been mentioned several times during the 2009 G20 world Conference, and will obviously be the vehicle through which the global banking elite will regulate economic markets at the expense of the poor and destitute nations as well as the masses!

It's becoming painfully obvious that we are in the midst of a planned economic collapse wherein the global financial elite will

not give up their cherished power, whereas Hussein Obama will continue his 'Cash for Trash' support of their top-down unregulated efforts to re-inflate the same economic debt bubble that just burst, whereas out of this accelerating economic worldwide crisis will emerge the New World Order with the secretive Fed and global elite still firmly in control and the poor and destitute nations as well as the masses still completely at their mercy.

Despite the fact that world leaders have been talking about a "new world order" for decades, in the context of the political agenda to diminish the power of sovereign states in favor of a move towards global governance, it was still regarded as a delusion of paranoid conspiracy theorists by the establishment media until relatively recently."

President B. Hussein Obama's so-called "immense world popularity" will be utilized, as it is already being done in Europe, to enlist the people of the world into accepting this inevitable satanic, communist New World Order. As such, B. Hussein Obama will become the cheerleader for this ever accelerating concentration of financial power, and the masses will willingly feed on his economic poison ~ unless we act soon.

George Orwell clearly identified the New World Order for us in his classic book, *1984*, whose aim is to extinguish once and for all the possibility of independent thought, enslave mankind and economically conquer the whole world. At the top was the INNER PARTY (Brains) next the OUTER PARTY (hands) and below that the DUMB MASSES (the body or workers) numbering over 85% of the population.

The Party taught that the workers were natural inferiors who must be kept in subjection, like animals and are expendable.

In the first quarter of 2009, World Bank President Robert Zoellick, openly admitted the plan to eliminate national sovereignty and impose a global government during a speech on the eve of the G20 summit; Speaking about the obvious agenda to

increase not just funding but power for international organizations on the back of the financial crisis, Zoellick stated "If leaders are serious about creating new global responsibilities or governance, let them start by modernizing multilateralism to empower the WTO, the IMF, and the World Bank Group to monitor national policies."

Henry Kissinger has also revealed what Obama's role is in bringing about a New World Order is all about. He said in January 2009 that the world must forge a new order or retreat to chaos. He then laid down his multi-item agenda list of global government goals called the New World Order manifesto, as follows:

1. "The alternative to a new international order is chaos."
 - In other words, join the New World Order or you will suffer from false flag operations and the undermining of your economies.
2. "The extraordinary impact of the President-elect on the imagination of humanity is an important element in shaping a new world order."
 - In other words: the global financial elite have chosen Obama as our puppet.
3. "The ultimate challenge is to shape the common concern of most countries and all major ones regarding the economic crisis, together with a common fear of jihadist terrorism, into a strategy reinforced by the realization that the new issues like proliferation, energy and climate change permit no national or regional solution."
 - The New World Order means world government.
4. "The role of China in a New World Order is crucial."

- “Each side of the Pacific needs the cooperation of the other in addressing the consequences of the financial crisis...”
5. “The Chinese Sino-American relationship needs to be taken to a new level.”
- China has a lot of money in its reserves. They had better hand it over to us by continuing to support the dollar and our global plans or suffer the consequences.

The total tally of government funds committed during the first quarter of 2009 to the Wall Street bailout was approximately \$13 trillion ~ remember, a trillion is a million-million or a thousand-billion and that cannot be sustained without severe consequences to the economy and tax payers.

Nobel Prize winners, Paul Krugman and Joseph Stiglitz, both clearly see that the Obama Administration is far too close to Wall Street's view of reality and their attachment to the existing top-down financial system.

The New world Order, as such, is the Old world Order with new clothing. But now let me now add the strong possibility that by the end of the year our economy, as well as Europe, could well be in such desperate shape that the only perceived alternative will be The New World Financial Order and Obama could very well lead us into that new world as the world's banking elite rejoice at having accomplished their carefully choreographed goal.

There are other voices that see this imminent danger and one of them is William Greider, The Nation, who clearly sees that a corporate financial coup is underway and the necessity to stop it in its tracks.

**B. HUSSEIN OBAMA IS AN APPEASING “USEFUL-IDIOT”
WHO NOW DANCES TO THE TREASONOUS TUNE OF
AMERICA’S ENEMIES, ISLAM AND COMMUNISM!**

Why is B. Hussein Obama bending over backward (and forward as he did recently regarding his April 2009 meeting with King Abdullah of Saudi Arabia, wherein he bowed and kissed his ring) to appease our nation's enemies? B. Hussein Obama seems particularly fixated on appeasement to those that hate America the most and wish to see us as a people and nation destroyed! Rather than representing the United States as a strong and committed defender of freedom and liberty, B. Hussein Obama occupies his time figuring out how to apologize to Islamic nations for our "arrogance" as a nation.

During his campaign, he promised repeatedly that he would sit down and negotiate with the Communist likes of Hugo Chavez and Fidel Castro without any preconditions. Everyone, including his now Secretary of State Hillary Clinton told him you cannot engage in talks with certain nations without preconditions; especially those nations that regularly violate the God-given rights of its citizenry, and support and export violence and hatred to other nations. Yet, B. Hussein Obama thinks he knows best. He does not seek or listen to good counsel in these matters and I believe it is because he has his own CFR-drafted Communist/Islamic agenda that will result in the downfall of the United States!

Upon taking office, B. Hussein Obama's first official phone call as the new President of the United States was to the President of Iran! Soon to follow, his first television interview was not given to an American news organization, but to Al Jazeera! B. Hussein Obama likes to think there is common ground upon which all peoples can agree, but this is not reality. How can the United States find common ground with a regime that denies the Jewish Holocaust? How can there be common ground with a regime that has made it their very public commitment to see the total destruction of the Jewish state of Israel? How can we as a nation find common ground with radicals that blow up U.S. Naval vessels in port and buildings where U.S. Marines are sleeping? Where is the common ground between America and a totalitarian government that often calls the United States the great Satan? How can there be "mutual respect" between our nation and theirs? I really do think B. Hussein Obama is drunk on the punch. Only an egocentric madman could honestly believe negotiations and appeasement will bring about peace in the face of such realities.

B. Hussein Obama returned to England a bust of Winston Churchill, a gift to a former U.S. President; a very strange thing to do and a direct slap in the face to our strongest European ally. What was his motivation for doing this? Is it because every time he looked at it, it reminded him that appeasement with Adolf Hitler did not work? B. Hussein Obama is allowing himself to be a useful idiot in the name of appeasement. Men much more

intelligent and with far more experience than he possesses have failed at appeasing a nations enemies and avoiding war. B. Hussein Obama seems to be over looking that there is a diametrically opposing mind-set between the West and Islam. The opposing differences between these two systems will never be overcome, because Islam is a dictatorial "religious" political system of submission, oppression, hate, and murder. Things that are the polar opposite of what we Americans believe and hold dear.

I simply cannot accept that B. Hussein Obama is ignorant of these diametrically opposing world views because his father was a Muslim. And, according to Muslim law and tradition, every child of a Muslim man is born a Muslim himself. B. Hussein Obama attended a Muslim school in Indonesia. He can deny repeatedly that he is a Muslim and give lip service to professing Christianity, but I am not fooled by such lies! Islam teaches its followers to lie to unbelievers to attain their goals. Obviously, B. Hussein Obama is lying to us about being a Christian. If that were not so, he would not be pandering to the Islamic world with such subjugating submissiveness.

In March 2009 B. Hussein Obama sent a video-taped message to the people of Iran telling them he desires a relationship with Iran built on "mutual respect." He also sent his "very best wishes to all who are celebrating Islamic Nowruz around the world."

Moreover, since achieving office, B. Hussein Obama has sent \$900 million dollars in aid to the Islamic Palestinian refugees, but provided no such monetary aid to Israel. B. Hussein Obama pick for chairman of the National Intelligence Council is Chas W. Freeman Jr. Mr. Freeman was U.S. Ambassador to Saudi Arabia from 1989–1992, and is known for his anti-Semitic views. In a speech he delivered to the Washington Institute of Foreign Affairs in 2007, he blamed international terrorist acts on Israel. Freeman is also a strong advocate of talking with Hamas, and that further support of Israel is not a U.S. interest.

On March 9, 2009, in a story titled "America Moves Toward Abandonment of Israel," Israel-National-News.com reported that "The Obama Administration is no friend to Israel, Jews in America, and is no friend to freedom in America." The report goes on to say that, "just by his appointments, we can see him filling positions of power with people who are anti-Semitic, who want to see Israel essentially dissolved as a nation, if not by diplomacy, then certainly by war."

This information was given to Douglas J. Hagmann, director of the Northeast Intelligence Network (NIN), which is comprised of veteran licensed professional investigators, analysts, military affairs specialists and researchers. Hagmann would not name his source, but said he is a "former highly-placed U.S. intelligence official" who has "broken silence" to make this information known. Hagmann's source continued, "I have every reason to believe, based on what I've seen at my level of [security] clearance especially over the last several years, that Israel will soon be completely on their own...or worse."

The report goes on to say that a complete reversal of policy in the U.S. government toward Israel will coincide with more and more aid being given to Arab nations militarily, financially, and politically.

On April 8, 2009, the U.S. State Department was forced to defend the Obama Administration's decision to rejoin the United Nations Human Rights Council. The move was met with criticism from Jewish groups and conservative American leaders, who called for maintaining the Bush-era boycott of what is seen as a biased, anti-Israel body.

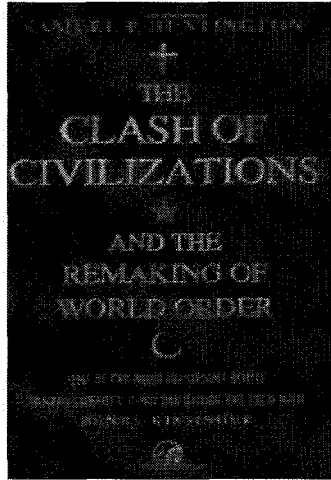

State Department Spokesman Gordon Duguid said in a press conference that the U.S. will be "going into the Human Rights Council...with no illusions about its past practice, and no illusions about some of the flaws that were there. But our intent is to work to improve the council and to work to help that council improve the status of human rights around the world."

Rep. Ileana Ros-Lehtinen, House Foreign Affairs Committee member, said that the Human Rights Council "passed five separate resolutions condemning Israel and another calling for restrictions on free speech. Yet, it ignored real human rights abuses in Iran, Syria, Sudan, Cuba and other dictatorships." She said it was "yet another appalling display of anti-freedom, antidemocratic, anti-Israel bias." She said the best leverage the U.S. had for changing the council was by maintaining the Bush policy of not joining the council.

Additionally, B. Hussein Obama is now quietly soliciting Muslims for positions within his administration. J. Saleh Williams is the program coordinator for the Congressional Muslim Staffers Association. She said in an interview that so far, the association has sifted through more than 300 names as part of the search. "It was mostly under the radar. We thought it would put (the president) in a precarious position. We didn't know how closely he wanted to appear to be working with the Muslim American community."

Representative Keith Ellison (D-Minn.) has already taken his oath of office with his hand on the Koran. The oath was administered by House Speaker Nancy Pelosi. Rep. Ellison hopes that seeing him take his oath on the Koran will encourage other "qualified" Muslims to seek positions within the Obama Administration. I would like to hear what their definition of "qualified" means!

Ellison is a devout Muslim. He made a pilgrimage to Mecca with the sponsorship of the Muslim American Society, a branch of the Muslim Brotherhood. In 1991 Mohamed Akram wrote in a memo to the leadership of the Muslim Brotherhood an explanation for its work in the United States. He said it is "a kind of grand jihad in eliminating and destroying the Western civilization from within and 'sabotaging' its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions."

Accordingly, just what is B. Hussein Obama's Muslim agenda? What does he wish to advance, and why is he working to distance the U.S. from Israel? Indeed, why is he pushing for a two-state agenda when Prime Minister Netanyahu opposes it?

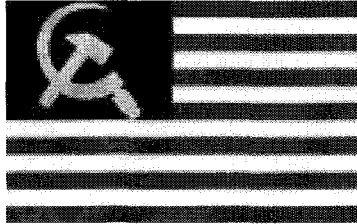

Israel and the U.S. no longer see things the same way, even when it comes to how to deal with a nuclear Iran. As B. Hussein Obama continues to appease the Iranian government, which had their representatives present during the April 2009 North Korean missile launch, Prime Minister Netanyahu is taking a very strong defensive approach to the growing threat to his nation's security. He has said it is within the realm of possibility that Israel will have to attack and destroy the Iranian nuclear threat soon if the United States continues to do nothing. The Middle East Times reported that the B. Hussein Obama administration might try to stop an Israeli covert operation against the Iranian nuclear program, if it decides to attack.

Given the above-cited international circumstances alone, it would seem that utter CHAOS soon will be the New Order of the day-- The New-World-Disorder under Satan!

Allow me to clear the air here: No, Mr. B. Hussein Obama is not the "messiah," nor is he the Antichrist! He is merely a demonic paver, one who paves the way for the Son of the Devil to make

his soon-coming appearance on the world's Islamic-Communist stage. Indeed, the Antichrist, whose number is 666, is coming soon, but it is not Obama or his Mama!

REINVENTING OUR GOVERNMENT WITH COMMUNIST ISLAMIC "DEMOCRACY"

Yes, we heard how we had to “reinvent America” in President Bill Clinton’s 1993 inaugural address. He said, “We celebrate the mystery of American renewal in the depth of winter but we speak and the faces we show the world, we force the spring – a spring reborn in the world’s oldest democracy that brings forth the vision and courage to reinvent America.” In the shortest inaugural speech in history, Clinton added, “When our Founders boldly declared America’s independence to the world and our purposes to the Almighty, they knew that America, to endure, would have to change.” When our Founders heard that, they must have turned over in their graves!

B. Hussein Obama came along and simply regurgitated the same old progressive, Marxist mantra. What America needs is restoration to our Constitutional principles not reinvention or restructuring. It if ain’t broke, don’t fix it. What has happened to

America has been purposeful since the turn of the 20th century. Counting on Americans to have short memories and by rewriting our history books and encouraging us to become materialistic, quietly, quietly while the sheep slept in front of their entertainment centers, on the golf course, the bowling alley, at athletic events, vacationing in their ocean-view or mountain second homes or riding in their motor homes, the elite globalists under the radar have been building the North American Union moving America into New World Order law by law, Executive Order by Executive Order.

Strobe Talbot, Obama's adviser and President of the Brookings Institute, longs for the day when "Nationhood...will be obsolete and all nations will recognize a single, global authority." The first time we heard about the New World Order was during the presidency of George H.W. Bush in the early nineties. Was the frosting put on the cake at the November 4, 2008 election? In some ways the "Modern Little Red Hen" reminds me of ACORN (only in reverse.) While many Americans made excuses why they couldn't be a political activist, ACORN, in cahoots with the SEIU, was organizing.

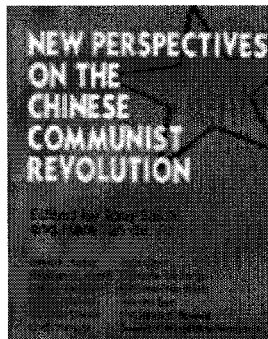

Bill Clinton's election was the first of the baby boomers who came out of the sixties sexual revolution. What began in the 1960s, symbolized and represented by the riots and demonstrations of 1968, was the eruption of a counterculture. Occasionally we've had pockets of rebelliousness, some

mavericks and a few oddballs but the sixties crowd seemed to be a collective phenomenon. The lunatics continued to take over the asylum and now they control the White House, the House of Representatives and the Senate.

Revolution

Two of the goals for the Communist party U.S.A. in the sixties were to build the party membership with young recruits and build party strength with fellow travelers such as those listed as members of the ISS below. I often wondered how and when we moved from being a Republic to being a democracy. The average American today still believes we have our traditional Constitutional government. Nothing could be farther from the truth.

How did this democracy come about? Well, while most of us slept, it developed gradually as a result of a new movement in the United States. The 5000-Year Leap by W. Cleon Skousen published in 1981 told how approximately 100 people met in New York in 1905 and organized what they called the

Intercollegiate Socialist Society (ISS). Students and academics have always been democracy's foot soldiers so it is understandable that chapters were established on more than sixty college and university campuses coast-to-coast. Co-directors ...explained that the ISS was set up to "throw light on the world-wide movement of industrial DEMOCRACY known as socialism." (The New York Times, Jan. 28, 1919)

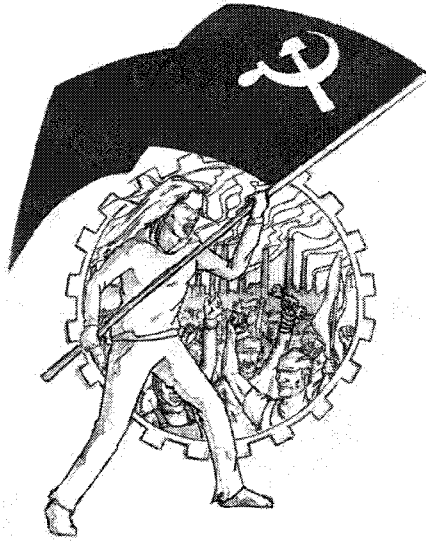

A review of the roster of early ISS members would also reveal that by the 1930s the more brilliant young leaders of the movement from World War I days had risen to some of the most prestigious positions in politics, press, publishing houses, radio, academic circles, teacher-training colleges, the National Council of Churches and just about every other major center of opinion-molding influence.

Socialism is defined as "government ownership or control of all the means of production (farms, factories, mines and natural resources) and all the means of distribution (transportation, communications and the instruments of commerce)." Skousen said obviously, this is not a "democracy" in the classical sense. Authority in our Republic is derived through the election by the people of public officials best fitted to represent them in a free-market economy and the very antithesis of socialism. The ISS adopted a snappy slogan for the times: "Production for use, not for profit." This seemed to catch on. (Remember Barack Obama telling Joe the plumber he wanted to redistribute the wealth?) Hundreds of men and women who later became big names in government, press, radio, television and motion pictures were among the early recruits.

However, by 1921 the violence associated with the Union of Soviet Socialist Republics (USSR) had given the term “socialism” a strongly repugnant meaning to many people so the ISS decided to change its name to “The League for Industrial DEMOCRACY.” The word “democracy” was supposed to carry the message that through the nationalization (government expropriation) of all the means of production and distribution, the nation’s fabulous resources would become the property of “all the people” - hence democracy. Various devices were used to alert the public to the true meaning of the word. For example, the U.S. Army’s Training Manual No. 2000-25, published in 1928, contained a whole section explaining the difference between a democracy and a republic in their original, historical sense.

The manual had the following to say concerning the characteristics of a democracy: A government of the masses, authority derived through mass meetings or any other form of “direct” expression, results in mobocracy, attitude toward property is communistic – negative property rights, attitude toward the law is that the will of the majority shall regulate, whether it be based upon deliberation or government by passion, prejudice, and impulse, without restraining or regard to consequences and the results in demagogism, license, agitation, discontent, anarchy. James Madison said democracies have ever been spectacles of turbulence and contention; have ever been found incompatible with personal security or the rights of lives as they have been violent in their deaths (Federalist Papers, No. 10, p.81)

Is all of this control beginning to sound like the B. Hussein Obama administration? His goal seems to be to nationalize the entire financial sector. He’s nationalized the banks and the auto industry and now there is talk about the Fairness Doctrine (aka: The Un-Fairness Doctrine). Perhaps an open assault for its enactment would be unwise, but the Democrats are experts with sneaky little laws again under the radar.

For decades we've heard people say the Constitution is outdated. When we see that the National Council of Churches was an original member of ISS, it helps us to understand why our Bibles are being changed too. Bible thumpers will recall that up until Acts 12, persecution against the followers of Jesus had been largely from the Jewish religious rulers, the Sadducees in particular. In chapter 12 it moved into the realm of government. We must wonder if Herod did this to gain favor with certain influential groups while he carried on a brutal, unfeeling persecution of the church. Acts 12:21 describe Herod as a pompous twit, lifted up with pride and an excellent speaker.

J. Vernon McGee, a fine, fundamentalist conservative pastor with a long-time radio ministry in many languages, states in his 5-volume commentaries that Herod was the kind of politician who would have been elected no matter what - a miniature of Antichrist. Read 1st John 2:18 and then finish reading the rest of Acts 12. Pastor McGee died in 1988.

The big lie is that things change. God is the same yesterday, today and tomorrow and people don't change either. We have the same honorable people we had when this country was founded. Glenn Beck had on his TV program on 5/8 two women who are whistleblowers about ACORN and then we have the bad apples

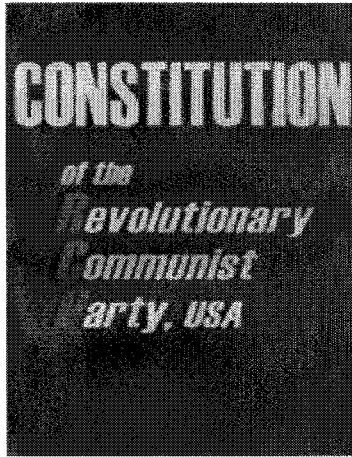

who immediately began sending hate e-mails. Glenn asked us to pray for these ladies.

The same traditional value system we had before the 1900s is the same today but the new words and phrases being used in our current politically correct environment are an excuse to intimidate – another Marxist tactic. Remember how the ACORN crowd and SEIU members harassed AIG members possibly causing one to commit suicide?

A Director General of UNESCO said we have to redefine words and write a new social contract. The key to collectivism is trigger words. When the illegal immigration matter surfaced, the press began to hide the word amnesty by using words or phrases like: a visa program, an expanded guest worker program, assistance to undocumented workers, earned legalization, immigration reform. “Early leaves” is the term they use in Anchorage schools now for “drop outs” and the word “failure” is also prohibited and then throw in a few “alternative this or alternative that” and we have mass confusion which is leading to anarchy and the list goes on ad nauseam.

Thousands of voices that came out of the ISS have filtered down over the years to try to change us into a New Age occult society. (Google Bohemian Grove) Satan failed when God, manifested in the man Jesus, was born to a virgin. He died on the cross and the Judas crowd thought they had won the victory but the resurrection proved them wrong and the battle continues to try to defeat Him by using the vermin as noted above. History is “His Story.” Using a phrase from President Obama: We win!! You lose!!

This whole supposed “crisis” became prominent when outgoing President George W. Bush began bailing out those who purchased homes they couldn’t afford and President Obama’s chief of staff, Rohm Emanuel, said they should never pass up a “crisis.”

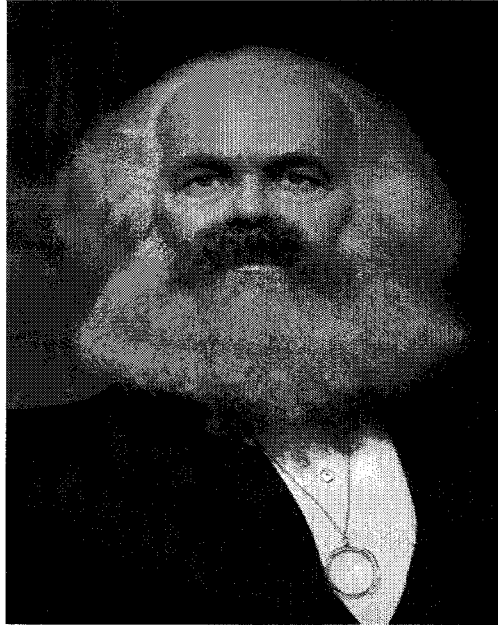

House Speaker Nancy Pelosi said, “Let us be clear: this is a crisis caused on Wall Street...” And then it escalated to accusing Barney Frank, Chairman of the Senate Banking committee, for causing the fiasco at Fannie Mae and Freddie Mac. But maybe we should return to 1993 and Roberta Achtenberg’s arrival in Washington where President Clinton offer her a job as Assistant Secretary for Fair Housing and Equal Opportunity at the Department of Housing and Urban Development (HUD). As long as house prices continued to increase and homeowners could refinance and use the equity to pay off debts, things went well. And then the bubble burst!

The main thrust of the Clinton housing strategy was to increase home ownership among the poor, and particularly among blacks and Hispanics. White House aides, in familiar West Wing style, could parrot the many social advantages that would accrue: high levels of home ownership correlated with less violent crime, better school performance, a heightened sense of community. But standing in the way of the realization of this dream were the conservative lending policies of the banks, which required such inconvenient and old-fashioned things as cash deposits and regular repayments – things the poor and minorities often could not provide. So Ms. Achtenberg set up a network of enforcement offices across the country manned by attorneys and investigators and primed to spearhead an assault on the mortgage banks,

bringing suits against any suspected of practicing unlawful discrimination, whether on the basis of race, gender or disability. Therefore, in cahoots with Attorney General Janet Reno (who burned 17 little children and adults at the Branch Davidian in Waco, Texas) they used the law to change the behavior of banks. And now you have the rest of the story.

KARL MARX, SATANIC FOUNDER OF COMMUNISM

If we couple this with the Smoking Gun of millions of illegal aliens given amnesty, then I believe we effectively had a socialist coup d'état on November 4, 2008; it was the day American died.

Didn't B. Hussein Obama promise a clean, honest and transparent administration? Right! Sure! Nonsense! Instead, it appears as if the Chicago mafia has moved into the White House and their tactics are now being played out at a national level. That reminds me of the last few words in our national anthem that asks the question: "Oh say does that Star Spangled banner yet wave"...?

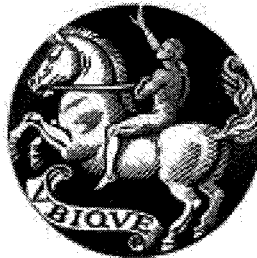

HEY, WHO IS THE **ACTUAL** “PRESIDENT” OF THE
UNITED STATES ANYWAY?

IS IT **B. HUSSEIN OBAMA** OR THE COUNCIL ON
FOREIGN RELATIONS IN NEW YORK CITY?

WILL THE C.F.R. DELIVER THE WHITE HORSE OF THE
APOCALYPSE, RIDEN BY THE ANTICHRIST?

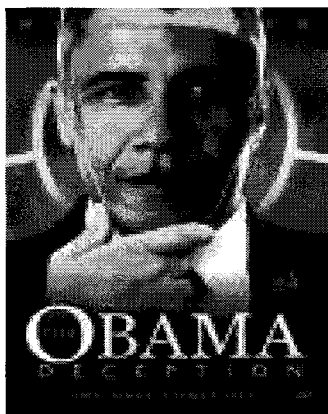

(Read Revelation Chapter 6)

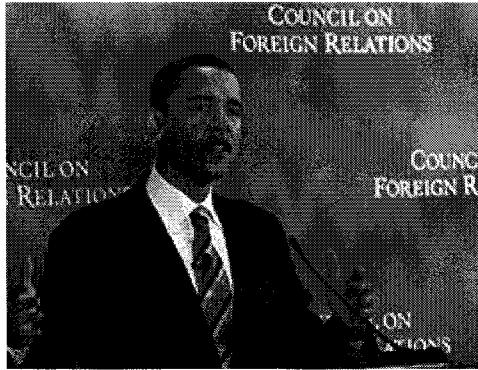

THE CFR’s LOGO ABOVE IS A RIDER (THE ANTICHRIST)
ON A WHITE HORSE; THE WHITE HORSE OF THE
APOCALYPSE? (Rev. 6)

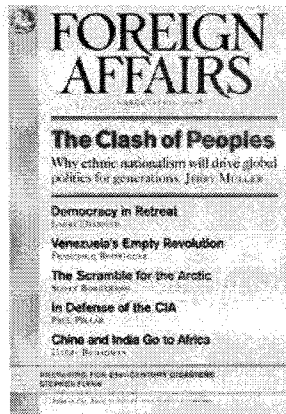

The Council on Foreign Relations (CFR) claims it is an American “nonpartisan” foreign policy membership organization. It was founded in 1921 and is based at 58 East 68th Street (at Park Avenue) in New York City (Manhattan), with an additional office in Washington, D.C. It is the most powerful “private organization” in America and it influences and dictates United States’ domestic and foreign policy to our so-called “elected” government leaders.

Therefore, the CFR essentially “owns” and controls both political parties! This is why nothing ever changes whether our “elected” officials are “Democrats” or “Republicans.” It is a sophisticated, carefully orchestrated shell-game-scheme whereby both sides are controlled by the CFR for their New World Order purposes! Accordingly, we are merely PUPPETS on their string!

The CFR publishes a bi-monthly journal called, *Foreign Affairs*. It also has an extensive website, featuring links to its think tank, The **David Rockefeller** Studies Program, other programs and projects, publications, history, biographies of “notable” directors and other board members, corporate members, and press releases.

The CFR rightfully has been the subject of many conspiracy allegations and investigations, as clearly shown in the 2008 free online movie titled, *The Obama Deception*. I highly recommend you watch this free online two-hour “youtube” video. It truly is a work of art and it will educate you quickly regarding the demonic, communist CFR organization and how America has been effectively “conquered” by the CFR and its many sub-groups internationally!

Since 1921, most high-ranking U.S. government officials in Washington have been and currently are CFR members! Also among world business leaders, its secrecy clauses, and the large number of aspects of American foreign policy that its members have been involved with, beginning with Wilson's Fourteen Points. The John Birch Society believes that the CFR plans a communist dictatorial one-world-government, which the CFR has named the New-World-Order. Wilson's "Fourteen-Points" speech was the first in which he suggested a worldwide security organization (a League of Nations) to prevent future world wars.

Are you doubtful about these assertions? Well then, let's read an admission directly from the CFR's founder, David Rockefeller, as follows: "For more than a century ideological extremists at either end of the political spectrum have seized upon well-publicized incidents such as my encounter with Castro to attack the Rockefeller family for the inordinate influence they claim we wield over American political and economic institutions. Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as "internationalists" and of conspiring with others around the world to build a more integrated global political and economic structure — one world, if you will. If that's the charge, I stand guilty, and I am proud of it. (David Rockefeller, "Memoirs" page 405).

Many years ago, historian and book author Carroll Quigley included the Council on Foreign Relations in his discussion of the Anglo-American Establishment's efforts to shape international developments during the 20th century. In fact, in his book "*Tragedy and Hope*" he announced that the CFR was engaged in a conspiracy against American interests. He was right and I agree!

Accordingly, the demonic pro-Communist, pro-Muslim, pro-Nazi Council on Foreign Relations is the actual "President" of the United States, which operates quietly behind the scenes via strategically appointed and placed (so-called "elected") PUPPETS in both Congress and at the White House. B. Hussein Obama is merely the latest CFR "appointee."

LUCIFER IS THE SECRET GOD OF SECULAR SOCIETY!

A 37-year-old Montreal historian, David Livingstone has written a stunning book that casts modern civilization in a new and truthful light.

In his book, *The Dying God*, The Hidden History of Western Civilization, Livingstone shows that modern secular culture is really the product of an occult tradition that can be traced back to ancient Babylon through Freemasons, Rosicrucians, Templars, Plato and the Cabalists.

Essentially, this tradition adopted Lucifer as symbol of mankind's rebellion against God. It enshrined human reason, appetite and will as the ultimate standard of goodness and truth.

It usually defined freedom in terms of destroying the moral and social order. Freedom means dissipation not uplift and empowerment.

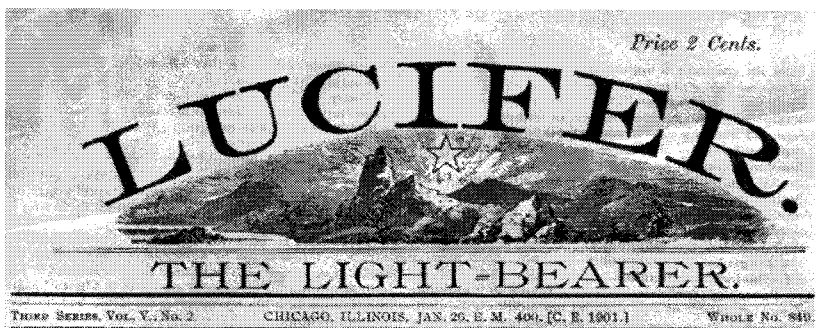

The occult's real aim is to empower the elite. Livingstone, who is not "religious", explains:

"The basic principle of most religions is to behave unto others as we wish to be treated; God's principle of justice. In contrast, the occultist is lured by his vanity to seek a type of knowledge that sets him apart from others, maintaining that it is the preserve of the elite."

Livingstone shows how this occult dogma was secretly adopted by key elites throughout history and was behind the English (1649), American (1776), French (1789) and Russian Revolutions (1917), three of which involved regicide.

TO THE ELITE, LUCIFER IS THE LIGHT-BEARER

Lucifer is the "bringer of light." The occult inspired the so-called Enlightenment, which defined modern culture. Francis Bacon was a Rosicrucian. Diderot, Rousseau, Voltaire, and Newton were all Freemasons. Fifty of the 56 signatories of the US Declaration of Independence and most U.S. Presidents were

Masons. So were Stalin, Roosevelt and Churchill. The plan of the city of Washington was designed by a Mason in the shape of a pentagram, the symbol of Lucifer.

The scientific revolution is also rooted in the occult as magic, i.e. the manipulation of nature.

The significance of Livingstone's lucid, well-documented book is enormous. A dominant segment of our leaders secretly serve Lucifer; their sinister and corrupt influence is evident everywhere.

Secularism is as much a religion as Christianity. The "separation of church and state" is a stratagem to enshrine Lucifer as the god of the modern world. Masonic secularism's goal is to destroy Christianity.

Secular people can be moral when they follow their conscience, which is God's voice. But they are more likely to stray if they don't believe that the good is part of a real moral order.

Reason divorced from an absolute morality (God) can be used to justify anything, including mayhem and tyranny. The goal of the New World Order is to divert humanity from God's Plan and enslave us to a vicious satanic elite.

Read what Svali, an Illuminati defector wrote about the Illuminati, a superwealthy group of Luciferians who plan a world police state:

"The Illuminati is a group that practices a form of occult "faith" known as "enlightenment". It is Luciferianism, and they teach their followers that their roots go back to the ancient mystery religions of Babylon, Egypt, and Celtic druidism. They have taken what they consider the "best" of each, the foundational practices, and joined them together into a strongly occult discipline. Many groups at the local level worship ancient deities such as "El", "Baal", and "Ashtarte", as well as "Isis and Osiris" and "Set".... I do know that these people teach and practice evil."

Historians are paid to suppress this truth. David Livingstone's *The Dying God* uncovers it. In a just world, this brilliant historian would be celebrated. Instead, he earns his living making furniture.

HOW LUCIFER IS WORSHIPPED

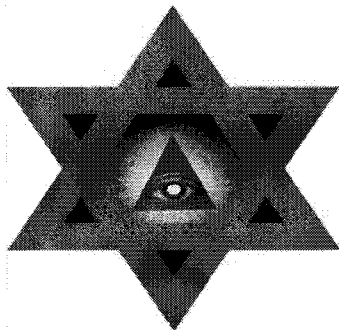

Millions of people do not pay homage to Lucifer at a weekly service. Priests in red gowns do not preach Satanism from the pulpit. Lucifer cannot declare himself openly. He wages an undeclared covert war for our souls.

Lucifer's servants sit in expansive offices, ride in limousines and appear on TV. They are our political and cultural leaders, many of whom are ambitious dupes.

Lucifer's sermons are found in many American music videos, video games, television and films.

How much longer will Americans tolerate such satanic indoctrination?

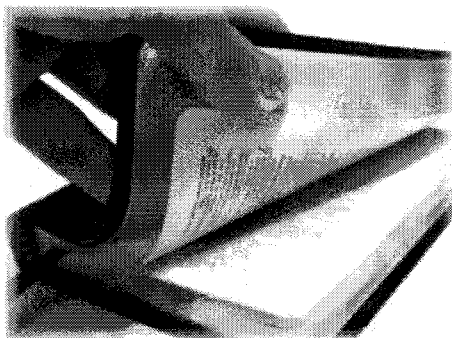

Their Satanic conspiracy only succeeds because people cannot believe something so colossal and monstrous actually exists.

OBVIOUS CONCLUSION

The human endeavor presently is a simple question of whom we will SERVE, God or Lucifer. This world is a contest for our souls. The people who are pushing products, violence and sex are not operating on a random "whatever sells" basis. They have Satanic/Masonic symbols in their logos. The top players are following a secret occult script designed to enslave humanity, body and soul. They are building a gigantic prison based on their own mental hell. This is the New World Order and we are its inmates.

**AMERICA'S FUTURE: A NATION IN CRISIS! GOD'S
JUDGEMENT IS COMING SOON UPON THIS ONCE
GREAT, FORMERLY CHRISTIAN NATION!**

The Apostle Paul wrote of just such a time as exists in America (and the world) today; a time when people would be lovers of themselves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce-breakers, false accusers, uncontrollable, fierce, despisers of those that are good, traitors, heady, high-minded, and lovers of pleasures more than lovers of God.

In view of the fact that fifty million innocent babies have been murdered intentionally with premeditation and in the most heinous ways I would add murderers to that list, which of course only highlights Paul's offering of "being without natural affection".

There does not exist a more apt description than this of the nature of the United States today, for it is a nation that consists, collectively, of a people led away from God by divers lusts, it is an ever-learning acculturation of those who are never able to come to a knowledge of the truth. It is in fact a nation of people who resist the truth, an irreverent fellowship of men of corrupt mind and reprobate faith.

The inimical indoctrination of the people of this nation begins in the public schools where the ungodly elements of communism, sexual perversion, deviancy, false doctrines and a rejection of Biblical tenants are instilled in young minds and taught as gospel by an autocracy of Marxist persuasion. An open-minded and healthy examination of social issues is disallowed and a narrow, subjective and politically correct curriculum is rigidly enforced. The National Education Association, a radical, revolutionary, and powerful labor union, is using the political clout it purchases with the dues of its members. It has eliminated the traditional approach to the training of young minds in the basics of education and concentrated on a radical program of mind control and brainwashing to shape the values - I should say lack of values - of America's children.

Parents, if you think that you have any input into the way that public schools educate your children, you need to put that

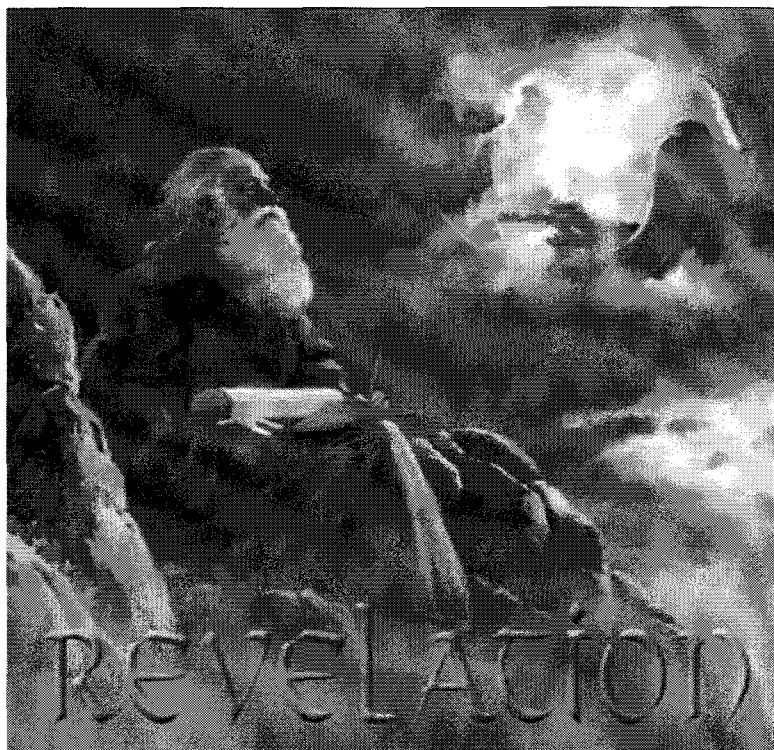

thought out of your mind quickly. The majority of public school systems view your children as property of the state and therefore beyond your control. Moral relativism is promoted and ethical codes and morality based upon absolute standards is not a part of their satanic bible. "If it feels good do it" is their motto and their creed.

You need to get your children out of the public school system immediately before anymore of our children are corrupted and led down criminal paths to the point that many additional millions of dollars have to be spent on correctional facilities to incarcerate the emotional cripples turned into the streets by the public schools.

The United States has crossed a great divide and is now on a dizzying slide downward through an ever-quickenning succession of events, both of the cosmos and of manmade induction, which are stepping this nation toward a now inevitable time of a complete and climactic destruction.

Prayers from an apostate people for deliverance from catastrophic events current and future will not be heard, in the parlance of the Bible it is a time for sackcloth and ashes.

Those who believe that there is hope for a secular deliverance of this country from an increasingly inescapable terminal destiny at the hand of Almighty God or that the government or its leaders possess the answers to the nearly total social and spiritual unraveling of this commonwealth are barking up a wrong tree. Nowhere in the population of this nation or in the government or the institutions thereof exists a "savior." Our Savior has come to this earth and gone and will return again! And it is He alone that we should look to for deliverance. It is Jesus Christ who is the true Savior, and if you have not accepted Him as such and taken advantage of His work upon the cross for the expiation of your sins past, present and future, you most surely would do well to do so now, and quickly!

My thoughts are presently apocalyptic, as I now reject any possibility that there remains any hope that this country will be turned around by mortal men or by our terribly corrupt and fallible politicians. These, and those who extol their virtues, will do nothing other than hasten our fall.

The prophets of old who were sent to deliver hard messages unto God's people and to their kings and religious leaders were censored and imprisoned, and those who speak the truth today can expect the same circumstances, as even now we can see an unrighteous abridgement---by a seemingly fascistic government--of our individual rights and liberties.

“When I say unto the wicked, Thou shall surely die; and thou gives him not warning, nor speaks to warn the wicked from his wicked way, to save his life; the same wicked man shall die in his iniquity; but his blood will I require at your hand.” (Ezekiel 3:18)

Clearly, those in the Liberal “Aquarian” New-Age ministry today who tickle the ears of their lost followers with various “New-Age” Doctrines of Demons - such as the goodness of man, a lack of evil, that man is divine and therefore can create his own spiritual destiny, or that Satan is an imaginary being and there are many roads to salvation - have not read the above Scripture. And if they have and have rejected it, or any other of God’s truths, they will stand and give an account for every lost soul that was in their charge.

Devastating natural events are being poured out upon this nation one upon another. Ten of millions of homes have been destroyed and hundreds of millions of people displaced and made homeless. Local economies have been wiped out and the U.S. economy already a tottering shambles held together by chewing gum and duct tape is being pushed to the edge. In truth, the economy of this nation is, for all intents, shot; fooled away by seeming half-wits.

Middle-income taxpayers cannot continually bail out one area after another from the costs of major catastrophic events, and it is with a certainty that the major corporations that are virtually completely exempt from taxation are not going to contribute to any recovery as greed is the name of their game. Therefore, the soon coming tax-burden the government will place upon the dwindling few working citizens will be crushing.

A wrecked car in such a dismal shape as our economy would be declared a total loss and scrapped. I think that this is exactly the plan of those who pursue a one-world order. They endeavor

powerfully and vigorously to scrap the dollar and negate our sovereignty in order that this nation might be coalesced with Canada and Mexico in a North American Union and then integrated into a New World Order.

Our elected politicians have put into place a consortium of bureaucratic storm troops that control every facet of our lives. Thousands of decrees, edicts and administrative rules with the force of law suppress our freedoms and curtail the guarantees of the Bill of Rights.

The courts have eviscerated the Constitution and bureaucratic storm troops carry out the orders and writs of judges issued all too often out of a subjective interpretation of the law rather than on Constitutional principle. The first, second, fourth and fifth amendments are routinely circumvented or ignored and bureaucratic agents and law enforcement agents on all governmental levels are coached in such circumvention. Habeas Corpus has been nullified and the power of eminent domain is routinely savagely abused.

We have come to a point in this country where police death squads in coal scuttle helmets, black armor and jack-boots strike the same terror and fear into the hearts of innocent law-abiding citizens that their counterparts of the SA and SS did in Nazi Germany. All that is missing is a crooked cross upon their helmets.

State and local law enforcement agents are increasingly being made a part of a federal police state. Local law enforcement officers are being sworn-in as Federal U.S. Marshals and are being used to carry out the dictates of an increasingly totalitarian "American" government.

Who can know the evil that lurks in the minds of men? Well, God knows, and soon, so shall we, if we don't already know.

A virtual Trojan horse of monumental proportions has been rolled across our borders. Such an event could not have been

accomplished without the ignorance, apathy and complaisance of the people and the treasonous endeavors of the politicians who feed at the trough of the corporate pirates who control the government and society with the monies that they have amassed by deceit, trickery and larceny beyond imagination.

To be subject to these is the fate of a people who have no knowledge of Almighty God. This horse carried the seeds of an invasive and pernicious evil that will render this nation completely impotent and cause it to lie prostrate before its enemies.

Out of this Trojan horse poured predators, malcontents, criminals of all stripe, disease carriers, free loaders, mercenaries and subversives who have molested, raped and killed our children, disrupted and corrupted every facet of an amalgamate and orderly society, bankrupted our local governments and institutions, piled the people high with debt to sustain the invaders with perks beyond anything available to ordinary citizens, caused us to build an ever increasing number of prisons to incarcerate alien invaders who kill, violate and maim American citizens, and opened the country to the predations of clandestine enemy agents who have infiltrated via open borders and lax immigration policies and who are supported by enemy citadels that have been openly set up under the noses of the government and its security agencies in the guise of mosques and embassies!

The floods, the hurricanes, the tornadoes, the fires, the earthquakes and the manmade disasters presage the time of the end. Soon - very soon - our cities will be host to civil strife such has never been experienced in the history of this nation. A pestilence of violence will roll across the land, cities will burn and the carnage will be great. Our panicked fascist government will add to that carnage.

The violence will exacerbate an already degraded situation and disease and famine will spread exponentially in the wake of the violence. There will be widespread panic brought about by the rolling and continuous collapse of services and social order.

NO PERSON WILL BE ISOLATED FROM THE AFFECTS OF
THE SOON-COMING TOTAL SOCIETAL COLLAPSE OF
ORDER! IT WILL AFFECT EVERYONE
INTERNATIONALLY!

“The sword is without, and the pestilence and the famine within: he that is in the field shall die with the sword; and he that is in the city, famine and pestilence shall devour him” (Ezekiel 7:15)

When the nation has been sufficiently weakened by all of the foregoing an utter annihilation will fall upon the land and it will be made desolate by nuclear fire.

“In all your dwelling places the cities shall be laid waste, and the high places shall be desolate; that your altars may be laid waste and made desolate, and your idols may be broken and cease, and your images may be cut down, and your works may be abolished. And the slain shall fall in the midst of you, and ye shall know that I am the LORD.” (Ezekiel 6:6-7)

A PLANNED ECONOMIC COLLAPSE WILL TRIGGER
SOCIAL PANDEMONIUM

MOREOVER

THE PENTAGON IS PLANNING A MILITARY RESPONSE
TO AMERICA'S COMING SOCIAL CHAOS!

As all of the shocking new information contained in this final chapter of my book shows, the threat of social meltdown and chaos is now so strong and imminent that a domestic law-enforcement arm of the U.S. military (referred to by The Army Times as the "Consequence Management Response Force") has been created to deal with what U.S. officials believe will be a soon-coming, unprecedented wave of massive social chaos.

Later I'll tell you why many Washington insiders (including officials directly involved in "Homeland Security") are

personally making emergency preparations for social chaos. In addition, outgoing Treasury Secretary Hank Paulson told Sen. James Inhofe and Rep. Brad Sherman that so much financial mayhem lies ahead that U.S. troops may have to impose martial law to deal with the resultant social unrest.

**IT IS A FACT THAT U.S. OFFICIALS ARE QUIETLY
PREPARING FOR BIG TROUBLE AHEAD!**

A new report by the Army War College's Strategic Studies Institute states flatly the U.S. military must prepare for "a violent, strategic dislocation inside the United States" that could be provoked by "unforeseen economic collapse" or "loss of functioning political and legal order."

Late last year (2008), The Washington Post noted the incoming Obama Administration is going to "earmark" at least 20,000 troops returning from Iraq to deal with "domestic emergencies." Since then, the Army Times has broken the story that the domestic emergency army unit (NORTHCOM near Denver, CO) has been increased to 80,000 troops, who are currently being trained in Georgia to handle civil disturbances in America.

In short, U.S. officials expect big trouble ahead, but they are not warning the general public about such dangers (much less urging the unsuspecting masses to make basic preparations for them).

A rare critic of the government's keep-the-public-in-the-dark mentality is former head of the U.S. Commission on National Security, Stephen Flynn. He noted in a recent 2009 Wall-Street-Journal editorial that: "Too many officials believe telling the truth to Americans about such risks would set off a nationwide panic." Therefore, they purposely keep us "sheep-people" (SHEEPLE) in the dark for our own good." Right!

The bottom line here folks is that you need to develop and implement a real survival plan immediately to deal with massive social dislocations that are headed our way. You need to get started right away because the government isn't going to give you

a heads-up. If anything, it appears they'll give you a heads-down into the ground.

HERE'S WHY WASHINGTON EXPECTS TO USE TROOPS AGAINST AMERICANS!

Let me get straight to the point here about the high probability of social chaos; what it will look like; and what you can do to not be among the millions of unsuspecting Americans who are going to get caught flat-footed.

You see, a government-consumer debt bubble 20 plus years in the making is imploding as desperate Federal-Reserve-meddling to stave off financial collapse is "funded" by frantic funny-money printing campaigns designed to shower trillions of dollars over a restive public. Their motto is, "Don't worry, be happy" as America approaches the cliff of the Abyss!

Even "mainstream" financial figures are finally admitting we may be in more than a recession. For example, the CEO of General Electric, Jeff Immelt, recently conceded the U.S. may be descending into a depression.

Until a few short months ago, official Washington wasn't even using the "R" word. The "experts" are finally "fessing-up" to what the rest of us can already realize: Ghost malls are springing up from coast to coast with an estimated 148,000 store closures projected so far for 2009, including Steve and Barry's, Sharper Image, Wicks, Levitz, CompUSA, Circuit City, Linens and Things, KB Toys, Whitehall Jewelers, and Shoe Pavilion.

Frightened U.S. policy-makers also note a number of giant chains are on the brink of bankruptcy for 2009, including Phillip Van Heusen (IZOD/Calvin Klein), Macys, Office Depot, Pacific Sunware, Bombay Company, Pep Boys, Sprint-Nextel service stores, Ethan Allen, Ann Taylor, Lane Bryant, Dillards, Starbucks, the Gap, Footlocker, and Home Depot.

DIRE UNEMPLOYMENT PICTURE FORESHADOWS COMPREHENSIVE SOCIAL CHAOS!

John Williams of the authoritative Shadow Government Statistics notes that unfudged, un-manipulated government statistics suggests a whopping civilian unemployment rate of 18% with a projected total to exceed 30% (during the Great Depression, unemployment approached an historic 25%).

In the U.S., job-shedding has now exceeded post-World War II levels and the January 28 Wall Street Journal warned: "One troubling sign is that the states that were first into recession, those with a heavy concentration of home building and manufacturing, are now getting worse, not better..."

In December, the International Monetary Fund's managing director Dominique Strauss-Kahn warned of riots and unrest sweeping through Western countries as lower-income households are beset with credit constraints and rampant unemployment. (Such riots have already caused the government of Iceland to fall and triggered riots in Greece.)

TODAY'S AMERICANS DON'T RESEMBLE THE HARDY DEPRESSION-ERA GENERATION OF THE 1930's

Not to be politically incorrect, but the simple truth is millions of Americans who've never known anything but prosperity and easy-money have a militant expectation that society "owes" them something. And with so many families on the margins of survival already, the speed of the downward unemployment spiral is downright ominous (and unprecedented).

Worse, there are few signs the taxpayer dependents of today have any of the self-reliance skills that saw the hardy Great Depression generation through the tough times.

In fact, there is mounting evidence tens of millions of low-income government dependents and many others infected with a sense of entitlement are prone to crime and violence, especially

when it dawns on the masses there are not enough jobs and government promises of "relief" are as empty as the U.S. Treasury is bankrupt.

For example, in response to financially-troubled New York State making minor trims to its budget, an ugly 50,000 plus mob took to the streets around city hall to demand higher taxes against the "rich." (Similar protests were mounted in Albany, Buffalo, and White Plains.)

In just the last year, when fuel prices were soaring and metals such as platinum were exploding, gasoline thefts across the nation became rampant. Copper was being ripped off from construction sites, pipes were torn out of abandoned houses and catalytic converters containing trace elements of platinum were being shanghaied from parked cars all over the country.

Of course, the possibility of a full-scale depressionary unemployment situation is just one "trigger" threatening to cause society to come completely unglued.

**A GLOBAL SYSTEMIC COLLAPSE IS NOW A VIRTUAL
CERTAINTY, AS THE OTHER FINANCIAL SHOE IS
PREPARING TO DROP!**

It is far too dangerous to ignore the growing signs of impending national social chaos. Even after absorbing some of the unsettling facts in this briefing, you need to act calmly and decisively to make sure you can get the things you need and protect what's yours (with undertones of frantic buying) while you still can. The signs of trouble abound.

Congressional Quarterly notes are now public regarding pension fund losses that are about to spill out onto the front pages with nearly as much financial exposure as that which brought down America's banking giants.

This reality has not made much news yet, but the pension funds of millions of retirees are down by a whopping \$1.9 trillion.

Indeed, many cities such as Philadelphia are quietly seeking federal money to bolster their pension funds that are 60% invested in the stock market, which already has collapsed by a catastrophic 50% in just the last 18 months.

Not to scare your pants off, but the Government Accountability Office (GAO) has quietly informed Congress that the "insurance" agency for private pension funds, the Pension Benefit Guaranty Corporation, is at high risk of failure as well. This new problem will not become a "crisis" until desperate people start trying to tap early retirement money that is not there! But for now, the looming pension catastrophe remains a "dormant" threat.

Even worse (if that's possible) is the fact that the former head of the U.S. Comptroller General Office, David Walker, essentially told Congress (before resigning in disgust) that the Social Security "Trust Fund" is a vault of IOUs; and Medicare will soon be effectively bankrupt!

STATE GOVERNMENTS ARE BECOMING TOO BROKE FOR EXPENSIVE LAW ENFORCEMENT!

The American Association of Architects' historically-reliable construction index has plunged 34.7%, a grim indication the commercial real estate market is the next shoe to drop, which analyst Mike Larson forecasts will lead to an "unstoppable chain reaction of bankruptcies."

The reason I bring this up is because 46 states are already experiencing major budget shortfalls. And yet it is taxes from U.S. commercial real estate on which local and state governments depend to fund their fire, police and social services.

Moreover, many major insurance carriers, some of which already are going belly-up, will totally tank when the full extent of the commercial real estate bust hits their reserve portfolios.

States such as California and Kansas don't even have enough money to send out tax refund checks, much less properly fund

local police departments. They also are coping with the biggest annual job loss in a single year since 1945 (down 2.8 million jobs in 2008 alone).

The Washington Post notes that two out of three large police departments in U.S. cities are already reporting budget cuts and hiring freezes, even as 233 departments told the Police Executive Research Forum that they are noticing a major "uptick" in property crime which they attribute to financial unrest.

The National Center for the Victims of Crime reports a whopping 24% increase in calls from October 2007 to October 2008 as "job losses and economic stress factor into increased violence."

In addition, cash-strapped states have been forced by collapsing tax revenue to release hardened criminals back into society, noted the Post.

On February 21, 2009, The Charlotte Observer reported on a disturbing trend which is going on all over the country: Major budget cuts for jails even as criminality is on the rise.

The Observer story cited the closing of a youth detention center for violent offenders, an all-too-common "low-profile" budget-cutting practice going on all over the country.

**HERE IS MORE EVIDENCE INDICATING THAT MANY
HORRIBLE THINGS SOON WILL HAPPEN!**

Here's a horrible thought: Just think about the widespread collapse of civil order and the collapse of emergency services that occurred in New Orleans after Hurricane Katrina---except on a national level---The implementation of gun-confiscation laws, looters and thugs terrorizing the elderly with impunity, besieged hospitals without power, doctors and medicine. People forcibly herded into "containment zones" and denied access to food, water, and medical attention. At least 45 patients died in one city-run hospital after being abandoned by doctors and staff.

More recently, a simple fuel pipeline break in America's barely-functioning, antiquated energy infrastructure spawned major gasoline delivery disruptions throughout the entire Southeastern Seaboard region. For over six weeks, drivers could not find gasoline except by standing in line for hours to get just a few gallons of fuel.

The recent regional collapse of the U.S. fuel infrastructure is a major warning sign that the energy supply chain is stretched dangerously thin, which combined with financial unrest, has the strong potential to create major disruptions in the food supply chain! Please note that most population centers have only a three-day supply of food available to the public through supermarkets! This means panic runs on food are a distinct possibility as the potential for social chaos continues to mount.

If you think these scenarios cannot happen in the United States of America, talk with anyone who has ever been in the path of a hurricane. They will confirm that by the time the general public catches on to the danger, getting everyday items such as gasoline, batteries, plywood, medicine, water, and food becomes next to impossible. Social services, police protection, public transportation, and highway systems will become next to useless during those times. Will Turn into Mobs!

LAW-ABIDING NEIGHBORHOODS WILL TURN INTO ANGRY, ROVING, MARAUDING MOBS!

And don't even get me started on police protection, or the lack thereof...for past riots in Washington DC and Los Angeles portend a disturbing pattern when social chaos overwhelms order. The police almost always "pull back" and abandon entire neighborhoods to vicious mobs.

In the case of the 1992 Los Angeles Rodney King riots (as Caucasians and Asians were hunted down, robbed, and slaughtered), the police hunkered behind their defensive cordons as the murderous racist rage unfolded. The only outside contact law-abiding victims had in the riot zone were with intrepid news

helicopters hovering overhead, broadcasting the racial pogroms on live TV.

You may even remember the only communities to come out unscathed were sections of Los Angeles populated by Asian merchants; those who fended off the mobs by placing shooters on the roofs of buildings within their defense perimeter. These heroic Korean merchants successfully protected their families, shops and homes; all because they knew how worthless bureaucrats truly are and made their own preparations instead. Where are you in this process?

The coming social chaos will magnify these problems a thousand-fold. In short, it is extremely important to be one step ahead of the general public during an unfolding crisis, and at least three long steps ahead of the government's draconian, blunderbuss, freedom-stealing response.

THE GOVERNMENT DELIBERATELY KEEPS US IN THE DARK ABOUT MULTIPLE THREATS TO PUBLIC ORDER!

Some Americans have learned from past history and they are quietly making basic emergency preparations for social chaos nationwide! Some signs of such trouble are: Gun sales are at all-time record highs; Safe makers and alarm and generator installers have never been so busy; and emergency food suppliers are shipping record volumes of storable foods.

Highly successful financial players such as commodities genius Jim Rogers now are openly saying that the U.S. is heading for an inflationary holocaust. Which is why, for more than a year, as confidence in the U.S. financial and political system continues to evaporate; physical gold and silver have been flying off the shelves---not just in the United States---but all over the globe. The unavailability of physical gold and silver has become so acute that major U.S. mints have either curtailed or stopped taking orders altogether for new coins.

Article From

The Economist Magazine, Europe

NEW-WORLD-ORDER BIRTH PAINS:

THE NEW WORLD ECONOMIC ORDER UNDER
COMMUNIST CHINA

On the above indicated date, a prestigious (socialist) European magazine, *The Economist*, published a timely article titled, ***Birth Pains: The New World Economic Order***, in which it stated boldly that **Capitalism soon will be finished, and afterward, communist China will lead and control the world's New Economic Order.**

Here is a brief quote from that article: "Creditor nations tend to set the rules and **the new global monetary system will be unable to operate without the approval of China**, a creditor country that has capital controls and a managed currency. It has been assumed that China will have to move towards the Western model. But why not the other way round." You may read the entire article online at the following web address:

http://www.economist.com/finance/displayStory.cfm?story_id=13653915&source=hptextfeature

Also, on Monday, January 26, 2009, British Prime Minister Gordon Brown (a dedicated New-World-Order man) called for the economic crisis to be used to create a "New Global Order," and a new form of internationalism, a mantra that is becoming all too familiar as globalists exploit the very problem they created to centralize power into fewer Satanic hands.

In his speech, he urged countries to avoid "muddling through as pessimists" and "make the necessary adjustment to a better future

and setting the new rules for this New Global Order", reported AFP. "Brown argued against the risk that the crisis could 'start a retreat from globalization' and instead will urge that it be seen as nothing more than **"difficult birth-pangs of a new global order"**".

As you can see, most of Satan's leaders are now announcing the beginning of **the Devil's seven-year reign on Earth** by actually quoting prophetic **"Birth-Pangs"** Scripture as explained below.

THE "BIRTH-PANGS" OF SATAN'S NEW-WORLD-ORDER UNDER THE ANTICHRIST, THE "BEAST-MAN" OF THE APOCALYPSE

"Birth Pangs", in terms of Bible Prophecy, refers to certain convulsive geopolitical, geophysical, astrophysical and world-wide socio-economic events and issues scheduled to occur in the time leading up to Jesus Christ's Second Advent (second coming). **These are likened to the contractions experienced by a woman about to give birth, with those episodes increasing with frequency and intensity.** Jesus' foretelling of these birth pangs use the word "sorrows," in His Olivet Discourse on end time things to come.

"And as he sat upon the Mount of Olives, the disciples came unto him privately, saying; tell us, when shall these things be? And what shall be the sign of thy coming, and of the end of the world? And Jesus answered and said unto them, Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many. And ye shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. All these are the beginning of sorrows." (Matt. 24:3-8)

Jesus' prophecy is further expounded upon in another of the Gospels.

"And he said, take heed that ye be not deceived: for many shall come in my name, saying, I am Christ; and the time draweth near: go ye not therefore after them. But when ye shall hear of wars and commotions, **be not terrified: for these things must first come to pass**; but the end is not by and by. Then said he unto them, Nation shall rise against nation, and kingdom against kingdom: And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven"

"And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And **when these things begin to come to pass, then look up**, and lift up your heads; for your redemption draweth nigh." (Luke 21: 8-11, 25-28)

All of these "**birth pangs**" were given by Jesus and the Old and New Testament prophets in context of the Tribulation Period of Daniel's seventieth week. This refers to the last 7 years of human history leading up to Christ's Second Advent.

Scholars in Bible Prophecy believe that although the world isn't yet in that prophesied time of unprecedented horror, the stage is being set and it is coming quickly! The **birth pangs** are already being felt. Indeed, Christians are commanded by Jesus to **watch for the birth-pang-like** developments.

"What I say to one, I say to all; watch." (Mark 13:37)

Many who observe the times believe that God in His mercy and grace is allowing us to see foreshadows of the coming apocalyptic storm. One such observer likens the stage setting the **birth-pang** symptoms to be not unlike a storm front. The **New-World-Order storm** front now is in view and the **birth-pangs** are being felt globally. Undoubtedly, Satan's evil reign is at hand.

THIS IS SCARY ENOUGH, BUT WHAT ELSE COULD HAPPEN?

Right after leaving office, Vice President Dick Cheney warned of the possible deaths of "perhaps hundreds of thousands of Americans" in a terror attack using nuclear or biological weapons. "I think there is a high probability of such an attempt," the straight-talking Cheney warned during a 2008 interview with Politico Magazine.

An important item buried deeply in another 2008 article in The Washington Post noted there are already 20,000 commercially-available labs in the world where a single person could synthesize any existing virus he wants! In those same 20,000 labs, five people with \$2 million can create an advanced pathogen—meaning a virus that would be able to infect several million people, killing perhaps a million of them.

Former Health and Human Services Secretary Tommy Thompson confessed to a reporter that he "worries every single night" about a possible bio-terror attack on the U.S. food supply. "For the life of me," he said, "I cannot understand why the terrorists have not attacked our food supply because it is the easiest thing to do".

AS IF THINGS WEREN'T BAD ENOUGH, DURING DECEMBER 2008, RUSSIAN KGB PROFESSOR IGOR PANARIN PREDICTED THE END OF THE USA IN LATE 2009 AND A COMPLETE DISINTEGRATION OF IT DURING 2010!

For a decade, Russian KGB academic Igor Panarin has been predicting that the USA will fall apart in 2010. For most of that time, he admits, few took his argument---that an economic and moral collapse will trigger a civil war and the eventual breakup of the USA---very seriously. Now he's found an eager audience: Russian state media.

In recent months, he's been interviewed as much as twice a day about his predictions. "It's a record," says Prof. Panarin. "But I think the attention is going to grow even stronger."

**PROFESSOR PANARIN IS A KGB RUSSIAN SECRET
POLICE AGENT! SO HE KNOWS THE INSIDE SECRET
PLAN TO DESTROY AMERICA!**

Professor Panarin, 50 years old, is not a fringe figure. A former KGB analyst, he is dean of the Russian Foreign Ministry's academy for future diplomats. He is invited to Kremlin receptions, lectures students, publishes books, and appears in the media as an expert on U.S.-Russia relations.

But it's his bleak forecast for the U.S. that is music to the ears of the Kremlin, which in recent years has blamed Washington for everything from instability in the Middle East to the global financial crisis. Mr. Panarin's views also fit neatly with the Kremlin's narrative that Russia is returning to its rightful place on the world stage after the weakness of the 1990s, when many feared that the country would go economically and politically bankrupt and break into separate territories.

Mr. Panarin insists he does not dislike Americans. But he warns that the outlook for them is dire!

"There's a 55-45% chance right now that disintegration will occur," he says. "One could rejoice in that process," he adds, poker-faced. "But if we're talking reasonably, it's not the best scenario---for Russia." Though Russia would become more powerful on the global stage, he says, its economy would suffer because it currently depends heavily on the dollar and on trade with the U.S.

**AFTER THE ECONOMIC COLLAPSE, HE SAYS, THE USA
WILL BE DIVIDED INTO SIX PIECES BY COMMUNISTS!**

Mr. Panarin has said, in brief, that mass immigration, economic decline, the collapse of the dollar and moral degradation will

trigger a civil war during late 2009. "Around the end of June 2010, or early July," he said, "the U.S. will break into six pieces--with Alaska reverting to Russian control."

In addition to increasing coverage in state media, which are tightly controlled by the Kremlin, Mr. Panarin's ideas are now being widely discussed among local experts. He presented his theory at a 2008 roundtable discussion at the Foreign Ministry. The country's top international relations school has hosted him as a keynote speaker. During an appearance on the state TV channel Rossiya, the station cut between his comments and TV footage of lines at soup kitchens and crowds of homeless people in the U.S. The professor has also been featured on the Kremlin's English-language propaganda channel, Russia Today.

Mr. Panarin's apocalyptic vision "reflects a very pronounced degree of anti-Americanism in Russia today," said Vladimir Pozner, a prominent TV journalist in Russia. "It's much stronger than it was in the Soviet Union."

Mr. Panarin's résumé includes many years in the Soviet KGB, an experience shared by other top Russian officials. His office, in downtown Moscow, shows his national pride, with pennants on the wall bearing the emblem of the FSB, the KGB's successor agency. It is also full of statuettes of eagles; a double-headed eagle was the symbol of czarist Russia.

The professor says he began his career in the KGB in 1976. In post-Soviet Russia, he got a doctorate in political science, studied U.S. economics, and worked for FAPSI, then the Russian equivalent of the U.S. National Security Agency. He says he did strategy forecasts for then-President Boris Yeltsin, adding that the details are "classified."

In September 1998, he attended a conference in Linz, Austria, devoted to information warfare, the use of data to get an edge over a rival. It was there, in front of 400 fellow delegates, that he first presented his theory about the collapse of the U.S. in 2010.

"When I pushed the button on my computer and the map of the United States disintegrated, hundreds of people cried out in surprise," he remembers. He says most in the audience were skeptical. "They didn't believe me."

At the end of the presentation, he says many delegates asked him to autograph copies of the map showing a dismembered U.S.

He based the forecast on classified data supplied to him by FAPSI analysts, he says. He predicts that economic, financial and demographic trends will provoke a political and social crisis in the USA near the end of 2009. When the going gets tough, he says, wealthier states will withhold funds from the federal government and effectively secede from the union.

Social unrest up to and including a civil war will follow. The U.S. will then split along ethnic lines, and foreign powers will move in.

BELOW IS A KGB EXPLANATION OF THE NEW
COMMUNIST- CONTROLLED USA AFTER IT HAS BEEN
DIVIDED INTO SIX REGIONS UNDER THE SUPERVISION
OF RUSSIAN AND CHINESE U.N. COMMUNIST TROOPS!

‘California will form the nucleus of what he calls "**The Californian Republic,**" and will be part of China or under Chinese influence. Texas will be the heart of "**The Texas Republic,**" a cluster of states that will go to Mexico or fall under Mexican influence. Washington, D.C., and New York will be part of an "**Atlantic America**" that may join the European Union. Canada will grab a group of Northern states Prof. Panarin calls "**The Central North American Republic.**" ‘

‘**Hawaii**, he suggests, will be a protectorate of Japan or China, and **Alaska** will be subsumed into Russia.’

"It would be reasonable for Russia to lay claim to Alaska; it was part of the Russian Empire for a long time," he said. A framed satellite image of the Bering Strait that separates Alaska from

Russia like a thread hangs from his office wall. "It's not there without a reason," he said.

Interest in his forecast revived this fall when he published an article in Izvestia, one of Russia's biggest national dailies. In it, he reiterated his theory, called U.S. foreign debt "a pyramid scheme," and predicted China and Russia would usurp Washington's role as a global financial regulator.

Americans hope President Barack Obama "can work miracles," he wrote. "But when spring comes, it will be clear that there are no miracles."

The article prompted a question about the White House's reaction to Professor Panarin's forecast at a December 2008 news conference. "I'll have to decline to comment," spokeswoman Dana Perino said amid much laughter.

For Professor Panarin, Ms. Perino's response was significant. "The way the answer was phrased was an indication that my views are being listened to very carefully," he says.

The professor says he's convinced that people are taking his theory more seriously. People like him have forecast similar cataclysms before, he says, and been right. He cites French political scientist Emmanuel Todd. Mr. Todd is famous for having rightly forecast the demise of the Soviet Union---15 years beforehand. "When he forecast the collapse of the Soviet Union in 1976, people laughed at him," said former KGB Professor Panarin.

THE FOLLOWING KGB-CREATED COLOR MAP CLEARLY
ILLUSTRATES HOW THIS WILL BE DONE!

OK, SO WHAT ELSE DOES RUSSIA HAVE TO SAY ABOUT AMERICA'S SOON-COMING DEMISE? WELL, LET'S READ A RECENT ARTICLE FROM THE RUSSIAN KGB'S PROPAGANDA AGENCY, PRAVDA!

American Capitalism Is Gone With A Whimper!

By Stanislav Mishin, May 27, 2009

"It must be said, that like the breaking of a great dam, the American decent into Marxism is happening with breath taking speed, against the back drop of a passive, hapless sheeple, excuse me dear reader, I meant people.

True, the situation has been well prepared on and off for the past century, especially the past twenty years. The initial testing ground was conducted upon our Holy Russia and a bloody test it was. But we Russians would not just roll over and give up our freedoms and our souls, no matter how much money Wall Street poured into the fists of the Marxists.

Those lessons were taken and used to properly prepare the American populace for the surrender of their freedoms and souls, to the whims of their elites and betters.

First, the population was dumbed down through a politicized and substandard education system based on pop culture, rather than the classics. Americans know more about their favorite TV dramas than the drama in DC that directly affects their lives. They care more for their "right" to choke down a McDonalds burger or a Burger-King burger than for their constitutional rights. Then they turn around and lecture us about our rights and about our "democracy". Pride blinds the foolish.

Then their faith in God was destroyed, until their **churches**, all tens of thousands of different "branches and denominations" were for the most part little more than **Sunday circuses** and their televangelists and top protestant mega preachers were more than happy to sell out their souls and flocks to be on the "winning" side of one pseudo Marxist politician or another. Their flocks may complain, but when explained that they would be on the "winning" side, their flocks were ever so quick to reject Christ in hopes for earthly power. Even our Holy Orthodox churches are scandalously liberalized in America.

The final collapse has come with the election of Barack Obama. His speed in the past three months has been truly impressive. His spending and money printing has been a record setting, not just in America's short history but in the world. If this keeps up for more then another year, and there is no sign that it will not, America at best will resemble the Weimar Republic and at worst Zimbabwe.

These past two weeks have been the most breath taking of all. First came the announcement of a planned redesign of the American Byzantine tax system, by the very thieves who used it to bankroll their thefts, loses and swindles of hundreds of billions of dollars. These make our Russian oligarchs look little more than ordinary street thugs, in comparison. Yes, the Americans have beaten our own thieves in the sheer magnitude and volume of crimes committed. Should we congratulate them?

These men, of course, are not an elected panel but made up of appointees picked from the very financial oligarchs and their henchmen who are now gorging themselves on trillions of American dollars, in one bailout after another. They are also usurping the rights, duties and powers of the American congress (parliament). Again, congress has put up little more than a whimper to their masters.

Then came Barack Obama's command that GM's (General Motor) president step down from leadership of his company. That is correct, dear reader, in the land of "pure" free markets, the American president now has the power, the self given power, to fire CEOs and we can assume other employees of private companies, at will. Come hither, go dither, the centurion commands his minions.

So it should be no surprise that the American president has followed this up with a "bold" move of declaring that he and another group of unelected, chosen stooges will now redesign the entire automotive industry and will even be the guarantee of automobile policies. I am sure that if given the chance, they would happily try to redesign it for the whole of the world, too. Prime Minister Putin, less than two months ago, warned Obama and UK's Blair, not to follow the path to Marxism, it only leads to disaster. Apparently, even though we suffered 70 years of this Western sponsored horror show, we know nothing, as foolish, drunken Russians, and so let our "wise" Anglo-Saxon fools find out the folly of their own pride.

Again, the American public has taken this with barely a whimper...but a "freeman" whimper.

So, should not it be any surprise to discover that the democratically controlled Congress of America is working on passing a new regulation that would give the American Treasury department the power to set "fair" maximum salaries, evaluate performance and control how private companies give out pay raises and bonuses? Senator Barney Franks, a social pervert basking in his homosexuality (of course, amongst the modern, enlightened American societal norm, as well as that of the general West, homosexuality is not only not a looked down upon life choice, but is often praised as a virtue) and his Marxist enlightenment, has led this effort. He stresses that this only affects companies that receive government monies, but it is retroactive and taken to a logical extreme, this would include any company or industry that has ever received a tax break or incentive.

The Russian owners of American companies and industries should look thoughtfully at this and the option of closing their facilities down and fleeing the land of the Red as fast as possible. In other words, divest while there is still value left.

The proud American will go down into his slavery with out a fight, beating his chest and proclaiming to the world, how free he really is. The world will only snicker."

ACCORDINGLY, B. HUSSEIN OBAMA IS NOW
AMERICA'S MARXIST / COMMUNIST / ISLAMIC
NIGHTMARE! HIS IS THE NEW ERA OF THE DEMONIC,
COMMUNIST NEW WORLD ORDER!

After 8 years of the Bush-Cheney nightmare, during which we saw the wanton destruction of Afghanistan and Iraq, the cynical negation of centuries of Law designed to protect the most basic human rights and a foreign policy worthy of Genghis Khan, there came along the "Great Black Hope" in the persona of B. Hussein Obama. The collective world consciousness turned uncritically to what was presented as a new era for peace, change and trust in Government.

Never before had one witnessed such an accomplished use of manipulation, propaganda, imagery and public relations wizardry to sell the public a man who was to take the baton from Bush and run with it in the race to destroy the economy, the rights of the people and help birth a nation totally controlled by those who have always lurked in the shadows of power. "Change" was promised and was delivered in the form of a deepening of the already dystopic nightmare.

Promises were broken with no apology, the same creative legalese that infested the Bush administration, in the form of John Yoo and Alberto Gonzalez was again used to deny justice to the inmates of Guantanamo, It was used to justify more torture, more destruction of the Constitution and more illegal surveillance of U.S. citizens.

The President that extended the hand of peace to the Muslim world has murdered hundreds of Pakistani men, women and children. The President who promised accountability in Government has filled his staff with lobbyists, banksters and warmongers. His Attorney General refuses to prosecute some of the worst war crimes committed in modern history and continues to give legal cover to criminals who tortured with impunity.

The country has been further bankrupted by the continuing theft of taxpayer money as the Wall St. campaign donors receive their quid pro quo. Obama has stood by idly as Bernanke states that the private Federal Reserve is not answerable to either Congress or the American public. The U.S. taxpayer is now on the hook for \$14.3 Trillion and rising. Foreclosures and unemployment are rising with no meaningful efforts by the administration to alleviate the symptoms, never mind the cause. The new image of America is one of tent cities, lengthening soup kitchen lines, sheriffs evicting countless thousands of young and old from their homes, once prosperous towns descending in to an eerie stillness and an increasingly disillusioned populace.

The "War on terrorism" has mutated in to a control grid for an increasingly aware population. The foundation for this had already been put in place by Bush with the Patriot Act, Patriot Act 2, Military commissions act and numerous executive orders that strangled what was left of Posse Comitatus and the Constitution.

Homeland Security now defines "Terrorists" as those who believe in the Constitution, the first, second and fourth amendments. Returning veterans are being targeted for a denial of their second amendment rights. A "Terrorist Watch List" of more than a million and rapidly growing, is being used as the basis for denying citizens the rights to travel and to work.

Obama is now mulling over the idea of indefinite detention without trial for U.S. citizens. This, from a teacher of the Constitution! Bills are in congress to criminalize free speech on the Internet via the Cyber-bullying Act which will make hurting somebody's feelings a felony. Just like the Patriot Act this will morph in to a criminalization of political free speech and any criticism of the Government.

"Cyber-terrorism" is being used as a pretext to bring government regulation to the last stronghold of unbiased information. Washington has realized that it's getting harder to get away with their Fascist agenda and are moving to control the field. The

populace has become more aware of just what kind of "Change" Obama intended to deliver.

There has been a growing resistance on a state level with several invoking their 9th and 10th Amendment rights in a valiant attempt to stop the Federal Vampire from draining the last drops of blood, the last vestiges of Freedom and Hope.

This is the Dystopic Nightmare that America finds itself in today and each day brings new assaults on Freedom and Sanity. The framework for total control of the citizenry, the economy and the media is being built upon in a relentless aggrandization of Governmental power. Obama sits atop his new Empire still smiling that sickeningly disingenuous smile surrounded by his seasoned courtiers who have worked for decades to bring America in to this new era of the New World Order.

WELCOME TO OBAMA'S NEW ISLAMIC COMMUNIST AMERIKA:

"One of the Largest Muslim Countries in the World"

Yes, B. Hussein Obama said it to the media in June 2009! Do you think Obama would ever call America a Judeo-Christian country even though he CLAIMS he is a so-called "Christian"? Regardless, perhaps we now should rewrite our Constitution to make Islamic Sharia part of our fundamental law, just like the State Department is doing in many other Islamic democracies it is building internationally.

B. HUSSEIN OBAMA'S OWN WORDS AS WRITTEN IN THE NEW YORK TIMES

“As President Obama prepared to leave Washington to fly to the Middle East, he conducted several television and radio interviews at the White House to frame the goals for a five-day trip, including the highly-anticipated speech Thursday at Cairo University in Egypt. In an interview with Laura Haim on Canal Plus, a French television station, Mr. Obama noted that the United States also could be considered as “one of the largest Muslim countries in the world.” ...

“The president said the United States and other parts of the Western world “have to educate ourselves more effectively on Islam.... And one of the points I want to make is, is that if you actually took the number of Muslim Americans, we’d be one of the largest Muslim countries in the world,” Mr. Obama said. “And so there’s got to be a better dialogue and a better understanding between the two peoples.”

Mind you, the total number of Muslims in the U.S. is a subject of intense debate (CAIR, for example, argues for a figure above 6 million because it wants the Muslim population to be thought greater than the Jewish population). The probability, though, is that there are no more than about 3 million Muslims living in the U.S. (See, e.g., this entry from Wikipedia (collecting varying estimates), and this one from Daniel Pipes in 2001, observing that the credible estimates put the figure back then at somewhere between 1.8 and — an unlikely high of — 2.8 million). This, it should be noted, does not translate into 3 million American Muslims, for many Muslims in the United States are nationals of other countries (although, I suppose, by Justice Department standards, it would translate into approximately 6 million Muslim voters.)

By contrast, of the approximately 1.5 billion Muslims in the world, there are about 200 million Muslims in Indonesia, 196 million in India, 165 million in Pakistan, 132 million in Bangladesh, 75 million in Egypt, 64 million in Iran, 33 million in

Morocco, 32 million in Algeria, 31 million in Afghanistan, 26 million in Iraq, 25 million in Ethiopia, 24 million in Saudi Arabia, 20 million in China, and 15 million in Russia, to name just a few countries. In fact, there are 2 to 3 times as many Muslims in Burkina Faso (approx. 7.5 million) as there are in America. So obviously, one can see why the president would say the United States is "one of the largest Muslim countries in the world." Lies, lies and more lies! That's what the New World Order is all about!

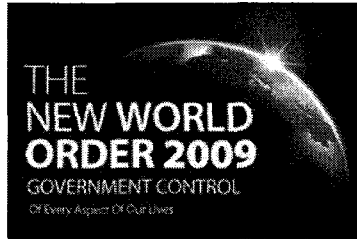

THE NEW-WORLD-ORDER'S BOTTOM LINE!

Indeed, the "New-World-Order" was the global totalitarian dream (now our nightmare) of European banker Mayer Amschel Rothschild in 1760. His grand blue print is best described by his paid social engineer, Dr. Adam Weishaupt (a Freemason), who at that time was Professor of Canon Law at the University of Ingolstadt. Professor Weishaupt adopted the term "Illuminati."

That was a long time ago and his evil satanic plan has taken a couple of centuries to come to full fruition. However, his nightmarish, global Islamic communist system of authoritarianism is now in its final stage as currently pursued by Rothschild's decedents. Below is the 8-point 'outline' Professor Weishaupt created for his banker master, Rothschild! Carefully observe the similarities between Karl Marx's 10 tenants of communism as written in his Communist Manifesto and Professor Adam Weishaupt's 8-point world-government outline below:

- 1) Abolition of all ordered sovereign governments worldwide; 2) Abolition of private property; 3) Abolition of inheritance; 4) Abolition of patriotism; 5) Abolition of the family; 6) Abolition of religion; 7) A global population reduction to only 500 million people; and finally, 8) creation of a world government, the New World Order (without God) under Satan's son, the Antichrist, a man whose number is 666.

A PLANNED ECONOMIC COLLAPSE IS NECESSARY IN ORDER TO BRING ABOUT THE NEW WORLD ORDER: YOU SEE, THEY CAN'T LET A GOOD CREATED-CRISIS GO TO WASTE! THE NEXT COLLAPSE PROBABLY WILL OCCUR DURING SEPTEMBER / OCTOBER 2009!

FINANCIAL COLLAPSE NEWS FROM DUBAI ARABIA MAY 2009

“Signs of a new financial storm for September 21, 2009 are coming from Dubai and Saudi Arabia.”

Dubai calls on the Rothschild bank for help, perhaps out of desperation. In Saudi Arabia a Saad Group company defaults. U.S., European and Asian banks are struggling. The end of Ramadan in September 21, 2009 might mark the start of an economic depression worse than that of the 1930s.

Rothschild's Dubai office has been retained by Dubai's Department of Finance for advice on the US \$10 billion financial support fund (FSF) that the Emirate raised on the bond markets.

Nakheel, the property development arm of Dubai World, was the first to benefit, but is likely to be the last of its kind because funds will be handed out on the basis of two criteria: urgency and strategic importance.

In fact, government-related corporations deemed essential for the long-term development of Dubai's economy will be eligible for FSFs. They include firms involved in infrastructure, transportation (ex. the Metro and Maktoum airport projects),

aviation, ports, shipping and tourism. Banking might be included and the Rothschild guidelines might be flexible with regard to real estate.

This said, Rothschild is not getting directly involved, but will act through commercial banks in which it has equity or has connections, like JP Morgan and other ones. Moreover, through the same commercial banks, Rothschild has a say, and a powerful one, over the Federal Reserve Bank of New York (FRBNY).

By law the latter plays a key role in the Federal Open Market Committee (FOMC) and thus has a crucial role in making key decisions about interest rates and the US money supply.

Through the FRBNY Rothschild is in a privileged position to influence US monetary policy and shape US monetary supply; crucially important since the US dollar remains the main reserve currency in the world.

Dubai's choice is also part of an ongoing dispute between the Saudis and the Emirates over the location of the single central bank of the Gulf States and what direction to give it.

The United Arab Emirates (UAE), especially Abu Dhabi, has recently put the breaks on the whole thing, and on the short run no solution seems to be in sight.

The Saudis are considered too close to the United States and thus indirectly to Israel. Gulf States, especially the UAE, favour a Euro-Asian axis that runs from China to Russia that includes Germany, a relationship best illustrated by Opel's sale to the Austro-Canadian Magna group, which stands in for the Russian state bank Sberbank.

The Rothschild family has have been closely associated with the Zionist Movement. The 1917 Balfour Declaration was in fact addressed to Lord Rothschild in which the British government committed itself to the establishment in Palestine of a national home for the Jewish people.

By choosing this banking group, Dubai is distancing itself from the other emirates, perhaps out of desperation.

But the Saudis too are facing their own serious problems. The Saad Group, which is linked to The International Banking Corp (TIBC) and the Ahmad Hamad Algosaiibi & Brothers Co, is in difficulty.

Saudi Arabia's central bank has frozen all the accounts of Saad chairman, Saudi billionaire Maan al-Sanea, who owns 2.97 per cent of the HSBC Holdings Plc, Europe's largest bank based in London.

Once known by its full name of Hong Kong & Shanghai Banking Corp., HSBC Holdings Plc is also one of Asia's main banks.

The decision by Saudi Arabia's central bank comes after an Algosaiibi-owned company defaulted on a billion dollar debt.

Maan al-Sanea's Saad Investment Co. had also received a US \$2.82 billion loan from a group of 26 European, US, Asian and Arab banks in 2007.

Such troubles might be a sign of more bad things to come for the banks, especially those in Europe and to a lesser extent in Asia.

Conversely, although US banks were hit by the subprime credit crisis in real estate, they are not that involved in emerging markets and Eastern Europe.

As in the Spring of 2008 when the first signs of the coming September financial storm were visible, today's signs, albeit not front page news, might herald another major storm during fall 2009.

But this year's crisis could be worse than last year's because of the multiple points of origin. In addition to the weak situation of the US Federal Reserve, whose financial commitments in support of the US banking system are equal to the total US GDP,

European banks could go in tilt because of their exposure to emerging markets whilst those of Asia (especially Japan's and China's) could suffer because of Asian economies' heavy reliance on now declining exports.

As for Dubai real estate values in the city-emirate have dropped by 50 per cent since before the crisis. Moreover, insolvencies here and across the Gulf region are rising.

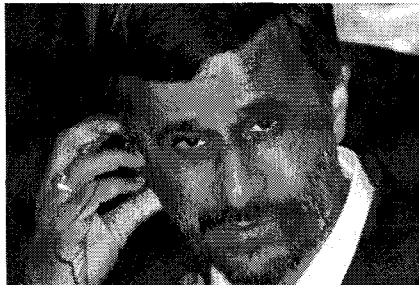

At the same time two contradictory trends appear to be coming together. On the one hand, we see that "creata ex nihilo" e-money might lead to hyper-inflation; on the other, collapsing prices in real goods could lead to deflation and an economic depression worse than that of the 1930s."

Indeed, in Dubai, many expect the next storm to hit at the end of Ramadan, September 21, 2009!

THE PRESS TV NEWS STATED ON TUESDAY JUNE 16, 2009 THAT IRAN'S AHMADINEJAD "STRESSES THE NEED FOR A NEW-WORLD-ORDER," AFTER HIS SO-CALLED "REELECTION" IN JUNE 2009!

Below is a photo of Iranian President Mahmoud Ahmadinejad at meeting of the leaders of the Shanghai Cooperation Organization (SCO) member-nations in Yekaterinburg, June 16, 2009.

Iran's President Mahmoud Ahmadinejad **calls for the creation of a New World Order** in dealing with the many challenges arising in the international political arena.

"What we need now is a dramatic change in world political thought," said President Ahmadinejad in a Tuesday address to the Shanghai Cooperation Organization (SCO) in Moscow.

"Western-style capitalism is falling apart, marking the end of the age of Imperialism," he added.

Ahmadinejad said the New World Order should be less US-centric. "Washington's many political and economic woes show that its judgment can no longer be trusted," he explained.

Iran's June 2009 so-called "election" saw Ahmadinejad win 24.5 million of the votes -- nearly 62 percent. Honestly, what a joke that is; there is no such thing as a "free" election in such a totalitarian regime as Iran's Islamic communist dictatorship.

Note above how Ahmadinejad uses the same old tired communist phrases that communists have used since the 1917 Bolshevik communist revolution. Indeed, the "New World Order" is the same old recycled satanic dance---and everyone seems to be joining the party---**the Communist Party**, that is! It should be obvious by now that Islam and communism are satanic "partners" in the New World Order!

CREATING VARIOUS “CRISES” IS THE WAY TO BUILD A GLOBAL POLICE STATE, THE NEW WORLD ORDER!

As the world financial and economic crisis comes into its own, the Western world's community leaders are seeking to impress upon mankind the idea that this global upheaval will end up turning the world into something different---something better! But nothing could be farther from the truth!

Even though the picture of the '**New World Order**' remains somewhat vague and fuzzy to most people, the main idea should be quite clear---the creation of a single, global totalitarian government---because it is absolutely essential, **if we don't want general chaos** to prevail.

Indeed, nearly daily now, politicians around the world mention the need for a '**New World Order**' and a '**New World Financial Architecture**', or some other similar phrase describing an international 'supranational control.' Some call it a '**New Deal**' for the world. Nicolas Sarkozy was the first to say so, while addressing the UN General Assembly in September 2007 (that is, before the global economic crisis happened).

During a February 2009 meeting in Berlin, which was convened to prepare the G20 summit, this phrase was echoed by Gordon Brown, who said that a **worldwide New Deal** was needed. "We are conscious," he added, "that where the world financial flows were concerned, we would not be able to emerge from this situation with the help of purely national authorities alone. We need the authorities and world watchdogs to make the activities of financial institutions operating in the world markets totally open to us."

Both Sarkozy and Brown are protégés of the Rothschilds. Statements made by certain representatives of 'the global elite' indicate that the current **crisis is being used as a mechanism** for provoking some deepening social upheavals that would make mankind – plunged as it is already into chaos and frightened by the ghost of all-out violence – urge of its own free will that a

‘supranational’ arbitrator with **dictatorial powers intervene** into the world affairs.

The events are following the same path as the Great Depression in 1929-1933: a financial crisis, an economic recession, social conflicts, establishing totalitarian dictatorships, inciting a war to concentrate power, and capital in the hands of a narrow circle. This time, however, the case in point is **the final stage in the ‘global control’ strategy**, where a decisive blow should be dealt to the national state sovereignty institution, followed by a transition to a system of private power of transnational elites.

As early as the late 1990s, **David Rockefeller**, author of the idea of private power that is due to replace the governments, said that we (the world) were on the **threshold of global changes**. All we need, he went on, is **some large-scale crisis** that will make people accept the **New World Order**.

Jacques Attali, Sarkozy’s adviser and former EBRD chief, claimed that the elites had been incapable of dealing with the old currency problems of the 1930s. He was afraid, he said, that a similar mistake would be made again. **At first we’ll wage wars, he went on, and let 300 million people perish.** After that reforms will follow and a world government. Shouldn’t we better think about a world government already at this stage, he asked?

The same was stated by **Henry Kissinger**: In the final analysis, the main task is to define and formulate the general concerns of the majority of countries, as well as of all leading states with regard to the economic crisis, considering the collective **fear of a terrorist jihad**. Next, all of that should be converted to a common action strategy. Thus, America and its potential partners are getting a **unique chance for turning the moment of the crisis into a vision of hope**.

The world is being led to accept the “New World Order” idea step by step to avoid provoking events that are likely to make the universal protests against the worsening conditions of human

existence take 'a wrong course' and become uncontrolled. The main thing that Stage One managed to achieve was to start a wide-ranging discussion on 'global government' and the 'inadmissibility of protectionism' with an emphasis on the 'hopelessness' of the national-state models for emerging from the crisis.

This discussion is proceeding against the background of information pressures that help to **build up human anxieties, fear, and uncertainty**. Some of those information actions are the following: WTO forecasts to the effect that 1.4 billion people are likely to sink below the poverty line in 2009; a warning by the WTO director general that the biggest world trade slide in postwar history is in the offing; a statement by the IMF's Dominique Strauss-Kohn (a protégé of Sarkozy's) that **a world economic crash** is impending unless a large-scale reform of the financial sector of the world economy is implemented, and a crash that is most likely to **bring in its wake not only social unrest but also a war**.

Against this background, the idea to introduce a **common world currency** as a cornerstone of the '**New World Order**' was put forward. The real masterminds of this long-standing project are as yet in the shadow.

On March 19, 2009, **Henry Kissinger** went to Moscow as a member of **The Wise Men** (James Baker, George Schultz, and others), who had meetings with Russia's leaders before the G20 summit. Dmitry Trenin, director of the Moscow Carnegie Center and participant in the latest US meeting of the **Bilderbergers**, called that meeting a 'positive signal'. On March 25, Moskovsky Komsomolets published an article 'The Crisis and the World Problems', by Gavriil Popov (currently President of the International Union of Economists) that openly voiced what was normally discussed behind closed doors.

The article mentioned World Parliament, World Government, World Armed Forces, World Police Force, World Bank, the necessity of placing under international control all nuclear

weapons, nuclear power generating capacities, all space rocket technology, the entire planet's minerals, the imposition of birth-rate limits, **the cleansing of humanity's gene pool**, the fostering of people intolerant to cultural and religious incompatibility, and the like....

The “countries that will not accept the global prospects,” says Popov, “must be expelled from the world community.”

Of course, the Moskovsky Komsomolets article conveys nothing new that would enable one to understand the **strategy of the global elite**. But another thing is important: The **establishment of a totalitarian police order and the elimination of national states**. This is being suggested as an open program of action regarding what both the socialists and the conservatives always have viewed as ‘a new global fascism.’

Indeed, this being recommended as the only possible salutary path for the whole of mankind. Someone wants the discussing of these projects to become the accepted norm.

The 2009 G20 summit did not discuss the common world currency issue, since the timing for that had not yet come. The summit itself was **a step forward on the way to chaos**, because its decisions, if followed blindly, will only worsen the world's socio-economic situation and, to quote Lyndon LaRouche, will “finish off the patient.”

In the meantime, **the crisis is being exacerbated**, and analysts are predicting an era of mass-scale unemployment. The most pessimistic predictions come from LEAP, which regularly publishes its global economic forecasts in its bulletins.

As early as February 2006, LEAP was surprisingly precise in describing the prospects for the ‘**systemic global crisis**’ as a consequence of the financial illness caused by all US debt. LEAP analysts are viewing the current events in the context of the general crisis that began in the late 1970s and is **now in its fourth, final and most grave stage**, the so-called ‘elutiation

phase', where **the collapse of real economy begins**. According to LEAP's Frank Biancheri, it is **not simply a recession but the end of the system**, in which its main pillar, the US economy, collapsed. "We are witnessing **the end of an entire epoch** before our own eyes."

The crisis may lead to some most difficult consequences. LEAP forecasts a rise in unemployment to 15-20% in Europe and as much as 30% in the United States. If the key dollar problem fails to be solved, world events will take a most dramatic turn. **The dollar collapse may take place as early as July 2009**, and the potentially decades-long crisis will trigger off "a **world-wide geopolitical disintegration**" with social upheavals and civil conflicts, with the division of the world into separate blocs, with the world coming back to Europe's 1914, with **military clashes**, etc. The most powerful popular unrest will take place in countries with the least developed social security systems and the biggest concentrations of weapons, primarily in Latin America and the United States, where social violence is already now manifest in the activities of armed gangs.

Already, experts note the beginning of some Americans fleeing to Europe, where the direct threat to life is for the time being not so great. Aside from armed conflicts, **LEAP analysts forecast power, food and water shortages** in areas dependent on food imports.

Furthermore, the Western elite are implementing their plan for 'controlled chaos' and a general disintegration policy, including an American **civil war** and **the disintegration of the United**

States during the end of 2009; a scenario that is being widely discussed by both American and world media.

On the threshold of the various conflicts planned in many areas of the globe, a new system is being installed that will give a supranational headquarters a large-scale punitive machine possessing absolute political, military, legal, and electronic control over the entire world's population. That system will use the "network-management" principle that allows embedding into any society appropriate parallel structures of authority that report to external decision-making centers; and that are legalized through the doctrine of the prevalence of international law over national law. The old shell remains national, while the real power becomes transnational---a 'global law-based state'.

The ruling center of the global law-based state will be located in the US. While its fundamental design began to emerge in the 1990s, the "so-called" fight against terrorism (after the 9/11 event) led to a radically new phenomena; the passing of the 2001 Patriot Act. That Act not only allowed security services to control the American population and suspected foreigners, but also accelerated the passing of individual State responsibilities into the hands of various transnational corporate structures.

As we breathe, US intelligence activities, trade of war, penitentiary systems, and information control are passing into private hands. This is being done via so-called "outsourcing;" a relatively new business phenomenon that consists of transferring certain government functions into the hands of private firms that act as contractors for said agencies, and who rely on "private" individuals outside the organization to solve its internal tasks.

In fact, during 2007, the US government discovered that 70% of its secret intelligence budget was being spent on such private contracts, and that the "Cold-War" intelligence bureaucracy was being transformed into something new, where various outside contractor interests dominate."

Currently, many former CIA employees state that nearly 60% of their staff is on outside contract and those contractors now gather and analyze sensitive intelligence information; write reports for decision-makers; maintain communications among various security services; help foreign stations and analyze data interception.

As a result, America's **National Security Agency** is becoming more and more dependent on private outside companies that have access to their classified information. It is no wonder, then, that the NSA is lobbying a bill in Congress that is supposed to guarantee immunity to various corporations that have worked for the NSA during the past five years.

The same is happening to **private military companies** (PMCs), which have been assuming more and more army and police functions from government agencies. At the moment, PMCs are real armies, each up to 70,000 strong, that operate in more than 60 countries, with annual revenues of up to \$180 billion (according to Brookings Institution, USA).

For instance, more than 20,000 employees of numerous American PMCs work in Iraq alongside an estimated 160,000 US military personnel.

Furthermore, a huge new system of private "corporate" prisons is also growing rapidly in the US. The prison industry complex, which utilizes prison slave labor and sweatshop practices, is flourishing, and its investors are based on Wall Street.

The use of criminal "convict" labor by private corporations now has been legalized in 37 states and is being used by major corporations such as IBM, Boeing, Motorola, Microsoft, Texas Instrument, Intel, Pierre Cardin, and others. In 2008, for example, the number of inmates in US private prisons totaled about 100,000 and that number is growing rapidly!

After George W. Bush came to power, the privatization of the government's system for transporting and retaining migrants in

newly constructed **concentration camps** began. In particular, a branch of the notorious firm Halliburton, Kellogg, Brown and Root (once headed by Dick Cheney), performed those dastardly deeds.

But the biggest achievement made over the last few years is in the area of establishing **electronic control over American's identities**. This work has been carried out under the pretext of counterterrorism.

Currently, the FBI is creating one of the world's biggest databases of biometric indexes (fingerprints, retina scans, face shapes, scar shapes, speech and gesture patterns, etc.) Its database now contains more than 55 million fingerprints. The latest novelties include the introduction of a new body-scanning system at US airports; the tracking of literature read by airline passengers in flight, and so on.

Moreover, a new opportunity to gather detailed information on people's private lives followed the signing of NSA Directive N59, which passed in summer of 2008. This Directive called for the 'Identification and tracking of individual biometry for the purpose of strengthening national security.'

Evaluating the policy of America's authorities, ex-Congressman and 2008 presidential candidate **Ron Paul said that America is gradually turning into a fascist state**, "We are approaching not a Hitlerian-type fascism, but one of a softer type, which shows in the loss of civil freedoms, when corporations rule everything and the government lies in the same bed with big business." May we remind you that Ron Paul is one of the few American politicians speaking for the closing of the **Federal Reserve System** as a secret unconstitutional organization?

With B. Hussein Obama's coming to power, the police order in America is getting tighter and tighter in two directions: 1) the strengthening of internal security and 2) the militarization of civilian institutions. Tellingly, having condemned the infringements on individual freedoms done by the Bush

administration, Obama has put his own staff under total control by making them fill out a 63-question form that touches upon the most intricate details of their private lives.

In January, 2009, **B. Hussein Obama** signed bills that enable the continuation of the illegal practice of abducting people, keeping them secretly in prisons, and moving them to countries where tortures are used. He also proposed a bill called National Emergency Help Center Establishment Act, which stipulates the establishment of six such centers in US military bases to provide help to people who are displaced due to an emergency situation or disaster and thus get into military jurisdiction. Analysts connect this bill with possible disturbances and consider it proof that the US administration is preparing for a military conflict which may follow after the provocation that is being planned.

The American system of police control is actively implemented in other countries, primarily in Europe, through the establishment of American law hegemony on its territory by means of closing various agreements. A big part here was played by US–European talks out of the glare of publicity on creation of the common ‘area of control over the population’ that were held in spring 2008, when the European Parliament adopted resolution that ratified creation of the single transatlantic market abolishing all barriers to trade and investments by 2015. The talks resulted in the classified report prepared by the experts from six participating countries. This report described the project to create the ‘area of cooperation’ in the spheres of ‘freedom, safety and justice’.

The report dwells upon the reorganization of the system of justice and internal affairs of the EU member states in such a manner that it would resemble the American system. It concerns not only the ability to transfer personal data and cooperation of police services (which is already being carried out), but also, for example, extradition of EU immigrants to US authorities in accordance with the new mandate that abolished all the guarantees the European procedure of extradition provided.

In the US the **Military Commissions Act of 2006** is in force, and it allows persecution or imprisonment of any person who is identified as an **‘illegally fighting enemy’** by the executive authorities and extends to immigrants from any country not at war with the US. **They are persecuted like “enemies” not based on some evidence but because they were labeled so by the governmental agencies.** No foreign governments have protested against this law which is of international importance.

Soon they will sign the agreement on personal data communication, in accordance with which American authorities will be able to obtain such personal information as credit card numbers, bank account details, investments, travel routes or communication via Internet, as well as the information concerning race, political and religious beliefs, habits, etc. It was under US pressure that the EU countries have introduced biometric passports. The new EU regulation implies the overall switch of EU citizens to electronic passports beginning at the end of June 2009 through 2012. New passports will contain a chip with not only passport info and a photo, but also fingerprints.

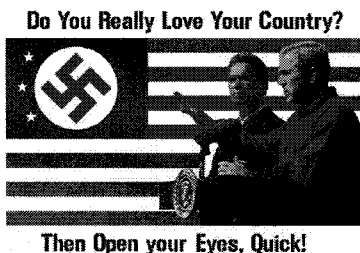

THEY ARE CREATING A GLOBAL ELECTRONIC CONCENTRATION CAMP!

We are witnessing the creation of a global electronic concentration camp, an **engineered economic crisis**, created conflicts and global wars, all of which will be used to justify a worldwide totalitarian government controlled by **the satanic elite** that **soon will be led by the son of Satan himself; the Antichrist; Mr. 666; the Rider of the White Horse of the Apocalypse!**

As someone once wrote, **“people tend to tremble in the face of an imaginary danger and are too lazy to see the real one.”**

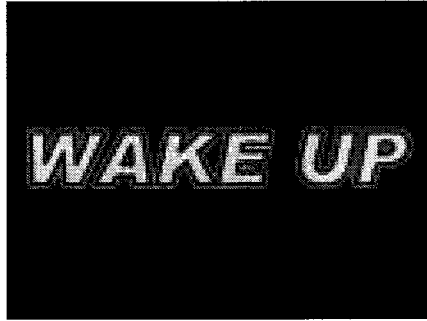

Accordingly, the **New World Order** is not an imaginary danger! It is absolutely real and it is coming at you like a high speed out-of-control downhill freight-train heading for a sharp curve! Oh, what a crash it will be!

THE BOTTOM LINE: THE ANTICHRIST'S NEW-WORLD-
ORDER GLOBAL SYSTEM OF GOVERNANCE CONSISTS
OF THREE PARTS!

1. A New World Order International Government:
Consisting of a new global Communist/Islamic political government structure probably operated via the existing international United Nations system, or some newly-modified form of it.
2. A New World Economic Order Financial System:
Consisting of a fully computerized, virtually cashless, international electronic Communist Islamic financial system based upon Islamic Shariah Financial Law controlled through the National Security Agency in Maryland, which will manage the Mark-of-the-Beast ID system and the new Shariah Finance 666 credit and debit system.
3. A New-World-Religious-Order of Antichrist Worship:
Consisting of a New-Age Communist/Islamic international socialist "Liberal Theological System" (meaning a Communist/Islamic totalitarian theology of Satan/Lucifer Worship) under Shariah Law that forces people to convert to Islam and worship ALLAH via the 12th Imam MAHDI, the Antichrist, who is Satan in disguise. Under Shariah Law, those who reject this "generous offer" will be BEHEADED (read Revelation Chapter 20) and if they manage to escape somewhere, they'll be unable to buy or sell anything.

GIVEN SUCH CIRCUMSTANCES, THERE NOW ARE JUST
TWO CATEGORIES OF PEOPLE IN AMERICA: THE
PREPARED VERSUS THE CLUELESS!

Whatever form such "triggering events" take, not only will millions of Americans suddenly discover they are completely on their own, they also will suddenly discover they are completely unprepared for the government's draconian response to planned, international social chaos---Ordo-Ab-Chaos!

Accordingly, there presently are only **two categories** of people in America as follows:

- **Category 1**: The millions of clueless who blissfully assume their political overlords are going to take care of them. They are the people most likely to get caught flat-footed with their pants down when all hell breaks loose.
- **Category 2**: The few prudent, savvy, Christian people who are taking the basic steps right NOW toward making their families and their households more self-reliant.

YOU NEED TO JOIN THE PEOPLE

IN CATEGORY 2 IMMEDIATELY!

WHAT CAN WE DO AT THIS JUNCTURE? WE CAN PRAY
FOR THE RAPTURE AND PREPARE TO SURVIVE UNTIL
THAT EVENT HAPPENS!

Can anyone predict exactly when **the Rapture** will happen? No, of course not! Truly, nobody knows with any degree of certainty when that glorious event will happen. Only God himself knows that mystery and many have guessed it incorrectly in the past. Again, only God Himself knows the timing of such an historic event. Therefore, we in God's true Church, his elect, must prepare **IMMEDIATELY** for terrible Pre-Tribulational times, as the dark clouds of Satan's New-World-Disorder global dictatorship are moving toward us quickly!

WHAT IS THE POSSIBLE TIMING OF THE RAPTURE? SCRIPTURE IMPLIES THE FOLLOWING:

The below list is a summary of several reasons why Christian fundamentalists expect to see the **Rapture happen on the Lord's Feast of Trumpets, the yearly Jewish Rosh-Hashanna holiday**:

In 2009, that holiday falls on Saturday, September 19th.

1. All the Spring Feasts were fulfilled at Christ's first coming on the exact day of each feast. All the Fall Feasts picture the Second Advent and the Feast of Trumpets is the first of the fall feasts, picturing the Rapture.
2. The Feast of Trumpets is when the "last trump" of the Rapture of 1 Corinthians 15 is blown.
3. The Feast of Trumpets is known as the Wedding of the Messiah, and the Church is the Bride of Christ, and the Rapture is when the Church is caught up to heaven to be wed with Christ.
4. The Feast of Trumpets happens on the "new moon", which is 29.5 days after the last one, meaning it might occur on the 29th or 30th day, but nobody knows for sure. "Of that day or hour no man knows" is an expression referring to this feast, and thus, the Rapture.

5. "Of that day or hour no man knows, but my Father only" is an expression used by a groom when asked when his wedding will be. He says this because it is his Father that will tell him when his preparations on the bridal chamber are completed and it is time. Again, the **Jewish wedding ceremony is a picture** of the Rapture.

6. The "Open Door" of the Rapture in Matt 25, and Rev 3, & Rev 4:1 is a symbol of the Feast of Trumpets. [Ezek 46:1] "Thus says the Lord GOD: The gate of the inner court that faces east shall be shut on the six working days; but on the Sabbath day it shall be opened and on the day of the new moon it shall be opened.

7. We are told that the new moon and the Feasts of the Lord are a shadow of things to come in Col 2:16, 17. Since the Feast of Trumpets is the only Feast of the Lord that falls on a new moon, we should take particular note.

8. There are seven days of awe in between the Feast of Trumpets and the Day of Atonement. These apparently represent the seven years of tribulation. Atonement represents Satan being defeated and cast away at the end of tribulation. Therefore, if one adds together the two-day "Trumpets" feast, the Day of Atonement and the 7 days of Awe, one ends up with the "ten days of tribulation" which might be referred to in Rev. 2:10.

9. In the traditional Jewish Wedding ceremony, a marriage takes place over a period of time known as the "bridal week". During the bridal week, the groom and bride have sex in the bridal chamber. At the end of the week, there is a marriage supper. See Judges 14, Rev. 19, and Gen. Genesis 29:22-28 in this regard. Accordingly, this bridal week could infer the tribulation week on earth, while the bride of Christ is in heaven after the Rapture.

10. Also, in the traditional Jewish Wedding ceremony, the groom comes for his bride "like a thief in the night" to take (or rapture) her away into the bridal chamber for the bridal week at his father's house.

11. The Feast of Trumpets is also known as the coronation of the Messiah, when he will start reigning as king, thus the beginning of the "Day of the Lord", which includes the tribulation period.

12. It is also time for God's Bema Judgment, or the Judgment of the works of the righteous; and said judgment must first begin at the House of the Lord.

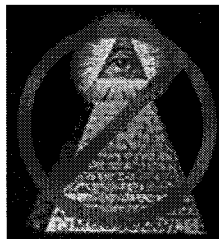

[2Cor 11:2] For I am jealous over you with godly jealousy: for I have espoused you to one husband that I may present you as a chaste virgin to Christ.

Therefore, the possible timing of the Rapture appears to parallel with the Biblical Feast of Trumpets event---the annual Jewish Rosh-Hashanna holiday---**which in 2009 falls on Saturday, September 19th**! Please note: I am NOT setting a date here! I am merely sharing information and speculating about possibilities! Only God himself knows when and if this will occur.

Having said that, could it be that Christ may "BEAM-US-UP" on September 19, 2009, or possibly on Rosh-Hashanna of 2010? Let's hope so! But once again, only God himself knows when that glorious mystery will occur.

IN THE MEANTIME, THE SATANIC

NEW-WORLD-ORDER STAGE HAS BEEN SET!

The New-World-Order stage has been set and the final act soon will begin. Jesus said regarding such times that we should not be deceived by any of Satan's "End-Times" lies (Read 2nd

Thessalonians Chapter 2)! Furthermore, He commands us to remain awake, aware and recognize the times and seasons of the End of this Age (read Matthew Chapter 24 thoroughly). He told us that although we would not know the exact “day or hour,” we would know when it was near, even at the door. And in fact, it is now at the door!

Yes, indeed, we have arrived! Again, it isn’t just near; it is at the door knocking! Of course, you can deny that reality all you like, but there can be no doubt we are the final Generation that “shall not pass” before the End comes! Undoubtedly, we are that Generation of which Christ speaks in Matthew 24! Therefore, we should realize that absolutely horrible times are just ahead of us and severe satanic persecution is coming very soon to a neighborhood near you!

In light of these circumstances, you should consider taking the following actions soon in order to protect yourselves from harm until our Lord blows the Rapture-Horn and calls us upward (Read 1st Thessalonians Chapter 4):

- Make sure that you and your loved-ones are Saved by a total belief in the Lord Jesus Christ!
- If you’re NOT Saved, accept Jesus Christ as your Lord and Savior Immediately!
- Thereafter, store at least a year’s supply of food as quickly as possible (i.e., canned goods, rice, wheat, sugar, etc.)
- Food shortages and inflationary prices soon will occur (within just a few short months), so adjust your thinking to that reality and prepare!
- If possible, buy some silver or gold as soon as possible, as the U.S. dollar soon will collapse and you’ll need precious metals in order to barter for the things you need!
- Prepare to defend your family, community and country against all enemies, both foreign and domestic! Now, you know what I mean here, folks, so use your brain and acquire everything you need NOW.

- Finally, pray for God's continuous guidance and protection over us during the perilous days just ahead.

PROBABLE SCENARIOS THAT WILL USHER IN THE NEW WORLD ORDER

Based upon more than EIGHTEEN years of research on this subject---having read over 300 books, mountains of periodicals and technical product brochures, occult newsletters, and various New Age and Masonic publications---I feel I have gained an incredibly good understanding into the mindset of Satan's people who wish to bring about this New World Order. Therefore, I will attempt to convey to you a possible scenario that could occur in the next few months or years to bring about world government under the Antichrist.

I want to make it absolutely clear that I am not prophesying because I do not consider myself a prophet in the biblical sense. However, the knowledge I have accrued during the past eighteen years lends considerable credibility to my conjectures concerning these events.

ORDO AB CHAOS

Accordingly, the Satanic Luciferians, who desire a New World Order under the devil, often articulate a little-known Latin phrase that describes precisely how they intend to bring it all about. That phrase is **Ordo Ab Chaos**.

Again, Ordo Ab Chao means "order from chaos." In other words, they purposely plan to create more than enough chaos in the world to convince us that we need a New World Order messiah to fix it. The Book of Daniel says that the Antichrist first will come as a peacemaker, and "by peace he shall destroy many."

WARS AND RUMORS OF WARS

So even though many wars and rumors of wars are occurring around the world presently, it's going to get much worse because the devil has to terrify the world into needing a worldwide phony "peacemaker" to bring **order out of chaos**. As this book goes to press, we are hearing the sabers rattle in Korea, Pakistan, the Middle East and many other places globally.

So I believe that in the not-too-distant future war in Korea, the Middle East and several other places (virtually simultaneously) will present the Antichrist with the truly serious global chaos he needs to pull this off. These regions soon could explode into full-blown war—horrificing quagmires—that will call for a complete mobilization of all US Armed Forces to help quell the planned disorder---under the command of UN military officers (read that communists), of course!

NUCLEAR WAR AND / OR TERRORISM

There even could be a limited nuclear strike or other terrorist attacks of various kinds either on America's soil itself or elsewhere utilizing small atomic weapons. Such a nuclear conflagration—unheard of since World War II—would terrify the world into thinking that it was on the very precipice of Armageddon (even though actual Armageddon will be several years after the Antichrist comes to power).

The world would then need a world government under a charismatic global leader (the Antichrist) to restore order and create peace from chaos---Ordo Ab Chao.

A PLANNED GLOBAL SYSTEMIC ECONOMIC COLLAPSE
SOON WILL WIPE OUT EVERYONE'S WEALTH!

In addition to the war chaos scenario presented above, Satan's people also will create a systemic international financial disaster—a TOTAL economic crash, WHICH THEY STARTED IN 2008, the likes of which the world never has seen—creating general havoc, riots and revolutions around the globe that will be unparalleled in world history.

FOOD SHORTAGES, VARIOUS DISEASES, POWER
OUTAGES & A POSSIBLE INTERNET CRASH ARE
PLANNED AS WELL!

Worldwide famine and uncontrolled contagious diseases are other forms of chaos.

Even more chaos could be created as a result of a global Internet information "meltdown," created by terrorists, thieves, government agencies, and/or others. Such an informational Internet "Chernobyl" is inevitable. Indeed, it's just a matter of time in our interconnected, computer-dependant world.

As a result, the world's markets will crash and virtually everyone's wealth will be wiped out over night—not difficult in our global electronic society!

Thereafter, banks will close and circumstances will be desperate; even worse than the Great Depression of the 1930's, through which our grandparents lived.

People will be reduced to poverty and will be dependent totally upon the government for subsistence. Money, food, medical assistance, and other benefits will be used to make people gratefully submit to the government's plan to resolve this and other global crises.

Dr. Henry Kissinger, a **New World Order** "lieutenant," was quoted several years ago as saying that what the world really needed to make it realize that world government was necessary, was an outside threat of some kind. He postulated that a UFO alien invasion might be such a world-unifying threat. He [Kissinger] further stated that when confronted by this threat, the peoples of the world would gladly relinquish their national sovereignty and individual rights to receive protection from the UN-led world government against these "invaders."

Therefore, based upon this insight gained from Mr. Kissinger, I surmise that in addition to war chaos, economic cataclysm, and other disastrous events such as diseases, famine and various natural disasters (i.e. floods, hurricanes, earthquakes, volcanic eruptions, meteor bombardment, etc.), we also may be confronted with a demonic manifestation in the form of a UFO invasion.

Indeed, occult-inspired "New-Agers" contend that our "Space-Brother-Aliens" are poised and ready to make intervention into the affairs of mankind at just the right time to "save us from ourselves." These New-Agers widely believe that such an alien intervention will occur whenever the world is desperate enough to need them (i.e., just before we attempt to destroy ourselves with nuclear weaponry).

By this time, advanced technology probably will have moved us forward to the point that our smart cards already will have been replaced by a more positive, unalterable means of permanent identification via the subcutaneous RFID biochip implants.

But until then, we presently are being pre-conditioned (desensitized) to accept such technology by means of routine use of biochip identification of animals, as well as an imminent national ID card (which now has been mandated by The Real ID Act) probably based on the current military MARC card (Multi-Technology-Automated-Reader-Card), using the latest identification science centrally orchestrated through the United States Government's Biometrics Consortium, a subsidiary of the National Security Agency at Fort Meade, Maryland.

Eventually, as citizens of the world, as well as members of nation-states, we will be required to accept this new system of international identification, soon to be known as the MARK of the New World Order, which likely will be the Biblical Mark of the Beast described in Revelation Chapter 13, Verses 16-18.

Since God's Scripture calls for the Mark to be placed either in the Right Hand or the Forehead, it is significant that we find the following statement in an article by Donald R. Richards, CPP, titled "ID Technology Faces the Future," which appeared in the April, 1994, edition of Security Management magazine, discussing biometric identification methods that states:

- "Since users are likely to be clothed from head to toe, the identification decision must be based on the **hands** or the **head**...."

You see, such thinking is logical and it simply makes sense to do it that way. This is why the non-believing world will so readily accept it and follow the Antichrist! He will promise people the moon and deliver them into Hell for eternity!

Yes, the spiritual repercussions of accepting the Mark of the Beast (666) will result in the loss of your **eternal soul** followed by unending eternal torment in Hell with Satan and his demons (Rev. 14:9-11).

But the earthly price you will pay for NOT accepting the Mark during the 7-year Tribulation Period will be the **loss of your head**---literally! Indeed, if you refuse to both worship the Antichrist and accept his 666 Mark biochip in your Right Hand or Forehead, you will be **BEHEADED!** (Read Revelation Chapter 20 in this regard).

Can you now readily visualize why the New World Order's global government system must necessarily include Islamic Sharia Law and Sharia Finance Compliance? Because obviously, at that time, **Muslims will behead all infidels** who refuse to convert to Islam by worshipping Allah, who is Satan, the Antichrist, in disguise.

Neither of these choices sounds very appealing to me. Accordingly, it pays to make your choice prior to this event while there is still time...even though it may be very short.

GOD'S LIBERTY VERSUS SATANIC DEMAGOGUES: WHAT IS A DEMAGOGUE? HE IS THE ANTICHRIST!

What is a demagogue? According to the encyclopedia, **a demagogue is a politician** skilled in oratory, flattery and is evasive in discussing vital issues; promising everything to everybody, appealing to the passions rather than the reason of the public, and arousing racial, religious, and class prejudices.

History tells us that **personal liberty** is most often the demagogue's first victim, particularly when popular sentiment is whipped up against some internal or foreign enemy. In other words, liberty and "demagogos" cannot coexist. The ancient Greek word "**demagogos**" means simply **a spokesman for the people, or more pejoratively, a LEADER of the mob.** "Modern

usage implies rhetorical gifts and the ability to arouse an audience, usually with **the promise of radical change.**"

B. HUSSEIN OBAMA OFFERS AMERICA THE SAME OLD REPACKAGED, UNDEFINED COMMUNIST PROMISE OF **HOPE AND CHANGE!**

We have been warned of **three kinds of people: charlatans, demagogues, and politicians**; and, very soon now, someone will rise up who is **all three of these characters wrapped into one!** Of course, I do not mean to imply here that Obama is or will be the Antichrist. He is not! Indeed, the Antichrist will be much more deceptive, slick and crafty than Obama---the Antichrist will be even better than former President "SLICK-WILLIE" Clinton!

The Bible informs us he'll be the Son of Satan, the Son of Perdition, the Prince of Darkness, the Evil One---the Beast-Man of the Apocalypse, the Rider of the White Horse (Rev. Chap. 6) whose number is 666---the ANTICHRIST (Rev. Chap. 13) (as described succinctly throughout the foregoing text).

Accordingly, don't be deceived and do not follow him because his promised "HOPE" is a lie and his radical political "CHANGE" is in fact Islamic global communism that will result in international death and destruction!

CHOOSING THE RIGHT NEW WORLD ORDER

The drive toward a New World Order continues. Jesus predicted a time of terrible judgment, so bad that if God did not intervene, there would be no flesh left on the earth (Matt.24:22). Someday soon Jesus will return, and when He does, He will establish His reign on the earth for a **thousand years** (Rev.20:6). This will be God's True New World Order promised throughout the Bible. Satan's New World Order global government is simply a counterfeit phony.

The time to choose which New World Order is for you is now, before the time for choices is past. Satan's counterfeit is near at

hand and, according to Joel 3:9-12, millions will perish during his cruel reign. However, Jesus, the Savior of the world, invites you to receive His grace and forgiveness instead and rejoice in His New World Order forever.

NO PERSON CAN SERVE TWO MASTERS!

No man can serve two masters; that is a biblical admonition, but you know it to be true from everyday experience. Two other scriptures warn us to "choose you this day whom you will serve" and that "today is the day of salvation." Those are easy to interpret and the choice is yours—don't wait until it is too late to make it; and today is the only day we have to accept the Lord's offer of salvation---since none of us have any guarantee of tomorrow.

In spite of New Age propaganda to the contrary, there are really only two choices: The Son of the one true God, The Lord Jesus Christ—or Satan, the fallen angel, the father of all lies, the Antichrist, the false messiah, whose number (according to scripture) is 666.

For those who may believe that we don't have any choice in our destiny, I want you to consider what God said in the Old Testament.

First we are told in Joshua to "choose you this day whom you will serve. As for me and my house, we will serve the Lord."

In another place God said, "I set before you this day life and death—choose life." I also urge you to choose life! Not only are the rewards "out of this world," but you can escape God's soon-coming judgment upon all those who have rejected His Son, Jesus Christ.

CHOOSE LIFE---CHOOSE JESUS CHRIST!

How can you make your choice and Choose Life? The Bible promises us that all who have received Jesus Christ as their

Savior and Lord will be saved from the coming wrath of God on a Christ-rejecting, God-hating world. Yes, you, too, can escape the coming satanic New World Order horror by making Christ your Lord and Savior today. Don't procrastinate, do it now.

God has given mankind free will and worship is a choice. Choose today to worship Jesus Christ, not the Antichrist tomorrow.

All it takes on your part is a sincere invitation (it's usually called a prayer), then Jesus does His part and washes you clean by His shed blood on the Cross, welcomes you into God's family, and becomes your Savior. This is not religion, it's a relationship.

Once you have established the relationship with Jesus by asking Him to become your Savior (an immediate transaction), then proceed to make Him the Lord of your life, then seek to pattern your life after His example, as described in the Bible, and seek His direction for your life thereafter. Jesus Christ has promised never to leave us nor forsake us.

Subsequently, tell someone about this new relationship you have with God through Christ. The Bible says that you must believe in your heart and confess with your mouth that Jesus is your Lord—you can think of it as confirming the transaction.

PERSONAL PREPARATIONS FOR HARD TIMES

Of course, being spiritually prepared is the most important thing, but you should give serious consideration to preparing immediately in the natural as well, i.e., store extra food, acquire some precious metals and prepare to defend yourself and family because some very precarious times lie just ahead of us before our Lord Jesus returns for His church.
